A TOUGH CASE.—In Arkansas, Elder Knapp, while baptizing converts at a revival meeting, advanced with a wiry, sharp-eyed old chap, into the water. He asked the usual question, whether there was any reason why the ordinance of baptism should not be administered. After a pause, a tall, powerful looking chap, with an eye like a blaze, who was leaning on a long rifle and quietly looking on, remarked: "Elder, I don't want to interfere in this yere business any, but I want to say that is an old sinner you have got hold of, and I know that one dip won't do him any good. If you want to get the sin out of him you'll have to anchor him out in deep water over night."

A VALUABLE DISCOVERY.—According to the Spectator, a treasure of priceless value has been found among the stores of the India House. Oriental scholars all over the world will find their blood quicken at the news that the library of Timour, collected in the course of his conquests, has been discovered. "Among other treasures are documents of extraordinary value connected with the biography of Mohammed." The discovery of this chest may probably cause a large part of Eastern history to be rewritten.

ANTIQUARIAN DISCOVERY.—A party of the royal engineers, who have been working for subterranean vaults and dungeons in Guildford Castle, England, have succeeded in uncovering one dungeon sixty by fifty-seven feet in extent, and nine to fifteen feet high—capable of holding 600 persons. Six more rooms are supposed to exist. The old records of Guildford tell of horrible deeds committed there by cruel and barbarous kings. At one time, not less than 600 persons were tortured and killed in a day or two.

An immense Fenian meeting was held in New York on the evening of the 15th. Mayor Hall presided, and eminent orators delivered addresses.

Prejudices are like rats, and a man's mind like a trap; they get in easily, and then perhaps can't get out at all.

Errors of Youth.—A gentleman who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the receipt and directions for making the simple remedy by which he was cured. Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence, JOHN B. OGDEN, Feb 3 3mo No. 42 Cedar street, New York.

To Consumptives.—The advertiser, having been restored to health in a few weeks, by a very simple remedy—after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure. To all who desire it, he will send a copy of the prescription used, (free of charge,) with the directions for preparing and using the same, which they will find a SURE CURE FOR CONSUMPTION, ASTHMA, BRONCHITIS, etc. The object of the advertiser in sending the prescription, is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing. Parties wishing the prescription, will please address Rev. EDWARD A. WILSON, Williamsburg, Kings County, New York. Feb 3 3mo

"MANHOOD"—Another new Medical Pamphlet from the pen of Dr. Curtis. The Medical Times says of this work: "This valuable treatise on the cause and cure of premature decline shows how health is impaired through secret abuses of youth and manhood, and how easily regained. Globe Mutual Life Insurance Co., of N. Y. CASH ASSETS JANUARY 1, 1869, \$1,171,000. INCORPORATED 1864. Has been in operation but four years, during which time it has assured a larger amount than any Company in the United States, during a corresponding period of its existence. One of the chief causes of its organization, was the forfeiture by several Northern Companies of the policies of Southerners, during the war. The leading officers of this Company protested against this injustice, and on its consummation, withdrew and organized the "GLOBE MUTUAL," on principles more liberal and just than those yet adopted by any other Insurance Company. In the event of death in battle or in a duel, the equitable value of the policy will be returned to the heirs. ALL other Companies forfeit it. In case of suicide, the FULL Policy is paid. No restriction on travel. This Company has, in its guarantee fund of \$500,000, an element of strength possessed by no other Company. It offers the entirely new feature of Probability Endowment, which gives the largest possible sum for the premium paid. No other Company possesses this feature. Insures children of any age. In the moderation of its premium rates, in the variety of its tables, in its dividends and in the security offered insurers, it invites comparison with any other Company. JOHN C. HASKELL, State Ag't, Columbia, S. C. Prof. JOHN T. DABY, Medical Examiner. Gen. S. B. BUCKNER, Southern Manager. Agents wanted throughout the State. Jan 30 3mo*

Its extraordinary healing powers are attested to by thousands, and every mail is freighted with letters bearing testimony to its excellent character and worth as a medicine. Orders are coming in from all quarters, and all bear unmistakable evidence of its great popularity. "Mr. E. H. Heinitz—DEAR SIR: I have been afflicted for many years with an eruption of the skin, of the nature of Erysipelas, and have tried a number of preparations without relief. My health, much impaired in consequence of this disease, and having heard so much about the virtues of your preparation of 'Queen's Delight,' I was induced to try it. My expectations are more than realized; I find it a complete success. I give this testimony freely, that others may be benefited. Yours respectfully, Mrs. H. F."

Read this remarkable case of Liver Complaint, cured by one bottle of "Queen's Delight." "Mr. E. H. Heinitz—DEAR SIR: Mrs. Rials was suffering with Liver Complaint and pains in the side and heart, nervousness, could not sleep, had appetite and general bad health. I procured one bottle of your 'Queen's Delight.' I regard her case as cured. She is looking as well as she ever did. Your 'Queen's Delight' is a blessing to the afflicted. I give this certificate cheerfully. Yours respectfully, J. D. RIALS."

General prostration cured by the "Queen's Delight." "Messrs. Fisher & Heinitz—GENTS: I have no hesitation in saying that I regard 'Heinitz's Queen's Delight' a great medicine. I have taken one bottle of the 'Queen's Delight,' and I rejoice to say that I am a new man and am about my business as well as ever. Yours truly, "H. I. FAUNER."

"Dr. E. H. HEINITZ: Your medicine for Chills and Fever is a sure remedy. I have been suffering for several months past, and one bottle of your Chill and Fever Cure has entirely cured the disease.
