REAL ESTATE SALES.—Messrs. Leitch & Bruns sold at auction yesterday, at the expense and risk of the former purchaser, the lot of land No. 186 Meeting-street, with buildings thereon, fifty feet front and one hundred and seventy-seven deep, for \$4460; one-third cash, balance in three equal annual instalments.

JAEGER, Esq.—This gentleman, who has been recently appointed Registrar in Bankruptcy for the Third Congressional District, in place of Henry Sumner, deceased, was recommended for the position, with great unanimity, by the members of the Bar of Anderson, Abbeville, Laurens, Newberry and Lexington.

INFANT DESERTED.—A few days ago, very early in the morning, a white woman called at the house of Mattie Martin, colored, in King-street, near Calhoun, and hastily left an infant a few minutes old. The case has been brought to the attention of the proper authorities, and the child will probably be sent to the Orphan House.

THE "HOT SUPPER" AT HIBERNIAN HALL.—By the special request of several friends of Bishop Percho the "Hot supper" for the benefit of the chapel at which will be opened on Monday evening next, a day sooner than had been anticipated, and continue on Tuesday and Wednesday evenings. This entertainment promises to be an exceedingly pleasant and enjoyable affair.

CONFERENCE OF THE AFRICAN METHODIST EPISCOPAL CHURCH.—Yesterday the Rev. A. T. Carr, of Georgetown, was in the chair, Bishop Brown being sick. Service by Rev. S. Green. After the call for the number of churches in the different missions, remarks were made by Rev. Dr. Webster and Mr. Fox, of the Republican. The Rev. Joshua Woodlin, of the New York Conference, read his report of the Book Concern, accompanying it with brief and appropriate remarks. Major Delany, after being introduced, made an able address to the ministers.

NARROW ESCAPE FROM DROWNING.—Yesterday a couple of sailors, while walking on a plank suspended over the side of a ship at Adger's wharf, fell in the dock. One could swim, and he bore the other up until a rope was thrown to him, which he tied round him, and then with the assistance of persons on the wharf they were both easily landed. It was some time, however, before the sailor who was bound with the rope could get over the effects of such tight lacing. The accident caused considerable excitement, and collected a large crowd on the wharf.

TO DESTROY THE COTTON CATERPILLAR.—Gould's Alkaline Phosphate has been used within the last two years in the North with great success in killing the worms that attack and destroy peaches, apples and other fruits, as well as those that attack the leaves, besides the fact, it is highly recommended as a fertilizer, as any now offered in the market, has mainly endeavored to put that in it which will kill the worm or insect. He believes it will effectually destroy the cotton caterpillar, and, in order to induce a trial of its virtues by the cotton planters and fruit and vegetable farmers of South Carolina, he offers a limited amount in order to test it thoroughly, at the lowest price of any fertilizer now in the market.

MEMORIAL MONUMENTS.—In the marble yard of Mr. W. T. White, Meeting-street, near the new house, can be seen a couple of exceedingly neat and tastefully wrought monuments of pure Italian marble. In both instances the designs are beautiful, requiring very skillful handling of the chisel.

ONE is for the grave of Lieutenant-Colonel Benjamin Johnson, of Beaufort, S. C., who was slain in command of the Hampton Legion at the battle of Manassas, where he was killed July 21, 1861. It is a broken column crowned with a wreath, a sword dependent therefrom cut in relief on one side. It is to be put up in Magnolia.

THE other is for the grave of Major F. Gendron Palmer, of St. John's Berkeley, S. C., an officer of the Holcombe Legion. He was wounded at the second battle of Manassas, and died from the effects, August 30, 1862, at Warrenton, Va., where this monument will be put up. It is a broken column, with a palmetto tree in relief.
