There Will be No Joint Reunion at

New Orleans, La., Feb. 1.—An official statement that there will be no joint reunion of Confederate and G. A. R. veterans at the next annual Confederate reunion in June at Birmingham, Ala., was issued here last night by Adj. Gen. Wm. E. Mickle, of the Confederate Veterans. Gen. Mickle said that the proposed joint reunion is impossible under the terms of the Confederate Veterans' constitution.

A JUST DECISION

By a Georgia Court that a Common
Carrier is Bound to Provide
Passengers with Seats

Atlanta, Ga., Feb. 1.—"We think that it may be one of the duties of a common carrier in the exercise of the extraordinary diligence imposed by law to furnish its passengers with seats," is the interesting expression in a decision handed down by the state court of appeals in the case of Dr. Oscar Lyndon of Atlanta against the Georgia Railway and Electric Company. Dr. Lyndon was thrown down by the sudden jerking of a car and sued for damages. One of his contentions was that he had paid his fare and should have been provided with a seat, which would have made the accident impossible. This was stricken out by the lower court, as a result of which the court of appeals reversed its decision.

ROOSEVELT'S SPECIAL REQUEST

Washington, February 1.—President Roosevelt yesterday transmitted a special message to Congress, dealing largely with the employers' liability act, which he advocated. His message had much to say in behalf of employees of the government, and urged a bill providing a compensation for those injured while in service.

The president also gave considerable attention to the trusts and declared that wealth acquired by fraud was a great evil and should be corrected.

Foley's Honey and Tar cures the most obstinate coughs and expels the cold from the system as it is mildly laxative. It is guaranteed. The genuine is in the yellow package. Sold by all dealers.

CLOSE OF AN
ITALIAN COURTSHIP

Dominic, Dying from a Dagger Thrust,
Sent a Bullet Into Mary's
Heart

Pittsburg, Pa. Feb. 1.—A lover's quarrel at Ambridge, near here, last night ended in the death of both, each inflicting a fatal wound upon the other.

The victims were Mary Cozzini, 16 years old, and strikingly beautiful, and Dominic Polcina, 25 years old. Their courtship began in Italy and he came to America three years ago to prepare a home, sending for the girl last October.

Polcina is said to have been jealous, and when she delayed the wedding from time to time, he became frantic. Last night he visited the girl at the home of her sister. They talked a few minutes and the girl fled from the kitchen to her own room. Polcina followed and broke open the door. A struggle followed.

An instant later there was a shriek and a heavy body fell. It was that of Polcina. A delicate, keen-edged knife the girl was known to have kept in her room, was fished near him. The blade had been thrust into his ear, piercing the brain. He died a moment or two later.

Just as he fell Polcina fired a shot from his revolver and the bullet entered the girl's side. She ran from the room and fell on the kitchen floor.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.

A SIGNIFICANT OFFERING FROM OSLER

Detroit, Mich., Feb. 1.—Two bottles of chloroform, one each for Delos Fall of Albion and his twin brother, Dewitt Fall, of Jackson, was the significant gift of Dr. Osler for the sixtieth anniversary of their birth, which they celebrate today. However, neither will shuffle off according to the Osler theory, for both are men of vitality and large business affairs. Delos Fall is an ex-superintendent of state education and now is senior professor in Albion college and a delegate to the constitutional convention, where he is taking a leading part in the deliberations of that body. Dr. Osler long has been a friend of the Falls, and of course they look upon his present as a joke.
