ELECTION ANNOUNCEMENTS Intended for publication in THE NEWS, must, in all cases, be paid for in advance.

LEFT ON THE STREET CARS.—A basket of tomatoes and a bag of Irish potatoes, which were left on a street car by some person on Tuesday, have been lodged at the Guardhouse, and will be delivered to the owner on application this morning.

EXECUTIVE APPOINTMENTS.—The following appointments have been announced at the Executive Department: George Coffey, of Spartanburg, and John Gulon, of Richland, to be notaries public. John J. Hemphill, of Chester, clerk of J. B. Noyes, commissioner of deeds, resident at New York. John Lenton Steiling, L. L. D., commissioner of deeds, residing at the City of London, England. Jesse C. Smith, trial justice, of Newberry, vice M. S. Long, removed.

PROMOTED.—Mr. L. S. Ford, the cashier of the Southern Express Company at the Charleston office, has been promoted to the agency of the company at Columbia, S. C. Mr. Ford has been in the service of the company for over six years, and his promotion is but the well-merited reward of his faithful and efficient performance of his duties. He leaves for Columbia this evening, and will take charge of his new office in that city on the 1st day of July. We wish him success in his new sphere.

CRUMBS.—Captain R. H. Harney has resigned the command of the Weehawken Lightship in consequence of ill-health. His resignation has been accepted.

A colored woman has taken to the pulpit in Aiken.

A fishing party went down to the Housatonic in the yacht "Erie," on Tuesday, and caught over four hundred fish, including a shark.

A letter directed to Henry C. Levy, of Columbia, S. C., is held for postage in Savannah.

GARDENING.—Some of us are perhaps not sufficiently appreciative of the value of large lots such as many of our residences possess, the richness of which when properly nurtured and cultivated is surprising. We have lately seen superior specimens of some of our most choice vegetables grown in the garden of our fellow-citizen C. W. Henry, Esq., in King street near South Bay, the quality of which would do credit to our most experienced farmers.

BATHING PARTY INTERRUPTED.—About 12 o'clock on Tuesday morning, under the heat of a blazing sun, and with the thermometer at 84, Robert Jenkins, Peter Jones, Wm. Small and John Small, four colored boys, thought they would try "nature unadorned," and pulled off the little clothing with which they were encumbered, and were soon tumbling about in the muddy water in South Atlantic dock. A complaint having been made of this every-day proceeding, the policeman was on the watch, and soon appeared on the wharf, ordering the duskyurchin ashore. There was no running. The enemy was master of the position, and held the clothes, so the four quietly surrendered, invested themselves in their garments, and were duly taken to the Guardhouse. They were brought before the Mayor yesterday morning, and sent to the House of Correction for five days.

CLUBS AND STARS.—Flora Smith was fined one dollar for keeping hogs on her premises in Albany street, near Norman, and ordered to remove the animals at once.

M. Ladsen, lodged for beating his better half in Broad street, was referred to a trial justice.

Moses Howard, who owns a dog, and allowed it to run at large and bite Adolphus Bung, was reported for the same, but the prosecutor failing to appear, the dog and his master was set free.

Milo Smith and James Grant, two colored draymen, reported for driving their loaded cars through King street, and refusing to turn out when ordered to do so, were each fined \$2.

A snoring inebriate, picked up at the corner of East Bay and Queen streets, told the Mayor he had had a snore and was discharged.

Solpio Grant and Fred Nathan, lodged for robbing the store of the shopkeeper Elvira, and Solpio Nathan, for stealing groceries from a store at the corner of Cannon and Rutledge streets, are held for examination.

BIOPROPS.—The children of the First Baptist Church Sunday School assembled, at Holme's Lyceum early last evening, and the lantern under the manipulations of the courteous professor performed wonders for the entertainment of the juvenile audience. The scenes were admirably selected, and each change was received with earnest expressions of wonder and pleasure. During the entertainment a crowd had begun to assemble outside in Wentworth street, and at its conclusion, a regular mass meeting was being held. The cause was stretched on the side of the building on the opposite side of Wentworth street held forth a promise which was duly fulfilled, and soon the immense crowd were testifying their delight at the strange scenes depicted thereon. Familiar incidents of the war, the battle of Fort Sumter, the monitor fight, and lastly, ludicrous figures, were all shadowed forth with a startling distinctness, and until the show was over the crowd never grew less. At last the window was closed, and as the crowd dispersed, a general expression of thanks was voted to the kind-hearted professor.

UNITED STATES COURT.—The District Court was opened at 10 o'clock yesterday morning, Hon. George S. Bryan, presiding.

In the matter of the Laurens Railroad Company, C. J. Jaeger, registrar, was ordered to file with the clerk of the court, before the 10th day of July, a full report of the creditors' claims, and against the bankrupt railroad, their nature and extent, their priorities and claims, and the untimely portions of each claim. It was further ordered that the creditors should be paid, no further orders should be made in the case unless all of the attorneys should have due notice of the time and place of the motion and the nature of the order.

Max Scott, of Prussia, having complied with all the requisites of the law, was duly made a citizen of the United States.

In re Henry H. Kline, bankrupt. The report of the registrar was ordered to be filed for the benefit of all concerned. The United States marshal and Simon Fair, referee, were ordered to report the net amounts realized by them on the sale of the bankrupt's property, after deducting their costs and expenses, and the latter a fee for services. Registrar Jaeger was also ordered to report at once the amount of costs now due in the case, and the sum that the future costs would probably amount to.

The court then adjourned until to-day.

THE MUNICIPAL ELECTION.

Ward 3.

The voters of this ward met in the lower room of Hibernian Hall last night, and after a registration had been made, they proceeded to an election for delegates to attend the convention, with the following result: Walter Webb, Sr., Louis Habicht, Henry Hall, George Logerman, John C. Minott and Henry Lawrence.

The following resolution was adopted: Resolved, That no member of the delegates from this ward to the nominating convention be eligible to office.

Ward 3.

The attendance at the meeting of this ward last night was one of the largest during the present canvass.

At the hour specified for the meeting, which was held in the upper room at Hibernian Hall, President G. L. Buis, called the meeting to order, and the usual routine business was transacted.

On motion, it was unanimously Resolved, That no citizen of this ward be placed in nomination for delegate to the Nominating Convention who may desire to become a candidate for nomination for public office by the convention.

On motion, after remarks from several speakers, the meeting proceeded to an election for delegates to the July Nominating Convention, and the following gentlemen were chosen to represent the ward at said convention: Messrs. H. Ferguson, Wm. Cordes, James Armstrong, Jr., J. G. H. Classen, A. O. Stone, and John F. Britton.

On motion, the meeting adjourned subject to the call of the President.

Ward 4.

A meeting of this Ward was held last evening at the Masonic Hall, the president, B. Lucas, in the chair.

It was resolved that no delegate to the nominating convention from this Ward should be eligible to the office of Mayor or Alderman.

The following were then elected delegates to the nominating convention: C. H. Bergmar, J. Kerrison, Jr., Theo. Mitchell, P. von Santen, Z. R. White, J. Chaplin.

On motion, the president was authorized to appoint, at his leisure, five delegates to the city central committee. The meeting then adjourned, subject to the call of the president.

MOONLIGHT ON THE SEA.—By reference to our advertising columns it will be seen that the Freundschafsbund have arranged a moonlight excursion for this evening. The steamer St. Helena, which has been engaged for the occasion, will leave Market street wharf at 8 o'clock. Members only are admitted. This will be a rehearsal affair, and as the society is large, the boat no doubt will be well filled.

THE CAROLINA LIGHT INFANTRY.—This fine colored company celebrated its first anniversary yesterday by a picnic and target practice at Mount Pleasant. The men had assembled in Broad street yesterday morning, and proceeded by a fine band of music, marched to the wharf at the foot of Market street. The parade was not a large one, but the handsome uniform and soldierly deportment of the men attracted general attention. At Mount Pleasant the day was spent in shooting at the target and other amusements, and the company returned to the city by the 7 o'clock boat. A handsome supper at Mr. Clark's residence, in Calhoun street, formed an agreeable finale of the festivities of the day. Fordham's band played the evening air of "Dixie" as the company passed down East Bay in the morning, and "The Bonnie Blue Flag" as they came back in the afternoon.

THE 28th OF JUNE.—This anniversary was celebrated yesterday in a manner that recalled the ante-bellum past most forcibly. Two of the rifle clubs of the city celebrated the day and improved the occasion by target exercises. The Palmetto Guard Rifle Club, one of the participants, presented a charming appearance on the streets yesterday. The Summer Rifle Club, a new organization, although bearing an historic name, stand simply on their own merits, and their appearance in the parade yesterday was a pleasing satisfaction to both the originators and members of the corps. Each club paraded nearly sixty men, and the tawny uniforms, fine music, and general good reputation of the clubs, induced a full attendance on the sidewalks and a miscellaneous escort to the boat. The line of march was through the principal streets, and attracted considerable attention. Muller's band made marching over the cobblestones easy by playing old and familiar tunes that warmed the heart and stirred the soul to martial ardor. The parade was highly creditable, and the picnic and target practice at Mount Pleasant was in keeping with the pleasures of the day.

The prizes won by the Palmetto Guard Rifle Club were: First, the ordinary prize, a gold medal, presented by the ladies of Charleston to the club; second, a cup presented by the Summers, and won by G. W. Verone. Two sets of silver table service, were won respectively by Mr. H. O. Pinckney and Vice-president C. Kerrison, Jr. A pleasant episode was the interchange of compliments and the presentation of a prize by the one club to the other. After the shooting, the clubs were marched from the boat to Archer's Hall, and there disbanded.

The Summer Rifle Club at the contest stood as follows: First prize—silver goblet, H. R. Simons. Second prize—silver table service, C. P. Sanders. Cup—presented by the Palmetto Guard, C. P. Hard. The worst shot in the Summers, the award being a huge pair of goggles, was won by Mr. S. J. DeCaradee. That in the Palmetto Guard, the contest was held at least a half past six. The entire cordials between the two clubs, Palmetto and Summers, will, we trust, be as enduring as the honored names they bear.

THE UNIVERSAL SAFEGUARD.—It is useless for State Legislatures to pass laws for the preservation of the public health, if the laws are not enforced. This depends for its enforcement upon the will of the individual, is suffered to remain a dead letter.

There is scarcely an adult member of the community, of either sex, in the country, who has not seen the testimony in favor of HOSSETTER'S STOMACH BITTERS, furnished over their own signatures by persons of acknowledged eminence in science, literature, art, commerce, and every department of business and professional life. These witnesses have declared in the most explicit terms that the preparation is a safeguard against epidemics, a sovereign remedy for dyspepsia, a valuable anti-bilious medicine, a promoter of appetite, a genial and harmless stimulant, a good, soothing medicine, a strengthener of the nerves, a general invigorant, a protection against the deleterious effects of malaria and impure water, and that it imparts a degree of vigor and activity to the vital forces which is not communicated by any other of the tonics and stomachics in use. Under these circumstances, the self-preservative law of nature should teach every rational person who, either by reason of inherent debility, or in consequence of exposure to unwholesome influences, is in peril of losing the greatest of all temporal blessings, health, the importance of using the Bitters as a defensive medicine. Dyspepsics who neglect to give it a trial are simply their own enemies. It is guaranteed to cure indigestion in all its forms, and the bilious and nervous will find nothing in the whole range of official and proprietary medicines which will afford them the same relief. jan24-3mthsac
