

TRIAL HEARING.

Corporation-Middings, 10 to 10; cents. Rev. Wm. Henry Strickland will preach at Salem on next Sunday at three o'clock p. m. sharp.

Mr. Z. D. Chamberle is selling off at cost the Emporium of Fashion Ladies wishing to secure bargains should call at an early day.

The pastor of the Baptist Church will preach to his congregation next Sunday at 11 o'clock a. m. on "The Duty of Training up Children."

We are indebted to Hon. John H. Evans, member of Congress from the Fourth Congressional District of this State, for copies of the Congressional Record.

Mr. M. P. Brown, of Atlanta, Ga., paid us a visit on last Wednesday. He has been spending a week in this County, visiting his father, Samuel Brown, Esq., and other relatives.

Senator Cochran has introduced a bill to elect County Treasurers and Auditors. If he will add to it Trial Justice, the spirit of the constitution will be carried out by the adoption of the bill.

Mr. D. A. Ziegler has vacation in his school at Sandy Springs for the month of December, and is availing himself of it to make a visit to Newberry, his native County. He will resume the exercise of his school in January.

We are gratified to learn that Mr. James M. Lattimer, President of the Anderson and Savannah Valley Railroad, has so far recovered from an attack of sickness as to be able to go about once more. We hope he will soon be quite well again.

Since our last issue Messrs. Reed & Stephens rolled out of their Repository one of the finest Buggies ever sold in this place. They sold it for the cash, and they have some more to sell that way, and on easier terms, too. See their special offer.

We have received a copy of the reply of Senator M. C. Butler, of this State, to the statement filed by D. T. Corbin, in the contested Senatorial seat from South Carolina. Judge T. J. Mackey was the counsel for General Butler, and the reply was able and convincing.

Mrs. E. A. Baunister died at the residence of her husband, Mr. Alexander Baunister, in this County, on Saturday, the 17th of November, after an illness of several days. She leaves a husband and several small children to mourn the early death of one so dear to them.

At the last meeting of the Broadway Division, Sons of Temperance, E. B. Murray, G. W. P., was invited to be with and address the Division at its next meeting, on Saturday, the 15th inst., and a full meeting of the Division for that evening was requested.

We had the pleasure of meeting in Anderson Messrs. J. Bayles Lewis, formerly of this place, but at present residing in the well-known house of E. W. Wagener & Co., of Charleston, S. C. Mr. Lewis came to Anderson for the purpose of removing his family to Charleston, which will henceforth be his home. We regret to lose such a good citizen from our town.

We regret to announce the death of Mr. Marlon Davis, which occurred at his residence in the northern portion of Anderson County on Tuesday, the 27th of November, from an attack of measles. Mr. Davis was son-in-law of Mr. Joseph L. Byrum, and in his early death leaves a wife and two little children to mourn the irreparable loss of a husband and father.

Last Monday being the last Saturday in this year brought a large crowd of persons to Anderson from all portions of the County. The day was cold, but otherwise quite pleasant. A considerable amount of property was disposed of at public sale, and brought moderately fair prices. We have never seen better order observed upon a public day than marked this day from morning till night.

Dr. A. P. Johnston, of Newberry, paid us a visit on Wednesday, and we are gratified to learn that he has come into our midst for the purpose of practicing the profession of dentistry. Dr. Johnston is a graduate of the Pennsylvania Dental College, and has been in the active practice of his profession for the past two years. We wish him much success in his profession, and are glad to welcome him as a citizen of Anderson.

At the last regular convention of Burning Bush Chapter, No. 7, R. A. M., the following officers were elected and installed to serve the ensuing year: J. E. Brezance, M. E. H. P.; G. F. Tolly, King; Dr. R. L. Shapere, Serib; J. H. Clarke, C. H.; E. H. Todd, P. S.; J. A. Daniels, R. M. G.; H. O. Herries, G. M.; and V. J. B. Williams, G. M. 2nd, Val; E. W. Byrum, G. M. 1st; V. J. A. Brock, Treasurer; J. P. Reed, Secretary; J. F. Murrin, Sentinel.

While our people are giving their attention to the introduction of new crops, fruits, &c., we would call their attention to the fact that the Pecan Nut will grow very successfully in this section of country. This is not new, but the fact is not generally known. Mr. B. F. Whitner has a tree on the lot attached to his residence, which bears fine fruit. Every man who has a home should plant some of these trees, and in a few years the crop on them will be abundant.

We notice that a bill has been introduced in our Legislature to establish the voting precincts of the several counties of the State. This is an important subject, and we hope our members will see to it that hereafter only the best interests of Anderson County will be kept in view.

OUR MAILS.

The delivery of mails at this point have been very irregular for more than two weeks past. The great floods in North Carolina and Virginia accounted for the trouble with the Northern mail for a few days, but we have not been able to receive any of our mails except on the night train with regularity. There is some difficulty in the transfer of the mail at Seneca City, and we hope the Post Office Department will investigate it, and have the evil corrected. The present arrangements are both irregular and inaccurate. We have a route agent, and if the mail were transferred there would be no trouble.

TOWNVILLE.

As the correspondence from this part of the County has, for a few weeks past, failed to reach you in time for publication, we now embrace the opportunity to give you the "dots" from the examination covering the present season. Our young friend Mr. W. S. Hunter has moved to Seneca, where he is engaged in mercantile business. Mr. W. J. Compton will also leave us shortly for that place, to engage in similar pursuit. On Monday last Dr. Samuel Bruce left for Columbia, whither he has gone to study and practice dentistry. We wish our young friends success in life.

The committee to draw up a charter for the Anderson and Savannah Valley Railroad met at the office of Messrs. Murray & Murray, at this place, on last Tuesday morning, and agreed upon the details of the work. A sub-committee has since been drafting the document, and it is now about ready for presentation to the Legislature, which will be done in a few days. No trouble is apprehended in obtaining this charter, as the Legislature cannot consistently refuse to give any section of the State the right to build a railroad to supply the necessities of their country. As soon as the charter is obtained a permanent organization will be effected, and steps taken to begin work as soon as possible.

Thanksgiving day was very generally observed throughout the entire country, and very interesting services were had in many places. Anderson kept company with other places in returning thanks to the "great Giver of all good" for the bounteous blessings vouchsafed to us during the year, which is now rapidly closing its cycle. The mass meeting of several congregations in the Presbyterian Church enjoyed the addresses from Revs. D. E. Frierson and W. H. Strickland very much, and were given some very wholesome home-truths by Mr. Frierson, who, in closing the addresses of the day, made an address that truly thankfulness to God prohibited the excessive use of the blessings showered upon us, and in this connection spoke of the table extravagance indulged to so great an extent by many of the Christians of our time. He also deprecated the extremes of dress and fashion, which absorb so much of precious time and valuable thought for the simple purpose of display. In closing, he admonished his hearers to abstain from the sin of excess in all things, and urged them to testify before the world their appreciation of God's goodness, and their thankfulness for them by commending themselves anew to his service. Interesting services were also held in other churches in the County.

DELINQUENT-LAND SALE.

Under instructions from the Comptroller General, Mr. Samuel Moore, County Treasurer, did not sell the land advertised for delinquent taxes. The sale has been indefinitely postponed. Thus still another opportunity is given the tax payers who have not paid their mite to the government to save their lands from sale.

RAILROAD MEETING.

There will be a meeting of the friends of the Anderson & Savannah Valley Railroad, at the Mt. of Mr. B. A. Davis, in Savannah Township in this County, on next Saturday morning at 11 o'clock, to consider the subject of building the road, and the amount that should be subscribed by this township for that purpose. Several speeches will be made and a large attendance is desired. The whole people of the township are urged to be present for the purpose of counselling together over this very important enterprise. Remember the day and be present if possible.

MILITARY COMPANIES.

The Palmetto Riflemen, of Anderson have recently re-organized, and are taking steps to become a portion of the State Militia. The following is the list of officers elected at the late meeting: Captain, John E. Allen; Lieutenants, P. K. McCully, J. G. Cunningham and John O'Donnell; Sergeants, Thos. F. Hill, J. L. McGee, R. A. Reid, J. O. White and Rufus Hill; Corporals, Louis Sharron, J. R. Smith, J. F. Foster and W. D. Brown; Armorer, Baylis Sloan; Drummer, J. M. Cathcart; Bugler, E. G. Evans; Surgeon, Dr. W. H. Nardin. The Company numbers about sixty men, and is composed of fine material.

THE FENCE LAW.

Many of our readers have inquired of us as to the probable course which will be pursued in this County relative to the execution of the new Fence Law, and for the purpose of giving the desired information, we have made inquiry, and learn that the Commissioners will advertise in a few days for contracts to build the line fence. The bidding will be closed on the 15th of next January, and the fencing is to be in sections of one mile each, with a contract to keep it repaired for three years. Although the law will go into operation on the 1st of January, it is not probable the line fences will be completed before the 1st of February next. It will be carried into effect, and our people had best begin to arrange their matters accordingly.
