THE RURAL CAROLINIAN for January is an exceedingly attractive and instructive number. The leading article on "The Agricultural Advantages of South Carolina and its Inducements to Immigration," is alone worth the price.

FINED FOR BAD DRIVING.—The collision which occurred on the preceding afternoon, on King street, was investigated yesterday morning before the Mayor. The evidence showed the fault to be that of T. Burman, the driver of the damaging wagon, and he was fined two dollars.

PETTY LARCENY.—One of the institutions known as chimney sweeps was discovered last evening under a fruit stall in the market with a head of cabbage, which he had furtively appropriated from the stock for sale. He was turned over to the police, and will explain his operation before the Mayor this morning.

AN OLD OFFENDER.—A colored man named McKell was reported yesterday for carelessly driving his dray against the fence of Mr. Kenry, in Smith street, and breaking down the same, on the 20th day of December, 1871. The case will be brought before the Mayor this morning, but the defendant threatens to plead the statute of limitations.

WATCH RECOVERED.—Wm. Pringle, a diminutive colored boy, was arrested yesterday afternoon in a store up King street, where he was offering a part of a fine gold watch for sale. The rest of the watch was matched at the Detective office, and proved to be the one recently lost from the residence of Dr. Bachman, in Rutledge avenue. The boy is held for examination.

SENTENCED TO DEATH.—At the close of the sessions term of court in Sumter, on Saturday last, Judge Green passed sentence of death on Taylor Wilson, a colored man, convicted of the murder of Thomas Keith, also a colored man, near Stateburg, in November last. The execution of the sentence was fixed by the judge for the second Friday of March next.

OUR PRICES CURRENT.—We especially invite the attention of our merchants to THE NEWS Prices current, issued this morning. Made up with the utmost care, and handsomely printed with entirely new type, it forms, with the business card of the house forwarding it, the most attractive and welcome weekly commercial circular that can be used. Price, for ten copies or more, with business cards, two and a half cents per copy; single copies five cents.

WEEK OF PRAYER.—The themes of these united supplications, from day to day, are substantially the same throughout the world, having been agreed upon by the various branches of the Evangelical Alliance in every quarter of the globe. To-day, at Trinity Church, Hazel street, at nine o'clock, P. M., prayer will be offered for the Christian church and ministry, for religious agencies and ecclesiasties. Rev. E. T. Winkler, D. D., and Rev. Thomas Smythe, D. D., will preside.

I. O. O. F.—At a regular meeting of Marion Lodge, No. 2, held on Friday evening, January 5, the following officers were installed for the ensuing year: John J. Rose, P. M.; A. N. Bellinger, M. D. N. G.; B. A. Muckenfus, V. G.; Robert C. Starr, R. S.; Joseph G. Martin, P. S., and J. A. G. McGrath, Jr., C. A. P. Caldwell, W. A. N. G.; W. H. Farrant, M. D.; H. Eason, L. S. N. G.; Robert S. Pringle, L. S. V. G.; H. Harms, O. G.; George M. Francis, I. G. T. W. Howell, organist.

ELECTION.—At the seventeenth anniversary meeting of the Humane and Friendly Society, held on the 1st instant, the following officers were elected to serve for the ensuing year: F. C. Desverney, president; R. L. Sutton, vice-president; P. M. Wilkinson, secretary; W. T. Oliver, treasurer. Standing committee—J. R. Edwards, W. B. Chase, L. F. Wall, B. Houston, P. S. Wilkinson. Committee on charity—A. E. Deree, T. M. Holmes, W. R. Osborn. Stewards—R. Howard, Jr., J. H. Roberson. Clerk burial ground—J. R. Edwards.

THE DRAMA.—The Watkins troupe opened last evening at the Hibernian Hall with their full company in the romantic drama, "Norah O'Neill." The play has been here before, but the varied and expressive acting of Mrs. Watkins as Norah added new interest to the performance, and drew a fair house. As Tony Burke, Harry Watkins was in his element, and his ludicrous portrayal of the Irish servant frequently brought down the house. The rest of the company were well up to the mark, and the entertainment passed off in a style which promises a full house to-night, when will be played "Cleopatra," and the amusing farce, "Who Won It?"

CARPET KNIGHTS.—Monday night a party of thieves entered the auction store of Mr. McKay, on Meeting street, and carried off a roll of carpeting containing ninety-six yards. Toby Brown and Alfred Harrison, two colored youths, were arrested by the detectives, and soon after Toby confessed that the pair of them had stolen the carpet and taken it to McKenna's house in Elizabeth street, one door from John. The carpet could not be found, but the two culprits were brought before a trial justice, and committed for trial, on the charge of grand larceny, at the next term of the Court of General Sessions.

CLUBS AND STARS.—John Green, for raising a disturbance at Bethel Church chism, and refusing to leave when ordered, was fined one dollar.

John Brannon, for sleeping on the sidewalk in America street, was visited with a similar sentence. O. Meyer, reported for abusing the contractor in St. Philip street while in the discharge of his duty, had his case postponed until this morning. A young man of bacchanalian proclivities lost his presence of mind in the yard of the Artesian well, and had to pay fine of one dollar next morning for the assistance rendered him by a sympathetic policeman.

THE ACADEMY OF MUSIC DRAWING.—The preparation of the impatiently-looked-for official list of the winning numbers in the recent Academy drawing is necessarily a tedious task; but it is hoped that it will be completed in time to be given to the public in THE NEWS of to-morrow.

JOURNEMEN MECHANICS' UNION.—At a regular meeting of this union, held on Tuesday evening, the 9th instant, at Market Hall, the following officers were elected to serve for the ensuing year: John Burns, president; J. W. Miller and William H. Birnie, vice-presidents; G. M. Magrath, recording secretary; Andrew Duffie, corresponding secretary; Joseph P. Howard, treasurer. Executive Committee—Andrew Duffie, Edward Mathews, A. Foster Hanna, Isaac Reid, E. P. Jefferson, Stephen Welch, H. B. Nolsette, Andrew Dorran. Committee on Letters—Thomas Parker, William Flynn, James Baxter, Sergeants-at-Arms—James W. Patterson, Thomas Howie, Robert L. Sutton, Paul Miller, Abram Jones. Honorary Members—C. Voigt, W. H. Kirkwood, J. H. Albers.

ROBING A STORE.—About four o'clock yesterday morning, Mr. Helms, the proprietor of a store at the corner of Line and King streets, while attending to some night business about his premises, heard some suspicious noises in his store, the door of which he had left open on going into the yard. Coming back at once to investigate the cause he stumbled against some one in the dark and immediately laid a hold of him. The impediment proved to be a colored youth named John Doyle, who was coming out loaded with two hams, some pepper, packages of flour, a bottle of whiskey, and the whole money drawer. The articles were speedily restored to their proper place and the thief was placed in charge of a policeman. He was brought before the Mayor the same morning and turned over to a trial justice for prosecution.

THE ANNUAL FAIR OF THE NIAGARA FIRE ENGINE COMPANY was opened on Monday night at the Military Hall with a success most gratifying to the committee of pains-taking managers. The spacious hall is handsomely decorated with evergreens and flowers, and the attractive tables which extends along the sides of the room are supplied with an array of articles most pleasing to the eye and to the taste. A fine band of music is always in attendance. The committee have spared no trouble in making the fair most agreeable to visitors, and respectfully solicit the patronage of the public. The fair will continue open during the whole of the present week. The following prizes have been won: A blue toilet set, won by Miss H. Wilkerson; fine china cup and saucer, by D. H. First; glass of jelly, by Captain H. C. Minott; bunch of bananas, won by Colonel W. N. Tall; Bohemian toilet set, by Miss M. L. Wilkerson.

KNIGHTS OF THE HEAD.—Between seven and eight o'clock on Wednesday evening an old colored man named Francis Izard went down to the steamer Pilot Boy, lying at accommodation wharf, for the purpose of sending a package to his family in Beaufort. As he stepped upon the gangway plank to get on board of the steamer he was struck on the back of the head with a blunt instrument, his assailant exclaiming, "Damn you, I took you for the mate." He fell senseless, and lay for some time bleeding, with a fearful gash in his scalp. Yesterday morning he took out a warrant against a watchman on the wharf named Slattery, and the case was investigated by Trial Justice McGrath. Slattery denies the charge, but the wounded man swears that he is the man who struck him. The prisoner was bound over in the sum of five hundred dollars, to answer the charge of assault with a deadly weapon, before the next court of General Sessions.

THE EDISTO SHOOTING AFFAIR.—Sheriff Mackey returned late Wednesday night from Edisto, whether he had gone to investigate the shooting of his deputy, Robert Williams. He found Williams in the hands of a physician, and in a most precarious condition; the ball had entered the right breast and passed through the lungs, lodging somewhere in the body. All efforts to extract it proved futile, and there is now but little hope that the wounded man will recover. Miller, the shooting party, was arrested at church, and claims to have delivered himself up; the shooting being merely accidental. He was approached by an officer, who demanded the pistol be carried; when Miller held out his right hand to which the revolver was attached by a thong and the officer deliberately cut it away, and arrested the bearer. Miller was brought to the city on the steamer, and has been lodged in jail to await the result of Williams' illness.

THE CATHOLIC INSTITUTE.—At the annual meeting of this institute, held last night, the following officers were unanimously elected for the ensuing year: E. F. Sweegan, president; H. Z. Laurey, first vice-president; T. S. O'Brien, second vice-president; A. McLoyle, third vice-president; James B. O'Neill, recording secretary; James Armstrong, Jr., corresponding secretary; F. J. McGarey, treasurer; Thomas Flynn, librarian. Resolutions of thanks to the Hon. M. P. O'Connor for his admirable lecture on the life and character of Bishop England, and to the commandant of the post for the services of the band on the occasion of Mr. O'Connor's lecture, were unanimously adopted. The chair appointed the following standing committee: On Letters—T. A. Beamish, L. Cantwell, John Kenny, John Furlong and L. Soubeyrou. Finance—B. O'Neill, H. F. Baker and A. McLoyle. DEATH OF PETER K. COBURN.—Our community heard yesterday, with deep and general regret, the death of the true man whose name heads this paragraph. He died at his residence in the Town of Summerville, at the ripe age of sixty-one years and four months. Mr. Coburn was a native of this city, where he was reared, and became in early life a carpenter. For the last thirty-five years he has been in the service of the South Carolina Railroad, holding during the greater part of that time the responsible office of superintendent. During the presidency of Mr. H. W. Conner, Mr. Coburn was presented with a handsome silver service as a token of his long and faithful services. He was for a number of years president of the Charleston Fire Engine Company, now Hook and Ladder, No. 2. About twenty-five years ago Mr. Coburn became a member of Washington Lodge, No. 5, A. F. M., and steadily went up through the highest degrees. He soon became master of Washington Lodge, and from year to year was elected chairman of the hall committee. For the past fifteen years he has held the office of grand marshal, and during that period has conducted the installation of each successive grand master. He appeared in public at the laying of the corner-stone of the new Masonic temple, a few weeks since, and all will call to mind his cheery voice, his open countenance, and his well-known features, as he rode around discharging the duties of his office. On Friday last he was in the city and complained of not feeling well. He went home, and after a short illness, expired on Wednesday afternoon in the arms of his devoted friend and brother, the Rev. W. S. Bowman. His remains will be brought to the city this morning on the train from Summerville, and will be met at the South Carolina Railroad Depot, and escorted to the church of the Rev. W. S. Bowman, where the funeral services will be performed. The last request of the deceased was that his honored friend and companion for many years should perform the Masonic rites over his remains at Magnolia.

Mr. Coburn was one of those Masons whom the fraternity regarded with especial love and reverence for the strength, generosity and purity of his character. By the general public he was likewise held in high esteem. Peace to his ashes!

FERTILIZERS. IMPORTANT TO COTTON PLANTERS! THE MARYLAND FERTILIZING AND MANUFACTURING CO. HAVE PREPARED A SPECIAL FERTILIZER ADAPTED TO THE COTTON PLANT, UNDER THE NAME OF COTTON FOOD!

Which they claim to be of the Highest Grade of Fertilizer sold in the South, and guarantee to equal in results Peruvian Guano, pound for pound, and of more permanent benefit to the soil. It increases the crop from 100 to 200 per cent. It resists drought in all cases. The crop is not affected by frost. It matures the crop three to four weeks in advance, thus insuring the crop against early frosts, or in the event of a backward season for planting enables the planter to put in his crop three or four weeks later, even as late as the 1st of June, with a certainty of success. It produces a better quality of Cotton. Looking at the low price of Cotton, the intelligent planter will readily comprehend the necessity of using nothing but the highest grade of Fertilizers, and of strictly avoiding those whose value has been reduced by adulteration or the use of cheap materials under the pretence of meeting the low price of Cotton. If his crop is only doubled by the use of "COTTON FOOD" it will give him from one to two hundred per cent profit on his outlay, with Cotton at 12 1/2 cents per pound, and it will enable him to plant fewer acres, with a corresponding reduction of labor and expense, with better results. \$55 PER TON, IN SACKS, TWELVE TO THE TON.

LAWRENCE SANGSTON, President, No. 58 EXCHANGE PLACE, BALTIMORE. J. R. PRINGLE & SON, Agents, CHARLESTON, S. C. ATLANTIC ACID PHOSPHATE.

Orders filled now will be considered as cash 1st March, 1872, or on time as due 1st November 1872, thereby enabling Planters to haul it at a time when their Wagons and Mules are idle.
