

THE DAILY PHOENIX.

"Let our Just Censure"

Attend the True Event."

BY J. A. SELBY.

COLUMBIA, S. C., THURSDAY MORNING, MARCH 5, 1874.

VOL. IX—NO. 265.

Another Dauphin has been disavowed, the German pretender to the throne of Louis XVI being thrown out of court. There are so many claimants to the French throne, royal and imperial, and there have been so many Dauphins found in all parts of the world, that France is a worse afflicted country than even England with her Tichborne or the United States with body servants of Gen. Washington.

THE CENTENNIAL.—A man named Barnes, now living in Robeson County, was born on the 4th day of July, 1776. If he should be so fortunate as to live until that period arrives, he should certainly be sent to Philadelphia, at the expense of the State, as North Carolina's contribution to the centennial.

An embryo poet, who is certainly a close observer of human nature, remarks: "Time marches on with the slow, measured tread of a man working by the day."

It is getting into the churches. The sexton of a Baptist church, in Troy, has walked off with \$2,000 of the pew rents.

OBSTACLES TO MARRIAGE.—HAPPY RELIEF FOR YOUNG MEN from the effects of errors and abuses in early life. Manhood restored. Impediments to Marriage removed. New method of treatment. New and remarkable remedies. Books and Circular sent free in sealed envelopes. Address, HOWARD ASSOCIATION, No. 2 South Ninth Street, Philadelphia, Pa.—an institution having a high reputation for honorable conduct and professional skill. Feb 10 W3mo

LORICK & LOWRANCE,

Wholesale and Retail Grocers and Provision Dealers.

OUR stock is complete in every respect. We sell at the very lowest prices, and warrant our goods pure. We do not publish prices, but feel satisfied that none of our patrons will leave dissatisfied. We pay the highest market price for COTTON, either in goods or currency. We have an excellent WAGON YARD in rear of our establishment. Look out for the sign of the plow and the carriage wheel, Richardson street, a few doors below the Phoenix office. Give us a call, and inspect our goods and prices.

Seegers vs. Cincinnati Beer. THE Cincinnati Gazette makes the astonishing announcement that Cincinnati beer is no longer pure, but adulterated with molasses, sugar of starch, fuel oil and the poisonous cocchiu. The Commissioner of Agriculture, in his report for 1865, says that Prof. Mapes, of New York, analyzed the beer from a dozen different breweries, and found all of it adulterated. Cocchiu Indicus and nux vomica entered largely into its composition.

J. C. SEEGERS guarantees his beer to be pure and reliable. He does not adulterate it, but brews from the best barley, malt and hops. Jan 23

We have very good Tobacco in Vienna—Turkish and Hungarian, but "Vanity Fair" is the king of all, by its aromatic flavor and the right sort of strength. My friend in New York got an appointment in California, by that reason I apply immediately to you, begging you to send me for the enclosed ten dollars a supply of Vanity Fair, and send with the next steamer to Germany. If there is a German firm that sells the excellent Vanity Fair, I beg you to enclose me the address.
