

THE DAILY PHOENIX.

'Let our just Censures

Attend the True Event.'

BY J. A. SELBY. COLUMBIA, S. C., SATURDAY MORNING, OCTOBER 12, 1872. VOL VIII—NO. 176

At the late meeting of the Pioneers of San Francisco, Jasper O'Farrel related the following story, which elicited shouts of laughter: "In '49, I was a lazy ranchero, near the garrison of Pescadero, and used to cultivate the officers there, because they kept better wine than I did. Near us lived two fishermen—Bobby and Jack. One day, Bobby was missed, and eleven days after, Jack fished up his body from the bay. George Jennings and Lient. Derby—better known to the public as 'John Phœnix'—and myself were announced as jurymen by Peter Campbell, the only man besides myself in the whole County who possessed a buggy. After mature deliberation, Derby tore a leaf from a prayer-book owned by Jack, and wrote our verdict as follows: 'We, the undersigned jurors, do find that Bobby was drowned out in the sound, and was not found till eleven days, when his toes and his jolly red nose disfigured him afloat mid the haze.'"

O, THAT I WERE BEAUTIFUL! is the unspoken wish of thousands of women to whom nature has denied the charm of a pure, fresh, transparent complexion. To gratify this wish, HAGEN'S MAGNOLIA BALM was introduced. The cosmetics of the day had been pronounced poisonous by the most distinguished chemists, and it was also found that their ultimate effect was to wither the skin, as well as to paralyze the external nerves. The ladies hailed with delight the advent of a healthful herbal and floral preparation capable of imparting to their faces, necks and arms a porcelain smoothness and a tinge like that of the finest oriental pearl. They soon discovered that it was a "new thing under the sun," incomparable and unapproachable. Unquestionably the MAGNOLIA BALM has been the great toilet success of the present century.

\$1,000 REWARD is offered by the proprietor of Dr. Pierce's Golden Medical Discovery for a medicine that will equal it in the cure of all severe cases of "Liver Complaint," and all diseases arising from impurity of the blood, as Eruptions, Pimples, Blisters, Boils, &c. O1043

One of the Pi-Uto medicine men lately told his fellow-Indians that when he died if they would cut him in pieces, his body would quite and he ascend to Heaven in a cloud of smoke. An experienced savage killed him at once and the crowd cut him up, departing in disgust at the fallibility of science when the parts lay as they were left.

A Chicago colored "gemmen" who was struck on the head with a brick falling from the top of a five story building, looked up to the workmen and bawled out, "Say, you fellahs up thar, ye ain't laying bricks without mortah, are yer?"

Special Notices.

Dr. TUTT'S SASSAPARILLA and QUEEN'S DELIGHT.—No medicine possesses so many valuable and medicinal properties as this combination of Roots, Herbs and Barks. The Queen's Delight is acknowledged by physicians to be the most powerful remedy known for Impure Blood, Liver Complaints, Nervousness, Female Complaints, Constipation, Rheumatism, Diseases of the Kidneys, Syphilitic Affections, Skin Diseases, Chronic Complaints, &c. But in this preparation it is combined with other vegetable products, which renders its virtues doubly valuable. Most diseases have their origin in the blood, and as a Blood Purifier, the Sarsaparilla and Queen's Delight has no equal. It requires but a trial to convince the most sceptical.

For Female Complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, Dr. TUTT'S Liver Pills are an acknowledged remedy.

AMAZING!! "Amazement on My Mother Sits."

SUCH was the exclamation young Hamlet made to his "Ma." upon her return from the GREAT GROCERY STORE of GEORGE SYMMERS. The old lady had been in a good deal of trouble lately, about grocery matters; but wandering a little farther than her wont down town, she happened to step into "SYMMERS'." Purchased her supplies, upon receipt of which, satisfaction so beamed upon her countenance, that young Hamlet (hopeful counsel) let loose the expression used to point the moral of this advertisement. The quantity, quality and remarkably reasonable prices of our goods, invite the patronage of the public. Call, purchase and be convinced; and a word in your ear will be sure to pay for them as goods not worth paying for until worth buying. GEO. SYMMERS.
