**GALLANT GEORGIA RAISES HER VOICE FOR CAROLINA—AN EMPHATIC ENDORSEMENT OF THE TAX-PAYERS' MEMORIAL.**—The following preamble and resolutions were introduced in the Georgia Senate, by Mr. Gilmore, and agreed to on Thursday last, and were concurred in by the House on the same day:

Whereas, the tax-paying citizens of South Carolina, in convention assembled, have addressed the morality, the justice and patriotism of the people of the United States, in a memorial to Congress, by which it is made to appear that they are suffering from an organized system of oppression, under the form of a local government, inaugurated amid the chaos of revolution by unprincipled political adventurers, and sustained through the co-operation of their unfortunate dupes, the recently enfranchised negroes; and whereas, this appeal to the people comes to us, citizens of Georgia, who, through Providence, have escaped the tyranny of the oppression which these, our brethren of South Carolina, have so long endured; therefore, be it

Resolved, by the Senate and House of Representatives of Georgia, That the representations made by the memorial of the Tax-payers' Convention, recently held in Columbia, S. C., present a catalogue of outrage and wrong scarcely having a parallel in the annals of Christian civilization, and is an appeal to the patriotism and moral sense of the people of the United States, demanding their gravest consideration.

Resolved, That as the genius of our Republican form of government rests in security only in the virtue and intelligence of the citizen, these cannot be ignored without destroying the safeguards of liberty, and without corrupting the form of government established by our fathers.

Resolved, That we extend our sympathy to the good people of South Carolina in the ordeal through which they have been called to pass; and while we cannot but admire the spirit and forbearance and fortitude with which they have endured these outrages and suffered these wrongs, we condemn the perpetrators thereof as being responsible for the material ruin of a gallant people and the overthrow of the Republican government of a great State.

Resolved, That our representatives in the Congress of the United States be requested to co-operate with the delegates from the "Tax-Payers' Convention," of South Carolina, in securing such representation of their grievances, and remedy thereof, as may be deemed expedient.

Resolved, That his Excellency the Governor be requested to transmit these resolutions to the President and members of the "Tax-Payers' Convention," of South Carolina.

**A SON OF A CAROLINIAN IN PARLIAMENT.**—At the recent election for Parliament in Great Britain, Thomas Cordes, Esq., was returned by a handsome majority from the united boroughs of Monmouth, Newport and Usk, as a Conservative. The parents of Mr. Cordes were both South Carolinians.

**Seegers' vs. Cincinnati Beer.**

THE Cincinnati Gazette makes the astonishing announcement that Cincinnati beer is no longer pure, but adulterated with molasses, sugar of starch, fuel oil and the poisonous, etc. etc. The Commissioner of Agriculture, in his report for 1865, says that Prof. Mapes, of New York, analyzed the beer from a dozen different breweries, and found all of it adulterated. Cocculus Indicus and nuxvomica entered largely into its composition. J. C. SEEGERS guarantees his beer to be pure and reliable. He does not adulterate it, but brews from the best barley, malt and hops. Jan 23
