ADVERTISEMENTS. Inserted at 75 cents per square for the first insertion, and 50 cents for each subsequent. Weekly 75 cents each insertion.

Proceedings of City Council. COUNCIL CHAMBER, COLUMBIA, July 2, 1867.

Present: His Honor the Mayor; Aldermen Alexander, Geiger, Hitchcock, McKenzie, Radcliffe, Stork, Walter and Wearn.

The minutes of the last meeting were read and confirmed.

An application from C. Michler, for renewal of bond No. 293, dated April 1, 1854, for \$500—said bond having been lost or mislaid in February, 1865, and the usual three months' notice of application for renewal having been made in the public papers—was received and referred to the Committee of Ways and Means.

Applications for tavern license to retail spirituous liquors were received from the following named persons: S. E. Stratton, D. C. Speck, John McIntosh, C. P. Remsen, Lewis Daniels, C. Hamberg. Referred to the Committee on Licenses.

A petition was received from A. L. Solomon, praying that Council would refund him the amount of his license, paid to January next, from July 1, 1875. On motion, the prayer of the petitioner was granted.

A petition from Policeman G. F. Cooper, praying that Council would remit a fine, or a portion thereof, imposed on him in March last, was referred to the Committee on Guard House and Police.

The following accounts were presented and referred to the Committee on Accounts:

E. & G. D. Hope, for Alms House; Hussung & Motz, for Street and Fire Departments; Lunatic Asylum, for pauper lunatics; John Burdell, for services as chief of police and hire of negroes; Drs. W. L. Templeton and R. R. King, for medical attendance; and J. A. Selby, for publishing General Orders No. 32.

The following communication was received from the Board of Health: To the Hon. Mayor and Aldermen.

GENTLEMEN: The Board of Health respectfully report, that they have examined most of the premises and lots in the city, and find them generally in such a condition as not to require any special report.

When necessary, directions have been given for the removal of nuisances. The board, however, would call the special attention of the Council to the condition of the ravine on Taylor (or Camden) street, near Barnwell street. It is partially filled with trash, weeds and vegetable matter, which seriously obstructs the proper drainage of the street. They would recommend that steps be taken at once to have it cleaned out and put in order. They would also call the attention of Council to the portion of Upper Boundary street between Richardson street and the Fair Grounds, the drain being in very bad order and requiring attention.

The extensive growth of weeds on the vacant lots leads the Board of Health to fear that, when their decomposition begins, caused by the extreme hot weather, they may be the cause of much sickness; and they would suggest that the owners of those lots have them cut down and placed in the streets, for removal by the city carts. In this way, much good may be done at little expense.

The board cannot too earnestly impress on the citizens the necessity, at this season of the year, of keeping their yards and enclosures clean and thoroughly drained. It is much easier to keep the city healthy by a little wise precaution now, than it is to eradicate or get clear of disease, should it once break out. The importance of this matter must be evident to all, and your board will exert themselves to see it acted on; and, in cases that require it, will act to the extent of their powers in having the laws enforced, but trust that all good citizens will act so as not to require

any more than this suggestion to their duties. Respectfully,

JAS. G. GIBBES, C. H. MIOT, J. T. SLOAN.

For the Board of Health. On motion, the report of the Board of Health was adopted, and the Chief of Police instructed to carry out the suggestions and requirements contained in the report.

The City Clerk presented his report for the month of June. Referred.

The Clerk of the Market presented his report for the month of June. Referred.

The Chief of Police presented his report for the month of June. Referred.

The Committee on Accounts submitted a report, recommending that the following accounts be paid: J. C. Dial, against the Water Works, \$525, and Guard House Department, \$16.27; and William Glaze, against the Water Works, \$57.05. Report received and adopted.

The Committee on City Schools presented the following report:

The Committee on City Schools would respectfully report: That they, in company with other members of the City Council, were present at the examination of the City Male School, under the superintendence of Mr. H. Wigg, and would bear testimony as to the efficiency of the same. They would also state that it will be reopened on the 29th instant, when your committee are in hopes that a full attendance of the pupils will be had. Your committee cannot close the report without expressing their great approbation of the proficiency of the scholars, and the well-digested system of school government which prevails, and would urge upon the Council and citizens to give it their earnest support.

All of which is respectfully submitted, W. T. WALTER, JOHN STORK, Committee.

Aldermen Radcliffe and Wearn spoke in high terms of commendation of the examination recently held, and complimented the instructor upon his ability and the success which had crowned his efforts.

The report of the Committee on Schools was received and adopted.

The following report was submitted by the Committee on Fire Department:

Your Committee on Fire Department, to whom was referred the petition of Thomas A. Garner, W. B. Nash and others, praying that they have permission to re-organize the Vigilant Fire Engine Company, and to aid and assist said petitioners in obtaining an engine, building an engine-house, or in any manner supporting them in the prosecution of their laudable designs, respectfully beg leave to report: That having given the petition that careful attention which its importance demands, your committee have come to the conclusion that the permission relating to the organization of the company be granted, whenever said petitioners shall exhibit to the City Clerk a regular roll of membership, (not less than forty men,) signed by the President and attested by the Secretary, setting forth that they have enrolled themselves in good faith to perform the duties of firemen, subject to the rules and regulations now in force, or that may be hereafter enforced, for the regulation of the Fire Department of the city, and that they have an engine and hose sufficient to aid and assist in the suppression of any fire that may occur.

Your committee would further report that the financial condition of the city treasury is such that it precludes any recommendation from your committee for an appropriation for hose or building an engine house at present, however much they appreciate the good intentions of the petitioners. The two fire companies now being able to perform their duties, (and without assistance or aid from your honorable body, but by the efforts of generous friends, both North and South,) must suffice for the present, or until such times as the petitioners or others are sufficiently organized and equipped with necessary apparatus to take their place in the ranks of the Fire Department.

Your committee would recommend the passage of the following resolution:

Resolved, That whenever the above petitioners, or others, shall conform to the express understanding of the report of the committee, they shall be considered organized as a part of the Fire Department, subject to all the rules and regulations of the same. Respectfully submitted,

JOHN MCKENZIE, W. T. WALTER, T. W. RADCLIFFE, Committee.

On motion, the above report and resolution were received and adopted.

Alderman McKenzie offered the following preamble and resolutions, which were unanimously adopted:

Whereas we have seen, with deep emotions of gratitude, the beautiful and costly present brought to this city by the committee representing the New York Volunteer Firemen's Association, and presented by their worthy President, Henry Wilson, Esq., to the Independent Fire Engine Company. Whilst nominally a gift to that company, it is really and truly a valuable present to the city, and one of permanent benefit at any time, but much more so at the present, when the Fire Department are not in possession of 400 feet of hose suitable for the work required; and when it is within the recollection of all that it was a gratuitous offering, springing up in the hearts and effected by the noblest sentiments that can ennoble human nature, we may well say that the hearts of all men are not callous to the wants of their fellow-men. In very many instances, this depravity of our common nature looms uppermost, but not among that noble body of men, the New York Volunteer Firemen's Association; they came to the rescue of their distressed brother firemen in this city with that noble characteristic of charity so eminently the beau ideal of that class of men. No misfortune dismays them, but rather adds impetus to the work in hand. No accident throws them off the track, but renews their efforts in bringing this generous act to a happy termination, in reaching the goal by this determined and persistent effort to relieve their brother firemen of the South. Be it, therefore,

Resolved, That the thanks of the Mayor and Aldermen of the city of Columbia, S. C., are due and are hereby tendered to the New York Volunteer Firemen's Association, for the costly and useful gift made to a part of the Fire Department of this city.

Resolved, That the City Clerk be required to draw up in a suitable manner this vote of thanks, signed by his Honor the Mayor, with the seal of the city attached, and forward them to Henry Wilson, Esq., the President of the Association, in New York.

The following resolution was offered and adopted:

Resolved, That the Committee on Licenses, with his Honor the Mayor, take into consideration the present state of the license law, and report by ordinance or otherwise.

On motion, Council adjourned.

J. S. McMAHON, City Clerk.

THE QUEEN'S DELIGHT, the great American Alterative and Blood Purifier, is the most perfect vegetable compound of alteratives, tonics, diuretics and diaphoretics; making it the most effective invigorating, rejuvenating and blood-cleansing cordial known to the world.

In introducing this new and extraordinary medicine to the public, observation leads us to remark that too little attention is paid to the "life of all flesh," the blood. Many diseases, and, too many complaints, which have their origin in a vitiated state of the blood, are treated only as symptoms and results; whereas, if the remedy had been applied to enrich the blood and render it pure, both cause and effect would have been removed. The Queen's Delight is offered to the afflicted as a sure remedy for those diseases arising from an impure condition of the blood. It has a direct and specific action upon that fluid, and consequently renders the blood pure. It is said, on high authority, that "man no sooner begins to live than he begins to die, and that the characteristics of the living organism are ceaseless change and ceaseless life." It is obvious, therefore, to every reflecting mind, that unless the blood is pure, in supplying the waste tissues with material, it must be the cause of innumerable ills, and constitutional disorders, such as Scrofula, Rheumatism, Hepatic Disorders, Consumption, Inflammations, Fevers, &c. Life and health is only to be maintained by the circulation of pure arterial blood.

We therefore advise every one whose blood is in the least vitiated by indulgence or excess, and whose constitution is impaired by disease and is suffering from Rheumatism, Liver Complaint, Consumption, Scrofula or King's Evil, Carbuncles, Boils, Itching Humors of the Skin, Erysipelas, Skin Diseases, Tetter, Roughness of the Skin, Pimples, Blotches, Pains in the Bones, old Ulcers, Syphilis and Syphilitic Sores, Indigestion, Inflammation of the Bladder and Kidneys, Pains in the Back, General Debility, and for all complaints arising from deficiency and poverty of blood, to use the Queen's Delight.

Females of delicate constitution, suffering from weakness and depression of mind in consequence of those complaints which nature imposes at the period of change, have a pleasant and sure remedy in the Queen's Delight.

Children whose fair and ruddy complexion gave early promise of health and beauty, but too soon become blanched and pale by some hereditary taint of the blood, will have the rich boon restored by using the Queen's Delight.

The unacclimated and persons traveling into warm countries will find the Queen's Delight a great protection from all malarious affections and diseases which originate in a change of climate, diet and life.

The extraordinary and unprecedented cures performed by the Queen's Delight of Compound is attracting the attention of every one, not only at home, but abroad. The merits of this compound are being felt and appreciated everywhere. Hear what they say of it in New York: "It is a remedy of much importance and value, exerting an influence over all the secretions, which is unsurpassed by any other known alterative. It is extensively used in all the various forms of primary and secondary syphilitic affections; also, in scrofulous, hepatic and cutaneous diseases, in which its use is followed by the most successful results."

Its properties as a remedy were first introduced to the notice of the profession by Dr. Thos. Young Simons, of South Carolina, as early as 1828, as a valuable alterative remedy in syphilitic affections, and others requiring use of mercury. Dr. Simons' statements have been endorsed and extended by Dr. A. Lopez, of Mobile, and Dr. H. H. Frost, of Charleston. From the reports in its favor, there seems no reason to doubt the efficacy of this medicine in Secondary Syphilis, Scrofula, Cutaneous Diseases, Chronic Hepatic Affections and other complaints benefited by alterative medicines. For sale wholesale and retail by FISHER & HEINITSH, April 6mo Druggists, Columbia, S. C.

STEVENS HOUSE, 21, 23, 25 AND 27 BROADWAY, N. Y. OPPOSITE BOWLING GREEN. ON THE EUROPEAN PLAN.

THE STEVENS HOUSE is well and widely known to the traveling public. The location is especially suitable to merchants and business men; it is in close proximity to the business part of the city, is on the highway of Southern and Western travel, and adjacent to all the principal railroad and steamboat depots.

The Stevens House has liberal accommodations for over 300 guests; it is well furnished, and possesses every modern improvement for the comfort and entertainment of its inmates. The rooms having been refurnished and remodeled, we are enabled to offer extra facilities for the comfort and pleasure of our guests. The rooms are spacious and well ventilated—provided with gas and water; the attendance is prompt and respectful, and the table is generously provided with every delicacy of the season—at moderate rates. GEO. K. CHASE & CO., Proprietors.

SOUTHERN BANK NOTES! SOUTHERN SECURITIES! Bought and sold on commission by LAWRENCE, BROS. & CO., BANKERS, NO. 16 WALL STREET, NEW YORK.

STENHOUSE & MACAULAY, Commission Merchants, FOR THE SALE OF COTTON, COTTON YARNS, SHEETINGS, Naval Stores, &c., and for the purchase of Merchandise generally, 66 Pearl Street, New York.

SPECIAL NOTICES.

A REMARKABLE CASE OF SCROFULA CURED.—Extract from a letter: "My son has long been afflicted with deafness and scrofula. Hearing of 'Heinitsh's Queen's Delight,' I procured a bottle, and gave it according to directions. In a few days, a very great change was visible; his general health improved and his hearing was restored. I believe one more bottle will effectually cure all scrofulous tendencies. I give this certificate freely for the benefit of the afflicted." For sale by FISHER & HEINITSH, Druggists.

If you require a Tonic, ask your Family Physician what he thinks of PANKIN'S HEPATIC BITTERS, and he will not fail to tell you that it is the only Tonic which he can safely recommend. They are no quack medicine, but are simply an invigorating, harmless Tonic. For sale by all druggists. Dr. C. H. MIOT, Agent.

TO MARRY OR NOT TO MARRY?—WHY NOT? Serious Reflections for Young Men, in Essays of the Howard Association, on the Physiological Errors, Abuses and Diseases induced by ignorance of nature's laws, in the first age of man. Sent in sealed letter envelopes, free of charge. Address Dr. J. SKILLIN HOUGHTON, Howard Association, Philadelphia, Pa. May 19 3mo.

BACHELOR'S HAIR DYE.—This splendid Hair Dye is the best in the world. The only true and perfect Dye—harmless, reliable, instantaneous. No disappointment. No ridiculous tints. Natural black or brown. Remedies the ill effects of bad dyes. Invigorates the hair, leaving it soft and beautiful. The genuine is signed W. L. Batchelor. All others are mere imitations, and should be avoided. Sold by all druggists and perfumers. Factory 81 Barclay street, New York. Beware of a counterfeit. Dec 11 1y

The Great American Blood Purifier. QUEEN'S DELIGHT! THE QUEEN'S DELIGHT, the great American Alterative and Blood Purifier, is the most perfect vegetable compound of alteratives, tonics, diuretics and diaphoretics; making it the most effective invigorating, rejuvenating and blood-cleansing cordial known to the world.

In introducing this new and extraordinary medicine to the public, observation leads us to remark that too little attention is paid to the "life of all flesh," the blood. The Adornment of the Head—The Hair Restorer. GRAY HEADED people have their locks restored by it to the dark, lustrous, silken tresses of youth, and are happy. Young people, with light, faded or red hair, have these unfashionable colors changed to a beautiful auburn, and rejoice. People whose heads are covered with dandruff and humors, use it, and have sleek, coats and clear and healthy scalps. Bald-headed veterans have their remaining locks brightened, and the bare spots covered with a luxuriant growth of hair, and dance for joy. Young gentlemen use it because it is richly perfumed. Young ladies use it because it keeps their hair in place. Everybody must and will use it, because it is the cleanest and best article in the market. For sale by FISHER & HEINITSH, Feb 8 Druggists.

THE TRIUMPH OF ART! MORE TESTIMONY IN FAVOR OF Heinitsh's Queen's Delight.

EXTRACTS FROM LETTERS: "The Queen's Delight is beginning to awaken the attention of our physicians. Its remarkable curative power is seen in its wonderful effect upon disease. As a blood purifier, there is no medicine like it known to the profession. A gentleman told me that his son has been taking the Queen's Delight, and is more benefited by it than by any other medicine. He wants a dozen bottles."

Extract from a letter: "It is due to you to state in this public manner, in order that the people may know the truth, that I have tried your Queen's Delight, and found it not only what you said it was—a pure medicine—but the best medicine I have ever taken for eruptions and general bad health. I had an eruption all over my body, with impaired digestion and disordered liver, and have tried a great many medicines without any benefit. I have taken one bottle of your Queen's Delight, the eruption has disappeared, my appetite is better, my liver and digestion is improved. I am satisfied one or two more bottles will cure me."

Extract from a letter: "At the close of the war, my constitution was shattered. I could not eat, sleep or perform any duty whatever, such was my prostrate condition. Medicine and medical aid I had in abundance, such was my condition up to a few months since, when I began the use of your Queen's Delight. I have used two bottles, my constitution is greatly improved, my appetite is good, enjoy refreshing sleep, and am able to perform my share of daily labor."

Extract from a letter: "Wonderful effect of only one bottle: 'I have used only a half bottle of 'Queen's Delight' for boils and eruptions of the skin and itching humors of the blood, which annoyed me very much. I am entirely cured. I think your medicine a valuable one."

A remarkable case of liver complaint and headache cured by the use of 'Heinitsh's Queen's Delight.' A lady of unquestioned worth and reputation voluntarily gives testimony of the wonderful effects of this medicine. She has been from early years a martyr to headaches, caused by imperfect action of the liver, producing intense headache and pain over the eyes. She has taken only four bottles, and assures us of the perfect cure it has made. She now enjoys good health.

Still another: "During last spring, I had been troubled with obstinate chills and fever, which, when cured, left my system in a wretched condition, blood impure, and I was afflicted with an angry, and, as I at one time thought, an incurable, cutaneous eruption over my entire body. The most violent remedies suggested failed to work a cure, until, at the instance of a friend, I tried Dr. Heinitsh's Queen's Delight. Less than two bottles cured me, leaving my skin in a healthy condition. My general health is as good as ever. For such purposes, I have, ever since my cure, unhesitatingly recommended your Queen's Delight."

Don't buy any but the right kind. All genuine Queen's Delight has the copy-right mark on the outside, and it is the only medicine which produces these wonderful cures. For sale wholesale and retail at April FISHER & HEINITSH'S Drug Store.
