"Let our Just Censure"

BY J. A. SELBY.

VOL. VI—NO. 50

Special Notices.

DR. A. L. SCOVILL is the inventor of several medicinal preparations which have become very popular, and have been liberally used. Among his inventions are "HALL'S BALM FOR THE LUNGS" and "LIVERWORT AND TAR." For the past six years a better Lung remedy has been offered to the public. Read the following letter from Dr. Scovill, referring to it:

Messrs. J. N. Harris & Co.—GENTS: I make the following statement from a perfect conviction and knowledge of the benefits of **ALLEN'S LUNG BALSAM** in curing the most deep-seated PULMONARY CONSUMPTION! I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For Coughs, and all the early stages of Lung complaints, I believe it to be a certain cure, and if every family would keep it by them, ready to administer upon the first appearance of these affections, the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. It causes the phlegm and matter to flow out irritating those delicate organs, (the Lungs,) and without producing constipation of the bowels. It also gives strength to the system, stops the night-sweats, and changes the morbid secretions to a healthy state. Yours respectfully, A. L. SCOVILL.

REYNOLDS' IMPROVED METHOD OF CONSTRUCTING Artificial Dentures.

Patented December, 1867.

AFTER an extensive use of this important improvement in practice for nearly two years, it is with full confidence urged upon the profession and the public, as fulfilling more thoroughly and satisfactorily than any other mode, every intention of Artificial Dentures. As in this method, rubber teeth are altogether discarded, it is desirable that it should fall especially into the hands of those familiar with gold plate work.

It may not be generally known that they who wear cases of artificial teeth, constructed according to this patent, by Dentists who are not licensees, render themselves liable to the penalty of infringement, as well as the operator.

Office rights will be disposed of and instruction given by letter, or at the operating rooms of Reynolds & Reynolds, where the manipulation may be daily witnessed, and where communications may be addressed.

HEINITSH'S QUEEN'S DELIGHT

As a Family Medicine,

It Stands, and Will Forever Stand FIRST in the estimation of the people, because it has withstood the searching tests of the Physician and a discriminating public, and whatever survives this trial must be established on a sure, firm foundation.

A SPRING AND SUMMER MEDICINE.

A known and recognized remedy among all people. Thousands attest its worth as a Medicine.

Heinitsh's Queen's Delight

Is a substitute for Calomel and Mercury. It acts by its vegetable principle as an alterative upon the Liver and Stomach, promoting the secretion of bile, and then directing it in its proper channel for the nutritive purposes of digestion. For Bilious Diseases, Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, in fact, all fevers, are prevented by using Queen's Delight.

It cures Liver Complaint, and all Hepatic Disorders, Dyspepsia, Stomach Complaints, Scrofula, King's Evil, Cancerous and Indolent Tumors, White Swellings, Mercurial and Syphilitic Sores, Old Sores, Swelled Legs, Sores, Carbuncles, Eruptions, Goitre or Swelled Neck, Enlarged Glands, Rheumatism, Blotches, Erysipelas, St. Vitus' Dance, Diarrhoeal Swellings, Salt Rheum, and all Skin Diseases and Humors in the Blood, Inflammation of the Kidneys, Bladder, Pains in the Back and Sides, Asthma, Consumption, Bronchitis, and all Diseases which may be traced to bad blood; and for very many diseases peculiar to females, such as Suppression, Irregularity, Whites, Sterility, Uterine Dropsy, &c.

SKIN DISEASES.

It has been prescribed in a great variety of Cutaneous Affections, and found successful in curing Salt Rheum, Tetter, Boils, Itch, Pimples, Scald Head, Erysipelas, Morphea, Jaundiced Skin, &c., and for Diseases of and Discharges from the lining membranes of the Throat, Nose and Ears, and from the Kidneys and Urinary Passages, Leucorrhoea, &c.

INVIGORATOR OF THE LIVER.

As a Liver Invigorator it is of inestimable value. As a stimulant it is safer and surer than all the rum and whiskey tonics of the day, and if you value your life and health a pin's fee, avoid these quickening stimulants to the grave, and use the Queen's Delight.

FEMALES.

Females of delicate constitution, suffering from weakness and depression of mind, in consequence of those complaints which nature imparts at the period of change, have a pleasant and sure remedy in the Queen's Delight.

DEBILITY.

There is no medicine equal to the Queen's Delight in cases of Debility. It imparts a tone and vigor to the whole system, strengthens the appetite, causes an enjoyment of food, enables the stomach to digest it, purifies the blood, gives a good, sound, healthy complexion, eradicates the yellow tinge from the cheeks, imparts a bloom to the cheeks, and banishes that nervous invalid to a full-faced, stout and vigorous person.

NERVOUS DEBILITY.

Generally accompanies Liver Complaint or Dyspepsia, and is frequently produced by continual constipation. The symptoms are, fluttering at the heart, a choking sensation, when in a lying posture, dots or webs before the sight, fever and dull pain in the head, constant imagings of evil, and great depression of spirits.

Debility of the Nervous system should always be dreaded as of itself having the body open to an attack of any epidemic.

NERVOUSNESS.

HOW IT AFFECTS THE MIND.

Persons afflicted with this disease are generally annoyed by occurrences of no moment, which would not, in a state of health, give them any uneasiness. The Queen's Delight will remove the unpleasant effects of this distressing affliction.

Be sure and ask for HEINITSH'S QUEEN'S DELIGHT; the new remedy, with new principles. No Sarsaparilla in it; that has been tried and found wanting. It is not a fermented and sour combination of herbs. It is not a whiskey beverage, or Gin compound, to intoxicate; nor is it a Rum Litter, to ruin your health and lead to a more fatal disease, drunkenness. But a health and life-giving Medicine, called simply "Heinitsh's Queen's Delight."

The great success, and the unparalleled popularity of this medicine bespeak for it the highest praise for the inventor. Prepared only by

E. H. HEINITSH, Druggist.

KOSKOO!

The Great Reputation

Which KOSKOO has attained in all parts of the country,

As a Great and Good Medicine,

And the large numbers of testimonials which are constantly being received from Physicians, and persons who have BEEN CURED by it, is CONCLUSIVE PROOF of its REMARKABLE VALUE.

AS A BLOOD PURIFIER

IT HAS NO EQUAL, BEING, POSITIVELY,

The Most Powerful Vegetable Alterative Yet discovered.

DISEASES OF THE BLOOD.

"The life of the flesh is in the blood" is a Scriptural maxim that Science proves to be true. The people talk of bad blood as the cause of many diseases, and, like many popular opinions, this of bad blood is founded in fact.

The symptoms of bad blood are usually quite plain. Bad digestion causes imperfect nutrition, and, consequently, the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad and frequently covered with a pasty white coat. This condition soon shows itself in roughness of the skin, then in ERUPTIVE and ulcerative diseases, and, when long continued, results in serious lesions of the Brain, Liver, Lungs or Urinary Apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with Scrofula in some form.

When the Blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from impure diseases of large cities. Eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

KOSKOO!

LIVER INVIGORATOR!

Being the Only Known Medicine

That EFFICIENTLY stimulates and corrects the hepatic secretions and functional DERANGEMENTS of the LIVER, WITHOUT DEBILITATING the system. While it acts freely upon the Liver, instead of copious purging, it gradually changes the discharges to a perfectly natural state.

Symptoms of Liver Complaint and of some of those Diseases produced by it:

A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth; internal heat; in many cases a dry, teasing cough; unsteady appetite; sometimes sour stomach; with a raising of the food; a bloated or full feeling about the stomach and breast; and about the shoulders; constipation of the bowels; piles, flatulence, coldness of the extremities, &c.

KOSKOO!

Is a remedy of Wonderful Efficacy in the cure of diseases of the Kidneys and Bladder. In these Affections, it is as near a specific as any remedy can be. It does its work kindly, steadily, and surely. The Relief which it affords is both certain and perceptible.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys, cannot estimate the importance of their healthy action.

Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death from thirty six to forty-eight hours.

When the Urine is voided in small quantities at the time, or when there is a disposition to Urinate more frequently, than is natural, or when the Urine is high colored, or scanty, or with weakness in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the trouble, before a lesion of the organs takes place. In fact, the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted, the Kidneys, prove irritating to the Bladder and Urinary passages. When we recollect that medicine never reaches the Kidneys except through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

KOSKOO!

Meets with great success in the cure of Diseases of Nervous System.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, indigestion, and complete breaking down of the general health. Thousands are suffering to-day with morbidly excited nervous systems, and, unfortunately, tobacco, alcohol, late hours, over-work, (mental and physical,) are causing diseases of the nervous system to increase at a fearful ratio.

The symptoms to which diseases of the nervous system give rise, may be stated as follows: A dull, heavy feeling in the head, sometimes more or less severe pain or headache; Ringing in the Head; Dizziness; Noises of various kinds in the Head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dulness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c., &c.

"BAD BLOOD."

"THE LIFE IS THE BLOOD."

FROM it we derive our strength, beauty and mental capabilities. It is the centre of our being, around which revolves all that makes existence happy. When this source is corrupted, the painful effects are visible in many shapes, prominent among which is

SCROFULA.

This is a taint or infection of the human organism, and probably no one is wholly free from it. It exhibits itself in various shapes—Ulcers and Sores, Decayed Bones, Diseased Scalp, Sore Eyes, Weak and Diseased Joints, St. Vitus' Dance, Foul Discharges from the Nostrils, Eruptions, Glandular Swellings, Throat Affections, Rheumatism, Heart Affections
