Two colored boys, Sylvester Willis and Theodore Parker, were tried for fighting. Both were found guilty by the jury. Parker was dismissed by Justice Crawford on account of his tender years, and the promise of his father to paddle him good, and Williams was sentenced to pay a fine of \$5 and costs or serve thirty days in jail.

Willie Wright and Solomon Bellamy were before Justice Crawford Tuesday afternoon for stealing a bicycle from Farris & Dorsey. The wheel was taken several weeks ago, by breaking a pane of glass out of a window. Tuesday it was offered to Will Condon for 75 cents and the price aroused his suspicions. The little negro Bellamy brought the wheel to sell and Condon had the reputed owner called. Wright was found guilty and Bellamy discharged.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,
