

MISCELLANY

The Indianola (Texas) Times says if some Northern and Western people are surprised to learn that there are instances of as many as 20,000 cattle owned by one man in Texas, they will no doubt be more surprised to hear that such men hardly ever have milk or butter on their tables.

Gen. Dudley, now in command at Vicksburg, Miss., attended a dinner recently, given by the merchants of that city, and gave as a sentiment: "The conservative element of the country—the fighting men of both armies."

The Lamp of Life and Way to Health PURIFY THE BLOOD. USE THE QUEEN'S DELIGHT AND SASSAPARILLA.

For the cure of all those Diseases having their origin in a vitiated condition of the human system, and those arising from any departure from the laws of health, imprudence in living, over-luxury, from too great indulgence of every kind—eating, drinking, working—whereby nature suffers exhaustion.

THIS chemical extract will be found an invaluable restorative cordial for all diseases arising from an impure state of the blood. Cutaneous eruptions, such as Boils, Pimples, Carbuncles, Pustules, Blotches, Roughness of the Skin, Scaly Appearance of the Cuticle, Tetter, Ringworms and Itching Humors of the Skin, this purifier will remove, and impart health and a life-glow to the complexion.

For Erysipelas, Scrofula or King's Evil, Rheumatism, Pains in the Bones, Stiffness in the Joints, Old Ulcers, Want of Blood in the Parts, Syphilitic Sores and Ulcers, and Impaired Constitutions arising from those diseases, and from the too free use of mercury. For General Debility, springing from Dyspepsia or Indigestion, Weakness and Pains in the Stomach, Liver Complaint, or want of action in that organ producing pains in the side or back, affecting the kidneys and bladder.

Females, at the period of change, will find it most restorative to health and strength, from all the weakness and depressions of mind and body which follow at this time of life.

Persons traveling South or living in warm climates, and all unaccustomed, will find the Queen's Delight a great protection from all these diseases which originate in a change of climate, diet and life.

Its properties as a remedy were first introduced to the notice of the profession by Dr. Theos. Young Simons, of South Carolina, as early as 1828, as a valuable alternative remedy in syphilitic affections, and others requiring use of mercury. His Symplicated Pills have been endorsed and extended by Dr. A. Lopez, of Mobile, and Dr. H. R. Frost, of Charleston. From the reports in his favor, there seems no reason to doubt the efficacy of this medicine in Secondary Syphilis, Scrofula, Cutaneous Diseases, Chronic Hepatic Affections and other complaints benefited by alterative medicines. For sale by FISHER & HEINTZEL, June 29 Pharmacists, Columbia, S. C.
