WE SELL IT FOR LESS

B. O. EVANS & CO.,
THE SPOT CASH CLOTHIERS
ANDERSON, S. C., June 7, 1899.

DEAR SIR:

If you have traded with us you know our way of doing business; if not, this letter will tell you something about us.

Our idea in business is to have each individual who makes a purchase of us be satisfied. We satisfy you by selling good, honest CLOTHING AT LOWER PRICES. It is our practice to give you the very best quality of goods at the fairest prices, and that's good enough for us.

Satin CLINICSCALES value best, and we think you can't do better for your money. You will find a list of goods on which we carry a large selection of good quality, and where you will be able to find what you need.

We do a STRICTLY SPOT CASH BUSINESS; we keep no book, we have no need to. We give you more value for the cash than our competition would for $1.00 on credit. If we can't save you money we don't want your trade.

If you will come into our store we can show you exactly why we are able to save you money. We ask you to take with our word the above only to the extent of coming to us. You will find it not a mere catch phrase to get your business, but a true statement of facts, that—

WE SELL IT FOR LESS.

Yours truly,

B. O. EVANS & CO.
