

LOCAL MATTERS.

The Weekly Record.—A new paper of this title, an immediate neighbor of the Daily News, makes its appearance this morning, and we wish it all the success that publications devoted to religion and morality can command, and the good fortune to its proprietors that excellent and energetic management will ensure.

A PLEASANT RETURN.—The members of the 37th Fire Engine Company appeared on parade on Thursday last, their anniversary, for the first time since 1860, and after marching through the principal streets, returned to the German Engine House, which had been kindly tendered them, and elected their officers for the ensuing year, as was published in our paper of yesterday.

The congregation of the Citadel Square Baptist Church, in this city, have been fortunate enough to secure as their pastor the services of the Rev. Lucius CURRIER, a native of the State, and a graduate of her famed college. His characteristics and education make him peculiarly suited to fill the pulpit to the satisfaction of his congregation.

At the Anniversary Commemoration of Washington Lodge, No. 5, A. F. M., held in Masonic Hall, on Thursday evening, the 14th inst., the following officers were elected for the ensuing Masonic year:

- Bro. W. S. BOWMAN, W. M.
Bro. A. LINDELL, O. M. S. W.
Bro. H. CLARKE, J. W.
Bro. B. BROS, Treasurer.
Bro. S. WEBB, Secretary.
Bro. B. PATTON, S. P.
Bro. J. D. PIERSON, J. D.
Bro. T. ALLISON, Tyler.

CO-PARTNERSHIP.—Our readers will observe in the issue of to-day, that Mr. A. J. BURKE and Mr. T. C. JOWITT have entered into a copartnership for the purpose of carrying on the Printing, Stationery and Book Binding business in all its different branches. They have established themselves in Meeting-street, in that fine building immediately next south of the Mills House, where they will be happy to receive orders for any work in their line, and which, we can assure, will be done elegantly, promptly and punctually.

ADAMS' SOUTHERN EXPRESS COMPANY.—An advertisement of this Company, in our columns to-day, shows that it is in full blast, and as ready as ever to accommodate the public in the transportation of any part of the country of all kinds of freight or valuables. The reputation of this company is world-wide, and its immense business has been conducted for a series of years with a straightforwardness not to be excelled, with an industry unsurpassed, and with an honesty that never suffered for a moment to shrink from pecuniary responsibility.

GAS BURNERS.—Our readers will observe the advertisement of "Dr. GARLAND'S Improved Check Gas Burner," as published in our paper to-day, and as in these times a saving of 25 to 30 per cent. is a consideration, will pay some attention to it. We of the Daily News have given this improved Burner a fair test, having had it attached to about thirty jets in our establishment, and are perfectly satisfied that the saving amounts to the per cent. claimed, with a clearer and better light, and mention the fact for the benefit of all who use gas, that they may adopt the improvement.

CHEAP FAMILY GROCERIES.—One of the great blessings of living in a city where competition in trade exists, is that you can purchase where you please, and that a dealer can always insure custom by selling good articles at a small profit. For instance, Messrs. G. W. STRAUSS & Co. have at their establishment, at the corner of George and King streets, one of the finest varieties and assortments of groceries that we can meet with in a day's walk, and an extensive patronage derived from the fact that they are satisfied with a small advance. They have just received a large quantity of goods, which they have in store, and which they exhibit in our advertising columns to-day, for the benefit of their fellow citizens, whom they would be glad to receive a visit from at any time.

CHARLESTON SAVINGS INSTITUTION.—We are gratified to hear that this beneficial institution will again be soon in operation in our city, and that that fine building in Church, between Chalmers and Broad streets, formerly the residence of Mr. JOHN KINGS, has been engaged by the President and Directors as a banking house and business place for this excellent association.

L. CHAPIN & Co.—Wholesaler of every description and quality, from the insignificant coach to the plain wheelbarrow, can be obtained at this establishment, as can children's chairs, carriages, &c. Those who may be in want of agricultural implements, can also be supplied with every kind by calling at No. 29 Hayne-street, or No. 33 Pinckney-street.

LA CHOCOLLE.—Just JANA has just received, at No. 312 King-street, 23,000 Havana cigars, of the most celebrated brands, and also has on hand pipes, chewing tobacco, walking canes, caps, &c., which he wishes the public to call and examine. See his advertisement.

A TAILOR is seldom found who can please everybody. But we are assured that Y. YGLESIAS, Merchant Tailor, No. 32 Broad-street, can satisfy every one on that point, and will guarantee a fit, made of the best material, with moderate charges.

BACON AND LIQUORS.—Several large loads of prime hams, shoulders and sides, as also cases of brandies, wines, gins, whiskeys and other liquors, have been received by GIBBEN & ALMAN, No. 18 Market-street, and are for sale by them.

ASTHMA, which is so distressing at this season, can be relieved and cured by using MARSH'S PECTORAL BALM. Physicians recommend it as a reliable, safe and prompt remedy. For sale by all Druggists.

A GRAND CONCERT OF INSTRUMENTAL AND VOCAL MUSIC, WILL BE GIVEN AT ZION CHURCH, ON Monday Evening, Dec. 18, at 7 1-2 o'clock FOR THE BENEFIT OF THE MISSION PRESBYTERIAN CHURCH. E. J. ADAMS, Pastor. December 16

SAVE YOUR GAS! Dr. GARLAND'S IMPROVED CHECK GAS BURNER

WILL SAVE FROM TWENTY TO THIRTY PER CENT. over any hollow burner now in use, giving equally as good if not a better light. It completely checks the force, prevents blowing or wasting in any pressure, and, by fully expanding the gas, causes a much more even combustion.
