THE FIRST MEETING

Of the Newly Elected Ocala Subschool District Trustees

The trustees met yesterday afternoon at the office of Judge W. S. Bullock and organized permanently by electing Judge Bullock chairman, C. L. Bittinger secretary and Simon Benjamin treasurer.

The last Friday afternoon before the first Monday of each month was selected as the time for the school trustees to hold their regular meeting. Place Judge Bullock's office.

Mr. Benjamin reported that County Treasurer Griffin had paid to him \$1190 of district money, and Treasurer Benjamin was authorized to pay over to the Board of Public Instruction of the county \$1000 on an indebtedness due them from the Ocala district.

The following bills were audited and the treasurer will draw checks for the same:

Star, for publishing trustee election notice and program for high school commencement, \$14.20; \$8 for services in holding trustee election, namely, E. W. Craybill, W. L. Ditto, J. L. Lancaster and C. L. Sistrunk; W. K. McDonald, printing election tickets, \$1.50; Rheinauer & Co., ribbons, 30 cents; Ovel & Kester, Indianapolis, Ind., \$15 for diplomas for graduating class.

The bill of \$6 to Registration Officer D. M. Barco for preparing a poll tax list was referred, as the board thought his salary provided for the work.

The secretary was authorized to secure stationery for the board and he was also requested to return checks sent by the comptroller made payable to the old subschool district trustees, and ask that he issue new checks for the same amount, payable to the new board.

On motion of Mr. Benjamin, the secretary was requested to write the state comptroller, asking that all money due the Ocala subschool district, in the future, from redemption of land tax certificates, be remitted direct to the board.

Communications were received from B. F. Hartwell, principal of Howard Academy, colored, suggesting slight alterations and repairs on that building, and from Professor Griffin, late principal of the Ocala High School, with kindly suggestions for the good of the school. Referred for information.

The following applications were filed for the principalship of the Ocala High School: J. W. Reid, head of the grammar department; P. Wilson Green, principal of the Bellevue school; J. T. Mallicoat, principal of the Harriman, Tenn., high school; E. S. Bathrop, principal of the Westville, Fla., high school; W. H. Rouse, educator, Castle Hall, Tenn.; I. L. Himes, principal Palatka school; Henry Richards, principal Lake City school; C. V. Wauhatch, University of Alabama; W. T. Gary, assistant to the principal, Ocala High School; Oliver M. Given, assistant to the principal of the Summerlin Institute, Bartow, Fla.

The recommendations accompanying most of the applications are so voluminous that it was deemed best, for their careful reading and consideration and to do justice to all applicants, especially as several desired to have a personal interview with the board, that the question be deferred until Friday, June 1st, when such applicants as desire (the matter resting entirely with them) can be present.

The remainder of the session was devoted to selecting and recommending as teachers to the county board for appointment the following persons.

ICE CREAM

A large or small quantities for the entertainment of many people or the pleasure of an individual.

And there is no uncertainty about its quality. It is the best that can be produced by skilled hands from fresh, pure and rich country cream and high grade fruit flavors.

We serve pure fruit flavors from our fountain. All of the latest drinks. Dame, the Cream Man.

A MAN MIGHT

Buy a very ordinary article for himself, but when it comes to confectionery that he wishes to present to some one, the very best is hardly good enough. A single trial of our candies will easily prove that they are good enough for the most pampered taste.

Money and experience cannot make better confectionery than we sell, and you can always get it fresh. T. W. TROXLER.

all old teachers in the school: Misses Nellie Stevens, Fannie Clark, May Turnley, Hattie Dye, Mrs. M. T. Turner and W. T. Gary.

The following former teachers also filed their applications, but time was not found to act on them: Misses Irma Porter, Miriam Pasteur and Sarah Bull.

New applicants: Misses Yancey, Lizzie A. Turney and Mattie A. Layne, also the old teaching force of Howard Academy.

At a late hour the board adjourned to meet Friday, June 1, at 4 p. m., at Judge Bullock's office, not, however, without taking steps to perfect the trustees' bond for \$2000 for the safe handling of the funds to come into their keeping for disbursement.

BROTHER HARRIS,

Produce the Proof or Take Water

The statement in this week's Banner that Rev. J. C. Porter has been advocating Judge Beggs for governor in the Baptist Witness is absolutely false. And we challenge Mr. Harris to produce the proof or make retraction. The editor of the Star is in a position to know that Judge Beggs has never received any editorial notice in the Witness in connection with the governorship. Mr. Porter has been a straightout Jennings man from the start.

AT THE BAZAR

Hats! Ladies' Sailor Hats! We have just received direct from the manufacturer the latest styles and shapes in all kinds of Ladies' Straw Sailor Hats, the smooth and the rough straw, and are now offering them at half their actual worth. A large assortment of Gents' Straw Hats, the 50c and 75c kind, at 25c. A visit to our store will convince you. Call and see them. The Ocala Bazar, F. P. Gadsden, Superintendent.

LOST

An Egyptian Medal—On one side has figure of the Sphinx, with blue background; the reverse side is red. A big reward will be paid for its return to the Star office. Was lost Monday on the streets of Ocala.

SOLID OAK GOLDEN OAK FINISH With or Without Water Tank

With White Enamelled Provision Chamber. With Nickel-Plated Provision Chamber. With White Enamelled Provision Chamber and Tank. With Nickel-Plated Provision Chamber and Tank.

"Odorless" is the only refrigerator that will keep food free from contamination. Fresh food will not taint nor spoil by absorbing the smell of odorous fruits and provisions, as invariably occurs with other so-called refrigerators.

"Odorless" is built strictly upon scientific principles, and consequently is a Scientific Preserver of Food. The circulation of air is so perfectly arranged that odors are carried off and out and do not come in contact with the ice as in all other Refrigerators.

If you are in need of a Refrigerator, or if yours is old and unsatisfactory, call and see our stock of "Odorless" even if you do not care to buy now it will interest you.
