A NEW DISCOVERY!! PHALON'S 'VITALIA;' OR, Salvation for the Hair.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin.

PHALON'S Vitalia is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair.

THE VITALIA is a harmless and unequalled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required.
