NOTICE OF APPOINTMENT OF FERTILIZER FACTORY COMMITTEE.

In accordance with the action of the citizens' meeting Wednesday night last, I hereby appoint the following named gentlemen as an executive committee to manage and promote the establishing of a fertilizer factory in Ocala:

G. M. Wells, R. B. McConnell,
W. N. Camp, B. H. Gibbins,
Geo. Close, Chas. S. Clarke,
J. M. Graham, Alex. McIntyre,
D. W. Davis, O. G. Finch.

I have taken the liberty of enlarging the committee to ten after conversation with several gentlemen who are working for the success of the enterprise. Five members is considered too small a committee.

The committee will later on appoint sub committees.

JOHN G. REARDON,
Aug. 23, 1895. Chairman.

NARROW ESCAPE.

Two young men were rescued by an old negro fisherman three miles off the beach at St. Petersburg on the 21st of this month.

They were almost dead from hunger and fatigue, and were helpless, lying down in the boat.

They left Apalachicola July 10 in a small skiff and neither had any knowledge of its management. How they got so far and escaped death is a miracle.

With proper care and attention they revived, and to the kind people of St. Petersburg they told their sad tale.

Their names are Trask and Davidson.

CARD OF THANKS.

The champion hose company of Florida (Marion Hose Company, No. 1, of Ocala) hereby tenders to the enterprising and generous firm of R. B. Mitchell & Co. their cordial appreciation of the liberal contribution from sales of ice cream and soda water Aug. 22, to assist in defraying our expenses to the international tournament at the Atlanta exposition.

N. K. WILLIAMS, Foreman.
GEO. D. COURTNEY, Captain.
D. H. MILLER, Secretary.

Hose Company No. 4 made a good run last night with ten members present. Two of their best men were in the country. One of them, however, remembered his team by sending them a big box of scuppernong grapes.

Figures do not lie. Multiply \$36 by 7 and you have \$500—provided you invest seven times, thirty-six with the Covenant Building and Loan association. Ask M. M. Little about it.

Marion Hose Company No. 1, the state champions, will run tonight. Look out for a fine run. The boys had "Nancy Hanks" on exhibition yesterday in front of Dr. Mitchell's, and it brought up old recollections, which will stimulate them to greater exertions tonight.

Rev. J. P. Hilburn, the new pastor appointed to the pulpit of the Methodist church, arrived here yesterday and will preach Sunday morning and evening. He is one of the leading ministers of the Methodist church, and we feel safe in saying that he will give full satisfaction to his new charge. Come out Sunday, everybody, and hear him.
