

Acts and Joint Resolutions Passed by the General Assembly of South Carolina, Regular Session, 1871 and 1872.

AN ACT TO REQUIRE THE COUNTY COMMISSIONERS OF BARNWELL TO CONSTRUCT A JAIL AT BLACKVILLE, THE COUNTY SEAT.
SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That the County Commissioners of Barnwell County be, and they are hereby, required and directed, immediately after the passage of this Act, to cause to be constructed a jail for the use of said County, at the town of Blackville, the County seat; the said jail, when completed, with the highest practicable security for the custody of prisoners, not to exceed in cost the sum of eight thousand dollars.

Sec. 2. The said Commissioners are authorized to advertise for plans and specifications, and proposals to build said jail, in the newspapers published in Barnwell, and in one daily newspaper published in Charleston and Columbia, for the space of three weeks, and from the plans, specifications and proposals submitted to select such one as they may think best adapted to the necessities of a jail; and they are further authorized to contract with the party submitting the plans, specifications and proposals accepted by them.

Sec. 3. On the completion of said jail, according to contract, and after it shall have been approved and received by the said Commissioners, they shall be authorized to draw upon the County Treasurer of Barnwell in favor of the contractor for the amount agreed to be paid therefor, which draft shall be paid by the Treasurer on presentation; but the said Commissioners are authorized, in their discretion, to stipulate for payment to the contractor in instalments as the work progresses: *Provided*, That no such payment shall be made except upon an estimate furnished in writing by the contractor, and carefully examined by the Commissioners, showing the amount of work actually done, and of material actually furnished, at the date when payment is asked: *And provided*, further, That there shall be reserved of such estimate twenty cents per centum, which shall not be paid to the contractor until the jail shall be completed according to contract, approved and received by the Commissioners. And the said Commissioners are authorized to draw upon the County Treasurer for all amounts thus agreed to be paid, which draft the Treasurer shall pay upon the filing with him the estimates upon which such drafts are drawn, endorsed with a certificate of approval signed by the said Commissioners, or by a majority of them.

Sec. 4. The County Treasurer shall set apart the sum of eight thousand dollars from the County funds, and hold such sums subject to the drafts of the County Commissioners for payment for materials and construction of said jail: *And provided*, further, That that part of the County of Barnwell, which, with portions of the Counties of Edgefield, Lexington, Orangeburg, now forming the County of Aiken, shall not be liable in any way for any debts contracted in building a jail at Blackville, in accordance with the provisions of this Act.

Approved February 15, 1872.

FOUR MILLIONS OF INVALIDS—At the lowest computation there are never less than 4,000,000 of invalids in the United States. Of this number probably more than three-fifths have neglected the ordinary precautions necessary for the preservation of health, and are suffering the punishment due to their carelessness. If the multitudes who are now afflicted with biliousness, indigestion, rheumatism, intermittent fever, irregularities of the bowels, general debility, nervous disorders, &c., had, at the very first symptoms of indisposition, invigorated, regulated and purified their systems with HOSKETT'S STOMACH BITTERS, two-thirds of them would at this moment be performing the active duties of life, untroubled by any ailment of the body or the mind.

This assertion is made advisedly. It is founded on experience, and is borne out by the testimony of a countless host of witnesses, whose attestations cover almost every variety of disease, and extend over a period of about twenty years. Of every 1,000 persons who take the Bitters, as a preventive of the complaints above enumerated, seven-eighths escape them entirely; and of every 1,000 who are actually attacked, and use the great Vegetable Tonic as a remedy, three-fourths are radically cured. These are not hazardous assertions, but statistical facts. They are based upon the results of inquiries made by more than 50,000 persons in various parts of the country, and upon the letters of prominent citizens of every State, it might almost be said, of every County in the Union.

You are Troubled with a Bad Breath. It annoys your friends as well as yourself. You would like to get rid of it, but scarcely know what means to adopt. We will tell you. Use the fragrant Bismuth; it will cleanse and purify your teeth and leave your breath pure.

Burnett's Standard Flavoring Extracts—Lemon, Vanilla, &c. Charge your servants and dealers, and observe that they do not substitute in their stead any of the pernicious unpalatable extracts with which the market is flooded. Burnett's Standard Flavoring Extracts are established as the strongest, purest and the best made.

The Terrible Duet between Frusis and France is over, but thousands of battles between Dr. Walker's Vinegar Bitters and Dyspepsia and Liver Complaint are now going on in every State of the Union. The issue of such contests is never for one moment in doubt. The conflict may last longer in some cases than in others, but the leading Vegetable tonic and alternative of the nineteenth century invariably triumphs.

To Owners of Horses and Cattle.—To-bias' Derby Condition Powders are warranted superior to any others, or no pay, for the cure of Distemper, Worms, Bots, Congha, Hide-bound, Colds, &c., in Horses; and Colds, Congha, loss of milk, Black Tongue, Horn Distemper, &c., in Cattle. Price, twenty-five cents. Depot, 10 Park Place, New York.

Carbolic Salve, recommended by the leading Physicians and the President of the New York Board of Health, as the most wonderful healing compound ever known. Gives instant relief to burns; cures all kinds of sores, cuts and wounds; and a most invaluable salve for all purposes. Sold everywhere, at twenty-five cents. John E. Murray, sole proprietor, 8 College Place, New York.

Scapula is Opium purified of its sickening and poisonous properties, discovered by Dr. Bigelow, Professor of Botany, Detroit Medical College. A most perfect anodyne and soothing opiate. John Farr, Chemist, New York.

Christadoro's Hair Dye is the safest and best. It corrects the bad effects of inferior dyes, while the black or brown tints it produces are identical to nature. Factory, 68 Maiden Lane, New York.

Pratt's Astral Oil—Safest and best illuminating Oil ever made. Does not take fire or explode, if the lamp is upset or broken. Over 150,000 families continue to use it, and no accidents of any description have occurred from it. Oil House of Charles Pratt, established 1770, New York.

The Purest and Sweetest Cod Liver Oil in the world is Hazard & Caswell's, made on the sea-shore, from fresh selected livers, by Hazard, Caswell & Co., New York. It is absolutely pure and sweet. Patients who have once taken it prefer it to all others. Physicians have decided it superior to any of the other oils in the market.

Jouvin's Inodoros Kid Glove Cleaner restores soiled gloves equal to new. For sale by druggists and fancy goods dealers. Price 25 cents per bottle. E. C. Wells & Co., New York.

Riley's Phylotoxin is an established, warranted remedy for Painful Menstruation, and equally efficient as a Nervous Antidote in all cases of nervous excitement, stomach and sleeplessness in male or female. Sold everywhere for \$1.00 a bottle. Morgan & Riley, Druggists, New York, General Agents.

A Youthful Appearance and a beautiful, clear complexion is the desire of everybody. This effect is produced by using O. W. Laird's "Bloom of Youth," a harmless beautifier of the skin. Will remove all discoloration, tan, freckles and sunburns. The use of this delightful toilet preparation cannot be detected. For sale by all druggists and fancy goods dealers. Depot, 5 Gold Street, New York.

Mrs. Winslow's Soothing Syrup—It relieves the little sufferer from pain, cures wind colic, regulates the stomach and bowels, corrects acidity, and during the process of teething it is invaluable. Perfectly safe in all cases, as millions of mothers can testify.

Clear and Harmless as Water.
NATTANS' CRYSTAL DISCOVERY
FOR THE HAIR.

A PERFECTLY clear preparation in one bottle, as easily applied as water, for restoring to Gray Hair its natural color and youthful appearance; to eradicate and prevent dandruff; to promote the growth of the Hair and stop its falling out. It is ENTIRELY HARMLESS and perfectly free from any poisonous substance, and will therefore take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent us from many of our most prominent citizens. In everything in which the articles now in use are objectionable, Crystal Discovery is perfect. It is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. It does not soil the clothes or scalp, is agreeably perfumed and makes one of the best dressings for the Hair in use. It restores the color of the Hair "more perfectly," and always does so in from three to ten days, virtually feeding the roots of the Hair with all the nourishing qualities necessary to its growth and healthy condition; it restores the decayed and induces a new growth of the Hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the Hair a pleasing and elegant appearance.

We call especial attention to the fact that a limited number of small trial bottles can be had by those wishing to try it. You will notice that in pursuing this course, our aim is to convince by the actual merit of the article.
