It is said that there is a man in Hernando county who is so cranky over the silver question that he digs up all the goldenrods and marigolds, raises white corn, won't speak to his wife because she has golden hair, is forever denouncing the gold cure, won't keep the golden rule, and don't want to enter the golden gates. — Brooksville Star.

## ON EXHIBITION.

The Thousand Dollar Championship Belt.

The \$1000 gold jewel championship belt, given by the Cotton States Exposition at Atlanta to the champion hese company, arrived in the city Saturday evening and Chief Carlisle placed it on exhibition Sunday morning in J. A. Rowell's show window, where it is shown to great advantage, having for a background the beautiful photographic scene of the bathers on the beach in front of the Hotel Coquina, Ormond, Fla., and has been gazed at by thousands of eager eyes during that time.

The belt will leave here tomorrow, so those who wish to see it should use no time in doing so.

We will not attempt to describe it in detail, as a full description has been given in other local papers. Go and see for yourself. Your most sanguine expectations will not be disappointed.

Ocala should feel highly complimented upon the belt being sent here, as only a few cities have been so honored.

After seeing this beautiful prize, our boys will exert themselves to the utmost to bring it back to stay.

## ON TO FLORIDA.

The Atlanta exposition will draw many people to Florida earlier than usual. Being so near while visiting the wonderful exposition, they will run down to take a peep at Florida.

## DISSOLUTION NOTICE.

The copartnership heretofore existing between Massey & Sparkman in the cross tie business has this day been dissolved by mutual consent and said Sparkman will continue in the business.

This Sept. 9, 1895.

S. W. SPARKMAN.

## PEARY RETURNS.

Lieutenant Peary and party reached St. Johns, Newfoundland, on their return trip Sept. 21, without having penetrated any farther north than on the previous trips. The exploring party experienced great suffering from lack of food.

The Metropolitan Band Orchestra, composed of ten pieces, was organized yesterday and will practice regularly from now on. Our people may expect to hear some sweet music from them in the near future. The orchestra was organized yesterday on account of the difficulty of getting the members together on a weekday.

## CHEWING THE RAG.

The F. C. & P. and the street railway came into collision last night.

The F. C. & P. was putting down a side track, which crossed the street railway on Exposition street, and Herbert Anderson, in behalf of his company, had two of the men, David E. Collins and Geo. H. Carter, arrested.

They were before the mayor this morning on charge of violating the city health ordinance by excavating, but were discharged.

And the end is not yet.

## ENCOURAGING REPORTS.

R. T. Hyman, the popular traveling salesman for Frank E. Block's candy and cracker house, of Atlanta, is in the city, and in conversation with a STAR man this morning said that his business was picking up and that his orders were very satisfactory. He also said that his fellow traveling men told him that business was picking up in their several lines—that the Florida trade was very good.

## THEY ARE COMING.

The conductors on the different trains coming into Ocala say that they have been moving a good many northern people of late, and that travel is unusually heavy for this time of the year, both on our roads and the east coast lines.

From present indications the travel to Florida this winter will be up to that of last winter.
