DR. TURT'S EXpectorant.—The properties of this elegant preparation are demulcent, nutritive, balsamic, heating and soothing. It braces the nervous system and produces pleasant and refreshing sleep. It exhilarates and relieves gloominess and depression. It is the most valuable Lung Balsam ever offered to sufferers from pulmonary diseases.

PERRYVILLE, ALA., March 9, 1869.
Dr. Wm. H. Tull—Dear Sir: For fifteen years, I have been afflicted with asthma. My suffering has been intense. I have been unable to get down for a week at a time. It seemed as if I would choke. I coughed incessantly, and my wheezing could be heard all over the house. I had despaired of ever getting well; but, thanks to your invaluable Expectorant, my attacks are seldom. I can now rest well at night. I believe it will make a permanent cure. Truly yours,
ARTHUR F. McCOY.

Dr. Tull's Hair Dye contains no Sulphur.
