DR. TUTT'S EXPECTORANT

FOR COUGHS, COLDS, &c.

For the Speedy Relief And Permanent Cure of CONSUMPTION, BRONCHITIS, ASTHMA, COLDS, And all Diseases of the LUNGS, CHEST, OR THROAT!

THE EXPECTORANT is composed exclusively of Herbal and Mucilaginous products, which

Permeate the very Substance of the Lungs,

causing them to throw off the acrid matter which collects in the Bronchial Tubes, and at the same time forms a soothing coating, relieving the irritation which produces the cough.

The object to be obtained is to cleanse the organ of all impurities; to nourish and strengthen it when it has become impaired and enfeebled by disease; to renew and invigorate the circulation of the blood and strengthen the nervous organization. The EXPECTORANT does this to an astonishing degree. It is active but mild and congenial, imparting functional energy and natural strength. It affords Oxygen to vitalize the blood, and Nitrogen to assimilate the matter.

It Equalizes the "Nervous Influence," producing quiet and composure

TO CONSUMPTIVES

It is invaluable, as it immediately relieves the difficult breathing and harassing cough which attends that disease.

FOR ASTHMA

It is a specific—one dose often relieving the distressing choking, and producing calm and pleasant repose.

FOR CHROU

No mother should ever be without a bottle of the EXPECTORANT in the house. We have numerous certificates of its having relieved, almost instantly, the little sufferer, when death appeared almost inevitable.

MOTHERS BE ADVISED! Keep it on hand!

This dread disease requires prompt action; as soon as the hoarse, hollow cough is heard, apply the remedy, and it is easily subdued.

But Delay is Dangerous! The properties of the EXPECTORANT are demulcent, nutritive, balsamic, soothing and healing. It braces the nervous system and produces pleasant and refreshing sleep.

Containing all these qualities in a convenient and concentrated form, it has proven to be the

Most Valuable Lung Balm ever offered to sufferers from Pulmonary diseases.

READ

It is well known to Doctors and to Ladies, that a numerous disease peculiar to their sex—such as Suppression of the Menstruation, Whites, Painful Monthly "Periods," Rheumatism of the Back and Womb, Irregular Menstruation, Hemorrhage or Excessive "Flow," and Profuse Utteration or Falling of the Uterus. These diseases have added been treated successfully. The profession has sought diligently for the best remedy that would enable them to treat these diseases with success.

At last that remedy has been discovered by one of the most skillful physicians in the State of Georgia. That remedy is BRADFIELD'S FEMALE REGULATOR. It is purely vegetable, and is prepared in Atlanta, Ga., by BRADFIELD & CO. It will purify the blood and strengthen the system, relieve irritation of the kidneys, and is a specific for all the above diseases; as certainly a cure as Quinine is in Chills and Fever.

It is a history of disease, and verification of its curative effects, the reader is referred to the wrapper around the bottle. Every bottle warranted to give satisfaction or money refunded.

LAGRANGE, GA., March 23, 1870.—BRADFIELD & CO., ATLANTA, GA.—Dear Sir: I take pleasure in stating that I have used your Female Regulator for several years, and find it to be a most valuable medicine. I have been afflicted with the disease for which it is recommended, and consider it the best combination ever gotten for the disease for which it is recommended. I have been familiar with the prescription both as a practitioner of medicine and in domestic practice, and can honestly say that I consider it a boon to suffering females. I have seen it cure every lady in my family who has been suffering in any way peculiar to their sex, and may be able to procure a bottle, that their sufferings may not only be relieved, but that they may be restored to health and strength. With my kindest regards, I am, respectfully, W. B. FERRELL, M. D.

We, the undersigned Druggists, take pleasure in recommending to the trade Dr. J. Bradford's Female Regulator. It is a most valuable medicine, and is a boon to suffering females for which it recommends it. W. A. LARDELL, Atlanta, Ga.; Pemberton, Wilson, Taylor & Co., Atlanta, Georgia. Redwine & Co., Georgia. W. Root & Son, Marietta, Georgia.

DR. PROPHIT'S CELEBRATED LIVER MEDICINE is a purely vegetable, and will act upon the Liver and Kidneys, and promptly assuage Colic and Biliousness, without any danger of salivation, or destruction of the bones. Parties taking this medicine need not fear getting wet, or in any other reasonable exposure.

Symptoms of LIVER DISEASE:—Headache, Dull Feeling of the Head, Sour Stomach, Sick or Nauseous Head, Constipation, Indigestion or Dyspepsia, Bad Taste in the Mouth, the skin has a thick, rough feeling, and is darker than usual, Costiveness, Measles, Febrile, Chills, Cold Feet, Colic, Dysentery, Diarrhoea, Cramps and Fever, and Piles. In fact, where the Liver is out of order, you are liable to every disease that is not caused by cold, or by any other cause. It will regulate its functions, and thus cure all diseases caused by the failure of its healthy action. It has been used for a great number of years, and has given universal satisfaction. There is no other medicine claiming to be the original and best.

It is put up in both Powder and Liquid Form. FARRIS, Ga., Sept. 4, 1868.—DR. O. S. PROPHIT:—SIR: My wife has been an invalid for fifteen years. Doctors all agreed she had "Liver Disease." In connection with this practice, she used various and powerful medicines, none of which seemed to do any good.—Sometime since I procured a bottle of your "Liver Medicine," of your agent here, C. A. HARVEY, which being given according to directions, has effected a complete cure. Respectfully, &c., GEO. L. THOMPSON.

CHARLOTTE, N. C., Sept. 24, 1868.—I have used Dr. O. S. Prophit's Liver Medicine as a tonic, and found it to be powerful and efficacious. It is excellent for functional derangement of the Liver or constipation of the bowels in men, and especially in the necessity of a regular course of this medicine. E. J. MEYER, M. D., Pastor Tryon St.

MARION COUNTY, TEXAS, Aug. 1, 1869.—DR. O. S. PROPHIT—Dear Sir: I write you this to inform you that I have been troubled a great deal with indigestion, but after using one bottle of your Liver Medicine, I find great relief. I cheerfully recommend it as a good Family Medicine, and feel confident that it is the best for anything for which it claims to be an antidote. Very respectfully, DICK LOCKETT.

PROPHIT'S PAIN-KILLER.

This is the celebrated medicine that ran Perry Davis, Pain Killer out of the market, wherever it was sold. Davis made Prophit change the name from Pain Killer to Pain Killer. For Rheumatism, Neuralgia, or pain of any kind, it has no equal. For Cuts, Bruises, Burns, or old Sores, it is the best thing you can use as a dressing. For the Bites or Stings of Poisonous Insects, it is a perfect Antidote. It is good for Colic, Colds, Coughs, or Aowel Complaints. Its name indicates its nature fully. It is truly DEATH TO PAIN. Manufactured and sold by BRADFIELD & CO., Atlanta, Ga., and for sale by all Druggists.

DOOLY COUNTY, GA., April, 1867.—This is to certify that I was confined to the house, and most of the time to my bed, and suffering the greatest agony imaginable, with Rheumatism, for five months, and after
