Special to the Star

London, April 10.—A telegram from Aliwal North says:

General Brabant's colonial troops fought all day yesterday and resumed this morning. Several Boer commandoes are hurrying to the scene. The colonials silenced the Boer cannon yesterday. The Boers are trying to swing around and cut the railway between Bloemfontein and Cape Town. If they succeed, Roberts' army will be in a tight place.

School Matters

The important subject of who are to be our school trustees for the next two years is now on the carpet and will be decided April 19, when an election will be held in Ocala for that purpose. No more important subject can occupy the attention of our people. Citizens, think of this vital question seriously. The old trustees have done well, especially Mr. Benjamin, but we do not know if they would serve another term.

Carmichael Re-Elected

The Ocala fire department held a well attended business meeting last night at the fire station and elected the following officers to serve for the ensuing year: Chief, C. Carmichael; first assistant chief, Tom Harris; second assistant chief, F. O. Reagan; fire marshal, Charles Witzig; secretary, P. V. Leavengood; and treasurer, P. B. Dukes.

The re-election of Chief Carmichael was a source of rejoicing among the firemen. He takes more interest in and spends more of his own money for the good of the department than any man who has ever held the position.

J. M. NEELY,

MERCHANTS' BLOCK, OCALA, FLA

The colored Baptists of Florida, some 50,000 in number, have, for a week past, held their annual convention at Fernandina. Rev. J. N. Stokes of Live Oak, editor of the Florida Baptist Herald, preached the convention sermon. He is the only surviving member of the original council of preachers that, thirty-five years ago, met and planned for the organization of the colored Baptist church in Florida and established its first church.

Robbed the Grave

A startling incident, of which Mr. John Oliver of Philadelphia was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents. Guaranteed at Garrett & Gerig's Drugstore, Ocala.
