**WISHED SHE
COULD DIE**

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework.

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

Birthday Parties

In entertaining her young guests Mrs. Clarkson was assisted by Miss Lillian Clarkson, Mrs. M. C. Juhan and the two kindergarten teachers, Misses Mary Gates and Frances Rowley. The veranda breakfast room where the little folks assembled had been transformed into a woodland bowery, vines, palms and hanging baskets being used. Sweet peas and roses were clustered prettily on the table. Ice cream, cake, lady fingers and candies were served. The birthday cake bore four candles and each guest was permitted to cut a slice.

Master Harry was the recipient of many birthday remembrances bearing happy returns of the day and best wishes for many more birthdays from his friends.

Mr. I. V. Stevens of Lakeland spent last night in the city with Mrs. Stevens, who is the guest of her uncle and aunt, Mr. and Mrs. B. A. Weathers.

Mrs. A. L. Islar returned home today from the hospital where she underwent an operation last week.

Misses Bertie and Geneva Coggins, of Weirsdale, passed thru the city today on their way to Jacksonville, where they will spend the coming two weeks visiting friends. They paid the Star office a much appreciated call during their stay in Ocala.

BLOOD WILL TELL

Paris, Feb. 24.—Many young men have been lost in France by the fact that their blood was out of order and impure when they started out in this campaign as soldiers at the front. Many of them never reached the battle field because they were taken sick in camp, due to stomach and bowel troubles, and with blood powerless to resist. Young men and old men in America should be just as watchful of their blood to see that it is pure, that their stomach is acting well and the liver active.

It takes lots of vitality, nervous force and strength to win a race. The blood must be pure and good.

Keep the nerves nourished, the heart strong, the head cool, the stomach vigorous, the liver active with a tonic which has stood the test of time and has a wide reputation, such as Dr. Pierce's Golden Medical Discovery. It is the world's greatest Blood Purifier; it enters joints, dissolves the impure deposits and carries them out as it does all impurities, through the liver, bowels, kidneys and skin. If you have indigestion, sluggish liver, backache over the kidneys, nasal or other catarrh, unsteady nerves or unsightly skin, get Dr. Pierce's Golden Medical Discovery today and start at once to replace your impure blood with the kind that puts energy and ambition into you and brings back youth and vigorous action.
