The Carolina Farmer
BELIEVING THAT THE INTERESTS OF THE
Farmers and Planters of this section demand
the publication of a periodical to be devoted to
the advancement of Agriculture in the two Carolinas,
we have determined to establish such a periodical
under the title of
THE CAROLINA FARMER,
and will invite the first number as soon as a sufficient
number of Subscribers are obtained to pay a
reasonable share of the expense of publication.
The FARMER will be issued monthly at \$2.00
per annum, in advance; will contain not less than
thirty-two large double column pages of reading
matter, bound in handsome covers; and in typographical
execution will not be surpassed by any
Agricultural Monthly in the country.
Being determined to do whatever energy will
accomplish in making the FARMER worthy the support
of the intelligent Planters and Farmers of
North Carolina and South Carolina; and desiring
to introduce it into every county in those States,
we wish to employ active Agents at every Post-office,
to whom the most liberal inducements will be
offered.

The war closed with a large indebtedness on the
part of our former subscribers, some of whom have
proffered us payment. To others we have presented
no claim, amid the losses and misfortunes by which
they have been surrounded, having been spared the
necessity of doing so by the very generous, prompt,
and hearty support we have uniformly received.
We are able to wait for the advent of better times.
We are confident that when prosperity returns to
the land they will cheerfully meet their obligations.
To all such we cordially extend an invitation to re-
