WATERING-PLACE COMFORTS.—The following, though extravagant, contains one important reason why many do not frequent watering-places, and those who are not made as comfortable as they are at home:
It is said that a man, who was staying at one of the Cape May hotels last week, woke up one morning and couldn't find his pillow anywhere. Just as he was about giving up the search, he put his hand to his head, and found that the pillow had got jammed into his ear. The regulation allowance at a Cape May hotel is one feather for a pillow, and two for a bolster.

The present war must add largely to the already gigantic debt of France. As soon as war was declared the Minister of Finance asked for a supplemental credit of 500,000,000 francs, and this is likely to be but a small part of what will be needed. The debt of Prussia is very small—much the smallest of any of the great powers of Europe.

At the recent railway accident in England, the dead and wounded were plundered indiscriminately. The tempting display of rings, watches, &c., overcame all humanity, and even policemen lent the wreckers their aid in despoiling the corpses.

CLOSE SHAVE.—While a number of soldiers were bathing off the garrison wharf at Smithville, last Wednesday, a shark bit the toes off of one of them and cut his foot severely.

"BAD BLOOD."
"THE LIFE IS THE BLOOD."
FROM it we derive our strength, beauty and mental capabilities. It is the centre of our being, around which revolves all that makes existence happy. When this source is corrupted, the painful effects are visible in many shapes, prominent among which is SCROFULA.
This is a taint or infection of the human organism, and probably no one is wholly free from it. It exhibits itself in various shapes—as Ulcers and Sores, Decayed Bones, Diseased Scalp, Sore Eyes, Weak and Diseased Joints, St. Vitus' Dance, Foul Discharges from the Nostrils, Eruptions, Glandular Swellings, Throat Affections, Rheumatism, Heart Affections, Nervous Disorders, Barrenness, Disorders of the Womb, Dropsy, Syphilitic Affections, Liver Complaint, Salt Rheum, Dyspepsia, Nephritis, Loss of Manhood and General Debility.
It has been the custom to treat these diseases with Mercury and other Mineral substances, which, though sometimes producing a cure, often prove injurious, and entail misery in after life. The long known injurious properties of these so-called alteratives and purifiers have led the philanthropic man of science to explore the arena of nature, the result of which has been the discovery of vegetable products which possess the power of eradicating these taints from the Blood.

Female Regulator:
"WOMAN'S BEST FRIEND."
WILL bring on the Menses when they have not been established, also when they have been suppressed from unnatural causes. Will cure Rheumatism and Neuralgia of the back and womb. TESTIMONIALS.
TUSKEGEE, ALA., November 21, 1869.
Mr. L. H. Bradfield—Sir: Please forward us, immediately, another supply of Bradfield's Female Regulator. We find it to be all that is claimed for it, and we have witnessed the most decided and happy effects produced by it. Very respectfully,
H. W. B. WHELAN, M. D.
ATLANTA, GA., December 20, 1869.
Dr. J. Bradfield—Dear Sir: I take pleasure in stating that sometime previous to the late war, I used, with utmost success, on a servant girl, your Female Regulator, prepared then at Bradfield's Drug Store, West Point, Ga. She had been suffering severely from suppressed menstruation, and the medicine restored her to health. She is, to-day, living in Atlanta, sound and well.
I will state further, that I know of its being used, with equal success, in other cases. I do not hesitate to endorse your preparation for the purpose for which you recommend it.
Yours truly,
JOHN C. WHITNER.
Bradfield & Co., Atlanta, Ga., March 23, 1870.
I have pleasure in stating that I have used for the last twenty years, the medicine you are putting up, known as Dr. J. Bradfield's Female Regulator, and consider it the best combination ever gotten together for the diseases for which it is recommended. I have been a practitioner of medicine in my domestic practice, and can honestly say that I consider it a boon to suffering females, and can but hope that every lady in our whole land, who may be suffering in any way peculiar to their sex, may be able to procure a bottle, that their sufferings may be not only relieved, but that they may be restored to health and strength.
With my kindest regards, I am respectfully,
Yours truly,
B. E. BELL, M. D.
ATLANTA, GA., March 12, 1870.
I have examined the recipe of Bradfield's Female Regulator, and from my knowledge of the ingredients, believe it a most excellent medicine, and well suited to that class of diseases designated. I have no hesitation in advising its use, and confidently recommend it to the public.
JOEL B. HANAM, M. D.

Messrs. William Root & Son—GENTLEMEN: Some months ago I bought a bottle of Bradfield's Female Regulator from you, and have used it in my family with the utmost satisfaction, and have recommended it to three other families, and they have found it just what it is recommended to be. The females who have used your Regulator are now in perfect health, and are able to attend to their household duties, and we cordially recommend it to the public.
Yours respectfully,
Rev. H. B. JOHNSON.
NEAR MARKET, A. S., March 21, 1870.
Messrs. William Root & Son—GENTLEMEN: About one year ago I bought a bottle of Bradfield's Female Regulator from you, for one of my daughters, who had been suffering with suppressed menses for some time. I have had several Physicians attending, but met with no success until I was persuaded to buy a bottle of the Regulator, and it is the very thing for which it is recommended. She is now in perfect health. I hope all suffering females will, at least, try one bottle, and have health again.
Yours truly,
W. H. TUTT & LAND, DOBINS.
We could add a thousand and other testimonials, but we consider the above ample sufficient proof of its virtue. All we ask is a trial.
