

THE NEWEST INFAMY.—The Journal of Commerce dwells in fitting terms upon the dishonest conduct of the House of Representatives, in refusing a seat to Simpson, member elect by a clear 4,000 majority from South Carolina, and giving it to Wallace, the minority candidate. The Journal reminds us that "Twice has the precedent now been established, that the majority in Congress may exclude members elect whom they don't like, and admit their rivals. This dangerous principle is capable of indefinite extension, and, if pushed much further, as it probably will, will result in making a complete farce of all Congressional elections, and enabling whatever party has control of Congress to pack that body with its own tools. It is one of the deadliest of all the blows struck at popular government in this country. There is not an honest man of any party who does not feel that it is a wrong and an outrage, whether it makes for his side or not. It is no satisfaction to us that it will surely return some day, like a curse let loose, to plague its inventors. Such a change of hands, although it might be retributive justice to the new sufferer, would only be another act of public disgrace to our common country."

AN EARLY DROUGHT.—In the Northern part of New York and in Canada, and even as far West over there as the Winnipeg basin, they are suffering from drought and from destructive fires in the woods, while here we are drenched in rain.

The Monongahela Valley Republican says that on Tuesday morning last, as Mr. Patrick Collins was going to work in the mines at Cleveland Landing, he met a draft of fire damp, which ignited and instantly killed him.

Justice Willard, on motion of Hon. D. T. Corbu, and after argument, has granted an injunction against Sheriff Mackey, restraining the sale of Charleston city property.

A young lady, named Margaret Daubog, residing in Harrisburg, Pa., was slightly bitten on the finger by a small dog, several weeks ago, and on Saturday last, died from hydrophobia.

Read Some English Testimonials. GREENE'S SHILOH'S HOME, Popular treatise, London, England. I take this method of making known the perfect cure I have obtained from the use of your valuable medicine, the PAIN KILLER. I was urged by a friend to try it, and procured a bottle of Dr. Kernet, Apothecary. I had been afflicted three years with Neuralgia and violent spasms of the stomach, which caused a constant rejection of food. The doctors at Westminster Hospital gave up my case in despair. Then I tried your PAIN KILLER, which gave me immediate relief from pain and sickness; and I regained my strength, and am now able to follow my usual occupation of sailor. One bottle cured me. Yours respectfully, CHARLES POWELL.

Sir: I desire to bear willing testimony to the wonderful efficacy of that American remedy called Pain Killer, which I believe has no equal in this country. I have been afflicted with heart disease, and could find no relief till I got the Pain Killer, which soon made a cure. I am quite willing to answer any inquiries about my case. Comra, etc. FANNY SILVERS, Dudley, (Worcestershire), England.

GENTLEMEN: I can with great confidence recommend your excellent medicine, the Pain Killer, for Rheumatism, Indigestion, and also Toothache, having proved its efficacy in the above complaints. Yours, &c. RUGEN MITCHELL, Bridgeman's Place, Bolton.

GENTLEMEN: I have very great pleasure in recommending your medicine, the Pain Killer. I was suffering severely a few weeks since with Bronchitis, and could scarcely swallow any food, so inflamed was my throat. I was advised by a friend to try your Pain Killer, and, after taking a few doses of it, was completely cured. Yours respectfully, T. WILKINSON, Bolton, England.

P. S.—I have recommended the medicine to several of my friends; and, in every instance, it has had the desired effect. J 4 1/2 mo

KOSKOO!

The Great Reputation Which KOSKOO has attained in all parts of the country, As a Great and Good Medicine,

And the large numbers of testimonials which are constantly being received from Physicians, and persons who have been cured by its use, is conclusive proof of its REMARKABLE VALUE.

AS A BLOOD PURIFIER IT HAS NO EQUAL, BEING, POSITIVELY, The Most Powerful Vegetable Alterative Yet discovered.

DISEASES OF THE BLOOD. "The life of the flesh is in the blood," is a Scriptural maxim that Science proves to be true. The people talk of bad blood as the cause of many diseases, and, like many popular opinions, this of bad blood is founded in truth.

The symptoms of bad blood are usually quite plain. Bad digestion causes imperfect nutrition, and, consequently, the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad and frequently covered with a pasty white coat. This condition soon shows itself in roughness of the skin, then in eruptions and "breakings out," and, when long continued, results in serious lesions of the Brain, Liver, Lungs or Urinary Apparatus. Much very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with Scrofula in some form.

When the blood is pure, you are not so liable to any disease. Many impurities of the blood arise from impure discharges, large cities, eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

KOSKOO! AS A LIVER INVIGORATOR! Stands unrivalled, Being the Only Known Medicine

That EFFICIENTLY stimulates and corrects the hepatic secretions and functional derangements of the LIVER, WITHOUT DEBILITATING the system. While it acts freely upon the Liver, instead of copious purging, it gradually changes the discharges to a perfectly natural state.

Symptoms of Liver Complaint and of some of those Diseases produced by it. A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth, internal heat; in many cases a dry, itching cough; with a ravenous appetite; sometimes a bloated or full feeling about the stomach and sides; aggravating pains in the sides, back or breast, and about the shoulders; constipation of the bowels; piles, flatulence, colicness of the extremities, &c.

Persons unacquainted with the structure and functions of the Kidneys, cannot estimate the importance of their healthy action. Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death from thirty-six to forty-eight hours.

When the Urine is voided in small quantities at the time, or when there is a disposition to Urinate more frequently than natural, or when the Urine is high colored or scalding, or when weakens in the small of the back, it should not be trifled with or delayed, but Koskoo should be taken at once to remedy the trouble, before a lesion of the organs takes place. Most of the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted in the Kidneys, prove irritating to the Bladder and Urinary passages. When we recollect that medicine never reaches the Kidneys except through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

KOSKOO! Meets with great success in the cure of Diseases of Nervous System.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, insanity, and complete breaking down of the general health. Thousands are suffering to-day with broken nerves in various systems, and, unfortunately, tobacco, alcohol, opium, and other (mental and physical) are causing diseases of the nervous system to increase at a fearful ratio.

The symptoms to which diseases of the nervous system give rise, may be stated as follows: A dull, heavy feeling in the head, some- times more or less severe pain or headache; Periodical Headache; Dizziness, Noises or Ringing in the Head; Constipation of Bowels; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dullness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c., &c.

KOSKOO! IS NOT a secret quack remedy. FORMULA around each bottle. Recommended by the best Physicians, eminent Divines, Editors, Druggists, Merchants, &c.

HEINITSH'S QUEEN'S DELIGHT

As a Family Medicine, It Stands, and Will Forever Stand FIRST in the estimation of the people, because it has withstood the searching tests of the Physician and a discriminating public, and whatever survives this trial must be established on a sure, firm foundation.

A SPRING AND SUMMER MEDICINE. A known and recognized remedy among all people. Thousands attest its worth as a Medicine.

Heinitsh's Queen's Delight Is a substitute for Calomel and Mercury. It acts by its vegetable principle as an alterative upon the Liver and Stomach, promoting the secretion of bile, and then directing it to its proper channel for the nutritive purposes of digestion. For Bilious Diseases, Bilious Colic, Bilious Typhoid Fever, Chills and Fever, in fact, all fevers, are prevented by using Queen's Delight.

It cures Liver Complaint, and all Hepatic Disorders, Dyspepsia, Stomach Complaints, Scrofula, King's Evil, Cancerous and Indolent Tumors, White Swellings, Mercurial and Syphilitic Sores, Old Sores, Swelled Legs, Boils, Carbuncles, Eruptions, Gout, Rheumatism, Enlarged Joints, Rheumatism, Blotches, Erysipelas, St. Vitus' Dance, Dropsical Swellings, Salt Rheum, and all skin diseases and Humors in the Blood, Inflammation of the Kidneys, Bladder, Pains in the Back and Sides, Asthma, Consumption, Bronchitis, and all diseases which may be traced to bad blood; and for very many diseases peculiar to females, such as Suppression, Irregularity, Whites, Sterility, Uterine Dropsy, &c.

It has been prescribed in a great variety of Cutaneous Affections, and found successful in curing Salt Rheum, Tetter, Boils, Blotches, Jaundiced Skin, &c., and for Diseases of and Discharges from the lining membranes of the Throat, Nose and Ears, and from the Kidneys and Urinary Passages, Leucorrhoea, &c.

INVIGORATOR OF THE LIVER. As a Liver Invigorator it is of inestimable value. As a stimulant, it is safer and surer than all the rum and whiskey tonics of the day, and it yet values your life and health a pin's fee, avoid those quickening stimulants to the grave, and use the Queen's Delight.

FEMALES. Females of delicate constitution, suffering from weakness and depression of mind, in consequence of those complaints which nature imposes at the period of change, have a pleasant and sure remedy in the Queen's Delight.

DEBILITY. There is no medicine equal to the Queen's Delight in cases of Debility. It imparts a tone and vigor to the whole system, strengthens the appetite, causes an enjoyment of food, enables the stomach to digest it, purifies the blood, gives a good, sound, healthy complexion, eradicates all yellow tinge from the eyes, imparts a bloom to the cheeks, and changes the patient from a short-breathed, emaciated, weak and nervous invalid to a full-faced, stout and vigorous person.

NERVOUS DEBILITY Generally accompanies Liver Complaint or Dyspepsia, and is frequently produced by continual constipation. The symptoms are, fluttering at the heart, a choking sensation, when in a lying posture, dots or webs before the sight, fever and dull pain in the head, constant imaginings of evil, and great depression of spirits.

Debility of the Nervous system should always be treated as of itself having the body open to an attack of any epidemic.

HOW IT AFFECTS THE MIND. Persons afflicted with this disease are generally annoyed by occurrences of no moment, which would not, in a state of health, give them any uneasiness. The Queen's Delight, by its soothing and refreshing effects of this distressing affliction.

Be sure and ask for HEINITSH'S QUEEN'S DELIGHT; the new remedy, with new principles. No Sarsaparilla in it; that has been tried and found wanting. It is not a fermented and sour combination of herbs. It is not a Whiskey beverage, or Gin compound, or intoxicating; nor is it a Rum Elixir, to ruin your health and lead to a more fatal disease, drunkenness. But a health and life-giving Medicine, called simply "Heinitsh's Queen's Delight."

The great success, and the unparalleled popularity of this medicine bespeaks for it the highest praise for the inventor. Prepared only by E. H. HEINITSH, Druggist, And for sale by Druggists everywhere. April 30

REYNOLDS' IMPROVED METHOD OF CONSTRUCTING Artificial Dentures.

Patented December, 1867. AFTER an extensive use of this important improvement in practice for nearly two years, it is with full confidence urged upon the profession and the public, as fulfilling more thoroughly and satisfactorily than any other mode, every intention of Artificial Dentures. As in this method, rubber teeth are altogether discarded, it is desirable that it should fall especially into the hands of those familiar with gold plate work.

It may not be generally known that they who wear cases of artificial teeth, constructed according to this patent, by Dentists who are not licensees, render themselves liable to the penalty of infringement, as well as the operator.

These rights will be disposed of and instruction given by letter, at the operating rooms of Reynolds & Reynolds, where the manipulation may be daily witnessed, and where communications may be addressed. WM. REYNOLDS, M. D., Columbia, S. C. Aug 12
