The City Schools

Prof. Thos. C. Walton, Superintendent of the City Graded Schools, has kindly furnished us with the following statement of the enrollment in the city schools at the end of the first month of this scholastic year:

High School.—This year 161, last year 142; increase 19.

Grammar School No. 1.—This year 410; last year 326; increase 84.

Grammar School No. 2.—This year 296; last year 294; increase 2.

Grammar School No. 3.—This year 107; last year 101; increase 6.

Grammar School No. 4.—This year 295; last year 281; increase 14.

The total enrollment for 1904 is 1760. For this year it will reach 1900, for the reason that Grammar Schools Nos. 2 and 4 do not get their full enrollment for several months.

This is a fine showing, and Anderson has just cause to be proud of her excellent schools.

Looking For Homes.

The Anderson Chamber of Commerce has received the following letter from Immigration Commissioner Watson:

"Columbia, Oct. 8.—We have a number of men coming over from Scotland who will arrive probably about the 12th or 15th, whose ages range from 22 to 32, and whose occupation include a salesman, a grocer, a mechanic, miners, plumbers, engineers, a crane driver, farm hands and laborers. Can you aid us in securing positions for these men in and around Anderson, and if so for what ones and at what wages? Your attention will be appreciated."

These immigrants are a fine class of people, and if any of our citizens desire them they should make it known at once to Secretary Carpenter, of the Chamber of Commerce or Commissioner Watson.

Chattanooga, Tenn., Oct. 6.—A special to the News from Dalton, Ga., tells of a scheme which will mean a great deal for this section of the South. Application has been made in the courts of Whitfield, Ga., for the incorporation of the Tennessee, Georgia and South Carolina railway, with a capitalization of \$3,000,000. The following are the incorporators: W. B. Frink, J. D. Cameron, E. N. Frink and J. A. Haynes, of New York City; J. A. Jones, G. W. McAfee, E. N. Butt, Wm. M. Wilson, J. B. McKinney and Morrell Skinner, of Blue Ridge, Ga. The purpose of the company is to build a railroad from a point in Rabun county, Georgia, passing through Towns, Union and Fannin counties to Ducktown, in Tennessee; thence via Yarbrough's station, in Whitfield county, Georgia; Ringgold, in Catoosa county, Georgia, and through Walker county, Georgia, to Chattanooga.

This road will extend across the northern portion of the State of Georgia a distance of more than a hundred miles. It is understood that the road will also be extended into the State of South Carolina, and probably to the sea. The road will be the means of developing a section where there are few roads, including the Ducktown district, which is rich in copper and iron ores. The principal office of the company will be in Blue Ridge, Ga.—Special to the Augusta Chronicle.

Letter to L. G. Holleman. Anderson, S. C.

Dear Sir: Your business is, when a house burns down, to give the owner some money to build a new one. It is a good business. Quicker than the world got on so long without it.

We paint the one that burnt down and the new one too. What is better, we paint the houses that don't burn down. You insure the houses that burn; we insure the houses that don't burn. You have the ashes and smoke; all the houses are ours.

We paint lead and zinc; Devco. We sell the paint to painters; we don't paint. Lead-and-oil is the old fashion paint. Devco is zinc ground in with lead and linseed oil; the best paint in the world; and the cheapest, because it takes fewer gallons than any other paint and it wears twice as long as lead-and-oil. Nobody wears poor paint; there's lots of it, though, in the world.

A. M. Griffin, Plainfield, N. J. writes: "Mr. Aaron Higgins, of Plainfield, always used 15 gallons of mixed paint for his house. Last Spring he bought 15 gallons of Devco and had 4 gallons left."

You're truly, F. W. Devco & Co. P. S.—W. L. Briseay sells our paint.

In Memoriam. Mrs. Ada Pruitt Carter, daughter of Mr. E. C. Pruitt, died at the home of her father in McRae, Ga., Sept. 22, 1904, aged 23 years.

She was married to Mr. Carter a few months ago and they were preparing to go to Florida to live when she was taken sick and lived only two days. Her many friends in this county, where she spent her childhood, will regret to hear of her death and will sympathize with her family in their bereavement. She has entered into rest. A. E. E.
