

THE TRIBUNE SERIES OF LIBELS.—Regarding the libel suit commenced by Governor Scott against the New York Tribune, the New York Times, of the 10th instant, says: Governor R. K. Scott, the present Governor of South Carolina, has commenced an action for libel against the Tribune in the Circuit Court of the United States, in this city, laying his damages at \$100,000. The libel complained of was published in the Tribune, of September 27, it being an account of an alleged interview with Colonel M. R. Delany. In that article, among other things, Governor Scott is accused of leading the State officers in thefts from the State; of having acquired a fortune of \$2,000,000, all of which he had stolen from the State, and of being paid large sums for approving bills passed by the Legislature. The following letter from Governor Scott shows his motive in bringing the suit:

STATE OF SOUTH CAROLINA,  
EXECUTIVE DEPARTMENT,  
COLUMBIA, S. C., October 1, 1872.  
Hon. Thomas J. Mackey, St. Nicholas Hotel, New York.

Sir: I desire you, as my attorney, to immediately institute in the courts of the State of New York, civil and criminal proceedings against the proprietors of the New York Tribune, for the false, scandalous and malicious libel upon me, published in the issue of that journal of the 27th ult. I have no vindictive motives in this matter, but simply desire to invoke the decision of the court upon the question, whether a public journalist is authorized to pass sentence of outlawry against the character of a citizen, and to nail him up in the pillory of public opinion, without being held responsible in law. I invoke the most searching examination into my conduct, and propose to subject my acts to the most severe legal tests. To that end, I desire the case to be pressed with vigor. I have the honor to be, sir, very respectfully, yours, ROBERT K. SCOTT.

Speaking of the matter, the Tribune says:

Gov. Scott calls upon the Tribune for \$100,000 damages done his character by a publication of the statement of a Grant candidate about him. The Governor is somewhat tardy. If he had been as diligent a reader of the Tribune as he should have been, he would long before this have learned, among other things which we trust would have been for his permanent good, even more accurately than this Grant candidate stated it, the precise estimate in which the majority of his fellow-citizens in South Carolina hold him. We shall be greatly obliged to the Governor, if he will give us an opportunity to bring this libel suit to trial, and trust he has not brought it merely for the political capital which silly people sometimes suppose they can create by bringing suits with a great flourish, which are presently allowed to die out without notice. The people of South Carolina will be very glad to testify concerning Gov. Scott's conduct, and we promise him that they shall be called upon in ample numbers. After that trial is over, nobody will lack material for history of carpet-bagging.

O, THAT I WERE BEAUTIFUL! is the unspoken wish of thousands of women to whom nature has denied the charm of a pure, fresh, transparent complexion. To gratify this wish, HAGEN'S MAGNOLIA BALM was introduced. The cosmetics of the day had been pronounced poisonous by the most distinguished chemists, and it was also found that their ultimate effect was to wither the skin, as well as to paralyze the external nerves. The ladies hailed with delight the advent of a healthful and floral preparation capable of imparting to their faces, necks and arms a porcelain smoothness and a tinge like that of the finest oriental pearl. They soon discovered that it was a "new thing under the sun," incomparable and unapproachable. Unquestionably MAGNOLIA BALM has been the great toilet success of the present century.

\$1,000 REWARD is offered by the proprietor of Dr. Pierce's Golden Medical Discovery for a medicine that will equal it in the cure of all severe cases of "Liver Complaint," and all diseases arising from impurity of the blood, as Eruptions, Pimples, Blotches, Boils, &c. O1043

PROGRESS IN TEXAS.—Texas is an active, pushing and flourishing State. Railroads are projected that will give it the proper facilities for reaching the seaboard, where, in time, increased shipping accommodations will give the wealth of its rich interior Counties to the world. The chief interest of the State will always rest, in all probability, in its agricultural and stock-raising. We notice the formation there, recently, of agricultural, stock-raising and industrial associations, which is a step in the right direction.

J. S. Wilson announces in the Atlanta Herald that he will give one ton of coal at the State Fair as a premium for the fattest baby in the State, to keep the mother warm during the ensuing winter.

Fashionable Dress-Making.  
MISS ANNIE WITVOGEL desires to inform her old customers and the public generally that she will, on THURSDAY next, open a DRESS-MAKING ESTABLISHMENT in the rear of W. D. Love & Co.'s store, under Wheeler's building. Orders solicited and satisfaction guaranteed. Oct 8 11mo

To the Ladies.  
ONE of the worst forms of discoloration of the skin, and of pimples and eruptive faces, is caused by the use of CALOMEL and BLUE MASS. Mercurial medicines are supposed to have a special action on the liver; the theory is erroneous. If calomel is given in repeated doses it produces salivation, and in this condition the liver is badly damaged. The liver is the most important of all the organs of the body; it is the seat of the elements, and will be liable to pimples, blotches, eruptions, dark spots, discolorations, tubercles, sore mouth, sore throat, catarrhal affections, &c. The only serviceable liver medicine is HEINTZ'S LIVER PILLS. No calomel. They regulate the liver and purify the blood. Aug 22
