

# Do You Think For Yourself?

Or, Do You Open Your Mouth Like a Young Bird and Gulp Down Whatever Food or Medicine May be Offered You?

If you are an intelligent, thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true, honest medicine of KNOWN COMPOSITION, sold by druggists for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible indorsement of the leading and standard authorities of the several schools of medical practice, are not afraid to print, as they do, the list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, so injurious to delicate women even in small quantities when long continued. Neither does it contain any narcotics, or other harmful, or habit-forming drugs and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famed medicine is advised by its manufacturers.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of the several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration? It certainly is entitled to far more weight than any number of non-professional, or lay testimonials. A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve-line "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability,

nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the female system. It induces refreshing sleep and relieves mental anxiety and despondency.

If a woman has bearing down, or dragging pains, low down in the abdomen, or pelvis, backache, frequent headaches, dizzy or fainting spells, is nervous and easily startled, has gnawing feeling in stomach, sees imaginary floating specks, or spots before her eyes, has melancholia, or "blues," or a weakening disagreeable drain from pelvic organs, she can make no mistake by resorting to the use of Dr. Pierce's Favorite Prescription. It will invigorate and tone up the whole system and especially the pelvic organs.

No woman suffering from any of the above symptoms can afford to accept any secret nostrum or medicine of unknown composition, as a substitute for a medicine like Dr. Pierce's Favorite Prescription, which is of known composition and has a record of over forty years and sells more largely to-day than ever before. Its makers withhold no secrets from their patients, believing open publicity to be the very best guaranty of merit.

Dr. Pierce invites all suffering women to consult him by letter free of charge. All letters of consultation are held as sacredly confidential and an answer is returned in plain sealed envelope. Address: Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. They are the original Little Liver Pills having been put out for sale by old Dr. Pierce over 40 years ago. Much imitated, but never equalled. One to three a dose. Tiny sugar-coated granules; easy to take as candy.

Dr. Pierce's Golden Medical Discovery is a most potent alterative, or blood-purifier, and tonic, or invigorator, and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous diarrhea), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in affecting cures.

## WIND'S WILD WORK Six Persons Killed and Much Property Destroyed in Mississippi

Wesson, Miss., Feb. 1.—Six persons were killed and several probably fatally injured yesterday as the result of a cyclone which laid waste for nearly twenty miles, a strip of land almost a mile wide just north of here. Nearly every building in the area covered by the storm either was partly or wholly destroyed and scores of dead farm animals were left in its track.

### He Always Remembered.

A smile lurked at the corners of Mrs. Lombard's mouth as she listened to the plaint of the school friend whom she had not seen for more than ten years. "I'm afraid, dear," she said, "you'll have to reconstruct some of your plans. You see, I married a forgetful man too."

"Why, you told me not ten minutes ago that your husband had never yet forgotten your birthday or your wedding anniversary," cried her friend, "and you told me you'd been married nearly eleven years! That's ever since the year after father took us all abroad."

"Yes," said Mrs. Lombard demurely, "I have. That's a long time, isn't it? But, you see, one thing was in my favor—I was born on the Fourth of July. Mr. Lombard couldn't very well forget the national holiday. And as soon as I'd found out how forgetful he was I decided to be married on another holiday."

"I suppose as you were abroad you didn't realize that the date of my wedding was unusual—people aren't often married on the 22d of February, I think. But, you see, by a little judicious planning I've been saved the necessity of reminding him about our anniversary."—Youth's Companion.

### Sweetly Thoughtful.

The De Jones back lawn was a lawn in name only. It was really an arid desert—bald, so to speak—and in dry weather it was always as dusty as a motor track. To the astonishment of Mrs. De Smythe, who lived next door, she one day saw her devoted husband turning the garden hose upon the De Jones' "lawn."

"Well, I never!" she exclaimed. "I'm sure I wouldn't trouble to lay the dust in the De Jones' back yard, John, especially as they are such a hateful lot of gossipers. Small thanks you'll get for your trouble anyway."

Hubby turned to his better half with a smile which told of mixed pleasure and vindictiveness.

"That's all right, my dear. Their darling little Eldo was washed snow white this morning. Now he's out there rolling about like a barrel and rubbing the mud well into his fleecy coat. Trust your husband, my sweet, for real, unadulterated thoughtfulness!"—London Scraps.

### HOWARD ACADEMY

Just now the teachers and pupils of Howard Academy are manifesting a lively interest in the movement now taking shape to raise money for a manual training building for the academy. The auxiliary board of education, composed of some of the leading colored men of the town, acting through its president, Dr. W. P. Wilson, has commissioned the teachers as a body to assist in the work by supplementing the efforts of a selected committee of citizens appointed some time ago to raise the necessary funds.

It seems to be the general plan of the board to persuade the patrons first to raise one or two hundred dollars on their part as an evidence of their willingness to help themselves before seeking or expecting aid of others, and there seems to be no doubt of getting the money, if only the committee will go after it in earnest. As an evidence of the people's readiness to help the work it needs only to be noted that the mothers of the sixth grade, seeing the need of a work table for the girls of the sewing class, promptly donated, through one of their number—Mrs. C. B. Crooks—a nice, new oak table,

well suited to the purpose and much admired by both teacher and pupils. And it is known that others stand ready to give money whenever called upon.

With such assurances of the public's goodwill the teachers, while using their own private endeavors, will shortly call upon all the patrons to help along a cause in which all should manifest special interest and pride.
