

Anderson Intelligencer. LOCAL NEWS.

BRIEF MENTION. The Greenville Weekly Chronicle, published by Mr. A. M. Howell, has suspended.

There will be a union singing at Providence Church on next Sunday, commencing at 10 o'clock a. m.

Dr. Donner, of Due West, has sufficiently recovered from his recent severe illness to go to Glenn Springs, Spartanburg County.

The exceedingly cool nights of the past week have not been favorable to cotton, and some places in Iowa that it is wanted.

Married, in Savannah, Ga., by Rev. D. K. McFarland, Thursday, April 29th, Mr. J. T. Telford, of Winneton, Wis., formerly of Bolton, S. C., and Miss Laura J. Thomas, of Savannah, Ga.

The colored amateur theatrical company gave an entertainment in Masonic Hall on Tuesday evening to a very small audience. Portions of the programme are said to have been creditably performed.

There will be no preaching in the Presbyterian Church on next Sunday as Dr. Prieron will be in Charleston attending the sessions of the General Assembly of the Presbyterian Church, South.

Mr. T. J. McGehee, one of the oldest citizens of the Fork township, was in Anderson on last Thursday for the second time since the war. He had the pleasure of a call from him during his stay in town.

Married, at the residence of the bride's father, on Thursday evening, May 13, 1880, by Rev. D. E. Frierson, D. D., Mr. Albert W. Todd and Miss Mattie G. Anderson, eldest daughter of Mr. D. F. Anderson.

Fifty-nine barrels of cotton were sold in town by farmers on Tuesday. The like was never known in Anderson before, and is another substantial evidence of the good condition of the farmers of our County.

With one or two exceptions, all of our merchants will begin to-day to close their doors at 6 o'clock in the afternoon. This is done to allow their employees a little time for recreation during the dull season, and is a kindness and consideration that will be duly appreciated.

Anderson has one more lawyer. Mr. D. A. Ziegler, one of our promising young men, went down to Columbia last week and after standing a most creditable examination before the Supreme Court was admitted to the practice of law in all of the State Courts of South Carolina.

According to the best calculations the annual business of the Town of Anderson is about one and a half million dollars. This is certainly not far from the correct amount, and it shows a very decided prosperity here. The best part of it is, that our trade is steadily on the increase.

The members of the Pentecost Methodist Church will give a hot supper to-morrow night, the proceeds of which will be applied to the purchase of a new parsonage. The public generally are cordially invited, and it is hoped there will be a good attendance. It will doubtless be a pleasant occasion.

The temporary plank fence that encloses the blue-grass plots on either side of the Court House has been removed and a neat iron fence put up in its place. While the Commissioner had not done quite as much as the Court instructed them to do, we must praise them for what they have done and hope on for what we want.

Mr. Fry, the Superintendent of the G. & C. R. R., will receive the thanks of the people of all the towns on the Anderson Branch and Blue Ridge section of his Road for the splendid passenger coach that has been put on this line, which makes its accommodations equal to those on the main line. This is what we have been entitled to for a long time.

The picnic at Silver Brook on Saturday last, under the auspices of the Baptist Sunday School, was a very pleasant occasion. The company was composed of children, for whom the older persons present seemed desirous of making the day especially pleasant. The dinner was bountiful and unusually fine, and every one enjoyed it very much.

The experimental survey of the Savannah Valley Railroad was begun at two o'clock on Wednesday, the 19th instant. The first line was begun from the Greenville & Columbia Railroad depot, in the town of Anderson, and the second will be run from the Blue Ridge depot. The corps will probably be out about one month on this survey, and work will be begun upon the Road as soon as it is located.

Capt. Kirk was in town on Monday, and is in as high spirits as ever over the prospect of the early completion of his railroad. He is making much better progress with his work than he ever anticipated in the outset, and hopes to have the line finished to Pickens, O. H., by fall. He regards the road as one of the most important, and thinks it should be pushed with zeal and diligence.

The Abbeville Medicine, says "Ninety-Six has a curiosity in a specimen of cotton. It is an old cotton stalk which after lying out all winter has sent forth new shoots and will grow again. It should be sent at once to the commissioner of agriculture for a scientific explanation." We understand there have been several instances of the same kind in this County. This freak of vegetation is due to the unusually mild winter.

Mr. Elijah Griffin, a highly respected and esteemed citizen of Bolton to which he belongs, died on last Sunday in the 83d year of his age. Mr. Griffin had been a consistent member of the Baptist Church since the fall of 1831, at which time he united with the Neal's Creek Church. In the spring following, he and a number of others withdrew from that Church and formed the Rochester Baptist Church, of which he remained an active and diligent member to the day of his death.

The Anderson County Singing Convention held its 5th semi-annual meeting at the Methodist Church on the 8th and 9th instants, and was largely attended. The Convention held morning and evening sessions, which were given up principally to singing, in which prominent members led. Rev. L. W. Tinsdale, Sup't. J. A. W. Poole, Secretary.

The white citizens of Richmond, Va., are taking a more active interest in politics this year than they have been known to do since the days of reconstruction.

A temperance organization at Greenville had a big picnic at Williamston on last Friday. They ran an excursion from Friday, 4:30 a. m. to 4:30 p. m. The excursionists to their party at all of the intermediate stations, carrying into Williamston several hundred passengers, who literally took possession of the town for the day. They spent a delightful day, and returned home that evening most favorably impressed with the kind and hospitable people of that beautiful town.

The new schedule on the Greenville & Columbia Railroad went into effect on last Monday, and is a very decided improvement. The morning down train leaves Pendleton at 6:30, Anderson at 7:40, and Bolton at 8:57, arriving at Columbia at 4:10 p. m. The evening up train leaves Columbia at 10:40 a. m., Bolton at 8:25 p. m., Anderson at 5:48, Pendleton at 4:45 and arrives at Wallhalla at 8:15. The convenience of all classes of our citizens is promoted by the new schedule.

Miss Dora Anderson, daughter of Maj. G. W. Anderson, of Williamston, and Miss Lillian Weber, daughter of Rev. Samuel A. Weber, of Charleston, graduated in the Williamston Female College on last Friday, and bid farewell to their tutors, schoolmates and college days. They are both talented and accomplished young ladies, and will adorn the "highest circles of society. The graduating exercises were witnessed by a large number of the citizens of Williamston as well as by the picnic excursionists who were there that day.

Mr. J. W. Towbridge paid Anderson a visit last week for the purpose of entering business in the local market. He expressed himself as greatly pleased with Anderson, and was surprised to find the town as large as it is. He thinks the Anderson newspapers do not boast enough of our advantages and the importance of the town. It is customary in many places to magnify towns in the local newspapers, but the rule in Anderson is never to say anything which we do not believe to be true. Mr. Towbridge expects to begin business here soon, and we wish him abundant success.

We understand that the valuable water-power, and two hundred and seventy-two acres of land surrounding it, belonging to Maj. Geo. W. Anderson, near Williamston, has been sold to the Richmond capitalists for ten thousand dollars. It is proposed at once to erect a cotton factory upon it, in which enterprise a capital of \$400,000 is to be employed. We congratulate our Williamston friends upon the prospect of such a desirable and profitable enterprise in their midst. It will certainly add very much to the growth and importance of their flourishing town.

As the days grow longer and the sun gets hotter with each succeeding day, the demand for refreshing and cooling beverages naturally increases, and soon the most popular place of resort will be those where the best soda water is furnished. It is to be found, Mr. A. P. Hubbard has long enjoyed an enviable reputation for the excellence of his soda water, and on Tuesday afternoon afforded the entire force of the INTELLIGENCER an opportunity of testifying to the fact that its standard is equal to that of former years. The "Little Man" was once a type himself, and has not yet forgotten the pleasure such kindnesses afford the weary travelers.

We are pained to record the death of Mrs. Bridget Kennedy, which occurred at the residence of her husband, Mr. M. D. Kennedy, known to us and J. O. Keen on Thursday morning of last week, after a long and painful illness from a disease of the lungs. Mrs. Kennedy was a native of Ireland, was in the 58th year of her age and had lived in America since 1858. She was an excellent lady, and had many friends in our midst who commingled their tears with those of her bereaved husband and children. Her remains were consigned to their final resting place on Friday afternoon in the lot in this place owned by the Catholic Church.

Messrs. Lucas & Richardson, of Charleston, have purchased the Greenville Daily News, and will continue its publication in the Morning City. These gentlemen have secured the services of Mr. A. B. Williams as the editor of their paper, and in doing so have assured their patrons of a live and progressive newspaper. Mr. Williams has for several years been one of the most successful and interesting correspondents of the Charleston News and Courier, in which capacity he has earned a high reputation as a journalist. We are glad to welcome him to the city, and have no doubt the News under his management will exert an extensive influence, and in every way prove a successful daily journal.

Mr. Frida, the Census Supervisor for this District, has sent notice of acceptance to the following persons as enumerators for the various townships of this County: Anderson, O. H., C. A. Reed; Varennes, Joseph Martin; Broadway, D. N. Major; Hall, Wm. M. Archer; Dark Corner, Joseph B. McGehee; Savannah, Itham H. Harrison; Fox, P. A. Daniels; Brushy Creek, G. W. Hammond; Rock Mills, Geo. W. Miller; Gaylin, G. E. Brown; Williamston, R. L. Williams; Pendleton, A. O. McGehee; Martin, O. O. Reed; Pendleton, S. M. Eggs; Koppell, D. H. Webb; Centerville, E. M. Taylor. The appointments are all very good ones, and will probably give general satisfaction.

The Clubs as far as heard from up to this time in Anderson County are very closely divided upon the question of nominating candidates for County offices by a plurality or a majority vote in the primary elections. The Clubs heard from so far are as follows: For the plurality plan—Honea Path 8, Bolton 5, Hunter's Spring 3, Slabtown 6, Neal's Creek 2, Fox, Brushy Creek 4—total, 40. For the majority plan—Hall 6, Anderson 11, Piercestown 3, Broadway 5, Centerville 4, Flat Rock 3, Sandy Springs 4—total, 38—giving the plurality plan a majority of eight votes in the clubs heard from. The Bishop's Branch club did not act upon the question, but we think the four delegates from this club favor the majority plan. There are eight other clubs, with about forty delegates, yet to be counted. From this it will be seen that the question is likely to be very closely contested.

Sunday School Union. The Sunday School Union, District No. 2, of Saluda Association, will meet in connection with the Union Meeting, with Bolton Baptist Church, the first Sunday morning in this month, at 9 o'clock a. m. The order of exercises will be as follows: Organization of the Union and remarks by the Superintendent, Rev. J. W. Tribble. Reports from all the Sunday Schools, to be given in speeches of five minutes each by the Superintendents or delegates. The Union will then be addressed by Vice-Superintendents Thomas Crymes and M. B. Gaines. Also by Maj. E. B. Murray, of Anderson, and others.

It is the request of the officers of the Union that all Sunday Schools send in full and complete reports of the Schools. It is important that every Sunday School in the Union should be represented.
