

"Let our Just Censures

Attend the True Event."

BY JULIAN A. SELBY.

COLUMBIA, S. C., WEDNESDAY MORNING, OCTOBER 21, 1874.

VOLUME X—NUMBER 182

Mr. Editor: We send you the ticket which we believe will be earnestly supported by all good and true men in Richland County...

MANY CONSERVATIVES. THE HONEST PEOPLES' TICKET. For Senator, JOHN C. SEIGERS...

A RELIC OF CHARLESTON.—Mr. John S. Bird, of Laurens, has in his possession a palmetto flag which is said to be the first palmetto flag hoisted in the harbor of New York...

THE ENORMOUS DEBT OF THE CITY OF NEW YORK.—Comptroller Green has just published a statement setting forth in detail the nature and amounts of the bonded and other debts of the city of New York...

PACKING THE NAVY YARDS.—There is great activity in the navy-yard at Portsmouth, Va. Congressman Platt is very anxious to get back to Congress...

PROBABILITIES.—Eclipses, the return of comets in their erratic courses, and the transit of Venus can be calculated...

Significant: Shrewd operators in Arkansas are purchasing all the State scrip offered for sale in Little Rock...

A NOVELTY.—The Baltimore Sun says the Chattanooga Convention was the first specimen of a public assemblage of "thieves, defaulters and adventurers."

It is a fine point which General Kershaw makes against cartridge-box Wallace, his opponent for Congress in the Greenville District of South Carolina.

APPOINTMENTS FOR CONSERVATIVE CANVASS FOR FOURTH CONGRESSIONAL DISTRICT.—Lancaster, October 22; Camden, October 24.

Judge Doolittle, of Wisconsin, in an address to the law students at Madison, said that he who in name of the profession would stir up strife, encourage litigation for any purpose...

Hon. Lewis E. Parsons, who presided over the Outrageous Convention, is the same man who, in 1863, opposed the reconstruction acts and negro suffrage so bitterly.

The posting of the books by the new authorities of the District of Columbia bears out the worst of previous statements. The late Board of Public Works, Boss Shepherd, so to speak, has spent \$37,000,000 in improving Washington...

UNDER MARCHING ORDERS.—Company H, First Artillery, stationed at the Citadel, are under marching orders, and will leave this evening for temporary duty at Hamburg, S. C.

COTTON.—A Columbus (Ga.) negro, at a Radical meeting, the other day, told his black friends that if things didn't go right this fall, they must "resolve never to raise another crop of cotton in Georgia."

A cargo of railway iron sunk with the schooner "Tiffany," on Huron lake, sixteen or seventeen years ago, was raised recently by the Western Submarine and Wrecking Company...

The postal telegraph scheme is practically dead. Postmaster-General Jewell, who has witnessed the operations of the system in Europe, is not very much taken with it...

During a secret session of a Chicago board of commissioners, one of the members was astonished to see an anger-tip projecting through the carpet, and upon an examination, found that a party of reporters had bored through from the cellar for the purpose of hearing what was said.

The Ross case has almost reached its distressing climax in the insanity of Mr. Ross, and now we hear of another kidnapping affair in New Jersey, which is equally as painful.

An appeal in behalf of William M. Tweed was made before Judge Brady recently. It was a technical objection to the sentence, and, if sustained, will probably have the effect of shortening his imprisonment.

Some enterprising wasps started a nest over night in the trousers of a boarder at a St. Paul hotel, and when the gentleman thrust his leg through the next morning, the whole town wasn't large enough to hold him.

"God bless all men, and help me to be true and brave and kindly and cleanly, and keep me sound enough to earn my daily bread," is the whole creed of a New York reformer—and it is a good one.

Significant: Shrewd operators in Arkansas are purchasing all the State scrip offered for sale in Little Rock, in anticipation of a Democratic victory there this fall...

The monthly average of new members baptized in Mr. Spurgeon's church, London, is fifty, and the present number of communicants over 4,000.

Twenty-one girls of Kenosha, Wis., have "resolved, that if the young men won't come and see us, we will go and see them."

An interesting discovery of a life-sized female bust in pure silver has lately been made at Heroulanseum.

APPOINTMENTS FOR CONSERVATIVE CANVASS FOR FOURTH CONGRESSIONAL DISTRICT.—Lancaster, October 22; Camden, October 24.

County assessments, to aid in defraying the expenses of the canvassers of the Independent Republicans, should be forwarded by express, and not by mail. WM. WALLACE, Acting Chairman.

All Conservative papers in the State, please copy.

A Kerosene that Will Not Explode!

ALADDIN SECURITY OIL is offered with the confidence that it will prove itself equal, if not superior, to any burning oil that has been offered to the public.

It is perfectly safe for use in all Coal Oil or Kerosene Lamps, and as its name indicates, will give all who use it perfect "security" in doing so.

Aladdin Security Oil will burn longer, have much less smell, and not crust the wick, and will be found to be very economical, to say nothing of the entire "security" in its use.

MUSIC BOOKS FOR SCHOOLS.

AMERICAN School Music Readers

In 3 Books. By L. O. Emerson and W. S. Tilden.

IN Book 1, which is for PRIMARY SCHOOLS, I have a 3 years' course of study, very plainly laid out, with abundant directions to teachers, and a large number of sweet songs, for the little ones to sing by rote and by note. Price 35 cents.

In Book 2, the course above indicated is continued, and becomes a little more theoretic. The book is fitted for the use of the younger scholars in Grammar Schools. Price 50 cents.

In Book 3, part singing is introduced, and the ear is trained to harmonic singing. For Higher Classes in Grammar Schools. Price 50 cents.

The music in these charming and useful books was selected and arranged by the practiced hand of Mr. L. O. Emerson, and the theoretic part has been well tested by Mr. Tilden before placing in the Readers.

For High Schools, nothing succeeds the above Readers better than "THE HOUR OF SINGING," (\$1.00), already in extensive use. If that has been used, try "CHOICE TRIOS," (\$1.00), a collection of the best 3 part music.

The new Singing School Book, "THE SONG MONARCH," (75 cts.), is attracting general attention as one of the Best Books ever made for Singing Schools.

The above books sent post-paid on receipt of retail price. OLIVER DITSON & CO., Boston. CHAS. H. DITSON & CO., 711 Broadway, N. Y.

HEINITSH'S

Standard Family Medicines.

A N experience of forty years, and endorsed by the highest professional skill in the country, DR. HEINITSH'S FAMILY MEDICINES are compounded with great care, expressly for family use.

The public have, therefore, a guarantee that the formulas of these Medicines are based upon strictly scientific principles, by one thoroughly acquainted with the medical qualities and effects of each ingredient, and of their combined influence when chemically united.

I can, therefore, recommend these preparations with the greatest confidence, being fully persuaded from past experience that they will give GENERAL SATISFACTION. The use of these "Family Medicines" is not confined to the illiterate and credulous, for innumerable persons of intelligence and character, occupying the most prominent stations in society, too honest to impose upon others, and too sagacious to be imposed upon themselves, not only use, but recommend them in the highest terms of praise, for the uniformity of their success in subduing diseases.
