SPECIAL NOTICE.—"GREAT KNOTS FROM little acorns grow." The worst diseases known to the human race spring from causes so small as to almost defy detection. The volumes of scientific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

Then guard yourselves while you may. The smallest pimple on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result and final close. MAGGIE'S BILIOUS, DYSPEPTIC, and DIARRHEA PILLS cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, MAGGIE'S Salve is infallible. Sold by J. MAGGIE, No. 43 Fulton-street, New York, and all Druggists, at 25 cents per box. September 25 17
