Governor Hughes Says Fining the
Trust Magnates is Equivalent to
Fining the Common People

Chicago, Feb. 24.—Governor Hughes, of New York, addressed the Union League Club's meeting to commemorate Washington's birthday Saturday. He declared himself in favor of a governmental policy that would prevent discriminating rates and allowances, which preclude equal access to the markets for all industries and against the misuse of large aggregations of capital in unfair competition. He declares fines upon corporations, particularly large corporations with monopolistic powers, to be unjust, because they are easily transferred upon the public or upon the stock holders.

RAILROADS WILL NOT REDUCE WAGES OF WORKMEN

Such is the Assurance Given by the
New York Central and Other
Great Lines

New York, Feb. 24.—As the result of a meeting here to consider reports that a general cut in wages is threatened among railroad employees, the members of the committee of nineteen, representing the various railway brotherhoods, are greatly encouraged. When they leave here, they expect to bear assurances to the members of the various unions that, on the great majority of railroads at least, no reductions are to be feared. In addition, declaration was made to the committee by President Newman, of the New York Central, that no reductions are contemplated by that system. It is intimated that assurances have been made to the committee by the heads of other Eastern roads that a similar policy will obtain.

SOMEWHAT OF A SENSATION

Caused by a Verdict for Damages in
Favor of an Ex-Convict

Rome, Ga., Feb. 24.—R. A. Keith, an ex-convict, who served a sentence for murder, obtained a verdict of \$2,000 damages in the Walker superior court Saturday against the Durham Iron Co., for alleged mistreatment while working in the company's camp near Lafayette, Ga. Keith was leased to the defendant company by the state penitentiary and State Warden Goode testified that in addition to pay from the state he received a salary from the convict lessees. The verdict caused a sensation.

POLICE FOILED THE PLAN

Of the Members of the Black Cross
Society to Have Another Royal
Funeral in Portugal

Lisbon, Feb. 24.—The Lisbon secret police have seized papers disclosing that another regicide plot is in process of incubation.

The conspiracy is attributed to the so-called "Black Cross Society," a revolutionary organization, including the members of the aristocracy and men high in official posts.

Many arrests are being made and extraordinary precautions are being taken to test the loyalty of every one near the king.

WASHINGTON'S BIRTHDAY SOUTH OF THE EQUATOR

Peruvians Honor the Memory of the
Man Who Made Their In-
dependence Possible

Callao, Peru, Feb. 23.—A magnificent banquet was tendered officers of the American battleship fleet here Saturday night by President Pardo in honor of Washington's birthday. Much warmth and enthusiasm was displayed. The president made an eloquent speech, eulogizing the fleet and the ability of its navigating officers, to which Rear Admiral Thomas responded in behalf of Rear Admiral Evans.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.
