If you feel dull, drowsy, debilitated, have frequent head-ache, mouth tastes badly, poor appetite and tongue coated, you are suffering from Torpid Liver or "Biliousness," and nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

LOVELINESS ON THE INCREASE—A marked increase of female loveliness in the 19th-century result of the immense popularity which Hagan's Magnolia Balm has obtained among the ladies of America. Complexions radiant with snowy purity and tinged with the roseate hue of health are commonly met with whenever it is used. For the sallow and unwholesome appearance of the face, and the effect of any personal attraction the owner may possess, it substitutes that clear, pearl-like complexion which is such a transcendent charm in woman, and renders the roughest skin as soft as Genoa velvet. No one is more astonished than the person using it at the marvelous transformation which it effects in these particulars.

THE ILLS THAT FLESH ARE HEIR TO are many, but the remedy for them all is furnished by nature. There is no doubt that for every disease, there is an antidote in the vegetable kingdom. The aborigines were the victims of many and loathsome maladies, yet they found in the wilds of their forests remedies sure and powerful. Acting on this belief, DR. PIERCE'S SASSAPARILLA AND QUEEN'S DELIGHT is offered to the public as a most highly concentrated vegetable compound, possessing extraordinary power for the cure of Rheumatism, Neuralgia, Sciatica, Ulcers, Swelling of the Glands, Eruptions of the Skin, Female Diseases, Liver Complaint, Secondary Syphilis, the effects of Mercury, &c. It is the most powerful alterative and blood purifier ever used, and at the same time so harmless that it may be used by all.

Watch out for Chills and Fever, and prepare the system for resisting its attack, by using Dr. Tuttle's LIVER PILLS.

Dr. Tuttle's Hair Dye makes the Old Look Young.

To the Ladies. ONE of the worst forms of discoloration of the skin, and of pimples and eruptive faces, is caused by the use of CALOMEL and BLUE MASS. Mercurial medicines are supposed to have a special action on the liver; the theory is erroneous. If calomel is given in repeated doses it produces salivation, and in this condition the liver is badly damaged. The liver is more torpid; the skin must do some of the liver's work, in excreting bile elements, and will be liable to pimples, blotches, eruptions, dark spots, catarrhal affections, sore mouth, sore throat, catarrhal affections, &c. The only serviceable liver medicine is HEINITZ'S LIVER PILLS. No calomel. They regulate the liver and purify the blood.

The Public Library OF KENTUCKY. SECOND GRAND GIFT CONCERT!

Day of the Drawing Fixed. No postponement from September 28.

TO THE PUBLIC: The Trustees of the Public Library of Kentucky, being satisfied, from the large sale of tickets already made, and the daily increasing demand for them, that there will be no occasion for postponing the second drawing in the Gift Concert in aid of the Public Library of Kentucky, have instructed me, as their agent and manager of the Gift Concert, to say to the public and ticket-holders that the drawing will positively take place on September 29, proximo, and will not be postponed. An active demand for tickets comes from every State and Territory of the United States, and from the Canadas, giving assurance to the Trustees that no circumstances can prevent a drawing at the appointed time.

A sufficient clerical force is engaged to keep up with the orders for tickets, and in order that this office may be relieved of the immense pressure incident to the business for the week or two immediately preceding the drawing, agents especially, and those desirous of procuring tickets, are requested to send in their orders immediately, as sales will have to be closed in time to make the necessary preparations for the drawing. It is the wish of the management to fill every order for a ticket, as well as to sell all the tickets, but those who apply first must first be supplied; and if those who put off buying until sales are closed have their money returned, instead of the tickets ordered, as in the first Gift Concert in December last, when thousands of dollars that came too late were sent back, they will have none to blame but themselves.
