## TEUTON SUCCESS IS NOW AT HIGH TIDE

### In Poland and Galicia They Have Overwhelmed the Russian Armies

#### ONLY THE BEST OF GENERALSHIP CAN SAVE GRAND DUKE NICHOLAS' FORCES FROM ANNIHILATION

(Associated Press)

London, Aug. 6.—The Austro-German onslaught is at high tide in the east. They have captured Warsaw and Ivangorod and the fall of Riga, the capital of the Baltic provinces is imminent.

#### A SEMI-AUTONOMOUS POLAND

The next step will be the German Emperor's triumphant entry to the Polish capital. The pronouncement of an united, semi-autonomous Poland, embracing the Austrian crown land Galicia, as well as, the territory wrested from Russia, will likely follow the entry.

#### RUSSIAN ARMIES FACE GREAT PERIL

The position of the Grand Duke Nicholas and his army is a matter of solicitude. The occupation of Warsaw is believed to be a prelude to enveloping the retreating forces. Petrograd reports show that the grand duke has retired to the right bank of the Vistula, destroying the bridges and is contesting the German advance across the river. The vast morass of Central Poland, back of the retreating Russians, makes quick movement of men and guns impossible.

#### IVANGOROD ALSO TAKEN

Berlin and Vienna both report officially the fall of Ivangorod.

#### PLANS OF TEUTONS REGARDING POLAND

A series of important events, being arranged following the fall of Warsaw, are attracting attention. First, the selection of a German governor, who reports indicate will be a German prince or an Austrian archduke, who will have authority akin to that Napoleon gave his brothers and marshals in the captured territory.

The next move of the Germans is causing speculation. Some think they will dig themselves in and merely defend their positions.

#### OFFICIALLY ANNOUNCED

Vienna, Aug. 6.—The occupation of Ivangorod by the Austro-German forces is announced in an official telegram from the front.

#### PEOPLE FLEEING FROM RIGA

Petrograd, Aug. 6.—Ten thousand persons have fled daily for the past week from Riga.

#### MADE THEIR TOWNS INTO LITTLE MOSCOWS

The German invaders found the towns of Jiradoff, Goitzl and Blonie in flames. The flames were so fierce military firemen had to precede the advancing forces.

#### INDIANS WON IN OCALA

Got the Best of Our Boys, Who, However, Played a Fine Game

The Nebraska Indians, in their game with the Ocala team yesterday, won by a score of 3 to 1, which was a natural result, for by constant practice the Indians are not much if any inferior to the average big league team. The Indian team is made up of athletic young men, who have the game down to a fine point, and it takes a mighty smart amateur nine to even interest them.

There was a big crowd out to see the game, and while sympathy was of course with the home team, the scientific playing of the visitors was watched with the closest interest.

The line-ups were as follows: Indians: Little Deer, rf; Pawle, lb; Natun, 2b; Sweetgrass, c; Wolf, lf; Whitehorn, ss; Mosier, 3b; Curley, cf; Chief Waseka, p.

Ocala: Brown, c; Harris, lf; Zewadski, ss; Batts, cf; Dewey, 3b; Davis, 2b; Dinkins, rf; Anderson, p; Galloway, lb.

Following is the game by innings:

#### First Inning

Indians: Little Deer and Pawle struck out. Natun flew out to left. Ocala: Brown reached first on an error by short but was caught napping. Harris grounded out to second. Zewadski flew out to left.

#### Second Inning

Indians: Sweetgrass reached first on an error by short, Wolf doubled to left-center, and Sweetgrass was caught at the plate. Whitehorn was safe on a sharp grounder, Wolf scoring. Mosier sent a hot one over first but Dinkins in left got it in time to throw him out at first, and Whitehorn was out at the plate.

Ocala: Batts fouled out to first; Dewey and Davis struck out.

#### Third Inning

Indians: Curley struck out. Chief Waseka walked and Little Deer flew out to left. Pawle grounded out to second.

Ocala: Dinkins struck out and Anderson fouled out to catcher. Galloway took three whiffs at the breeze.

#### Fourth Inning

Indians: Natun singled to left. Sweetgrass was out third to first. Wolf reached first on an error by second. Whitehorn struck out and Mosier flew out to left.

Ocala: Brown popped up one to the pitcher, Harris struck out. Zewadski grounded out to second.

#### Fifth Inning

Indians: Curley went out pitcher to first. Chief Waseka flew out to second. Little Deer struck out.

Ocala: Batts singled over second, Dewey fouled out and Batts was flagged going down to second. Davis bunted out.

#### Sixth Inning

Indians: Pawle was out on a grounder to first. Natun struck out and Sweetgrass singled. Wolf struck out.

Ocala: Dinkins was out on a liner to short. Anderson was out, short to first. Galloway grounded out to third.

#### Seventh Inning

Indians: Whitehorn struck out. Mosier singled, Curley hit a hot one to short, which resulted in a double play.

Ocala: Brown singled and was forced at second on Harris' grounder. Zewadski struck out. When Batts went up it seemed as if Ocala would tie the score, Batts did all he could and slammed one out to the auto in right field, but a stolid Indian had built a campfire under it, and all was up.

#### Eighth Inning

Indians: Chief Waseka was out pitcher to first. Little Deer flew out to center and Pawle grounded out to second.

Ocala: Dewey was thrown out at

first by the catcher; Davis and Dinkins struck out.

#### Ninth Inning

Indians: Natun doubled to center, Sweetgrass singled, scoring him. Wolf struck out; Whitehorn flew out to first. Mosier leaned on one and sent it sailing to the green bank in front of the left field fence. Sweetgrass scored and Mosier was sitting on curvey when the ball was rescued. Curley was out on a grounder to short.

Ocala: Anderson flew out to right, Galloway got a scratch hit to third; Brown was hit by a fair ball. Harris met one fair and sent it by third so fast nobody knew where it was until the left fielder was throwing it in. Galloway scored and Harris was standing on second. Zewadski was out, third to first.

#### ITALIANS INFLICTED HEAVY LOSS ON THE AUSTRILIANS

Geneva, Aug. 6.—Five hundred Austrian soldiers were burned to death and eight cars loaded with ammunition exploded when Italian artillery set fire to two trains en route to Rovereto, according to a dispatch to The Tribune.

At Polazzo eight Italian attacks were repulsed, but the ninth attack resulted in the Italians capturing several miles of trenches. The Italians have brought up more heavy guns against Gorizia and begun a systematic bombardment to which the Austrians are replying feebly.

#### SETTLED DOWN TO STAY

Probable that Occupation of Port au Prince will be Permanent

The people of Port au Prince are of the opinion that this American occupation will be of long duration. The marines are observing a very correct attitude, which is creating a good impression.

#### BEARING THEIR BREASTWORKS ON THEIR BACKS

Innovation in Tactics Successfully Practiced by the Italian Infantry

(Associated Press)

Rome, Aug. 6.—The Italian infantrymen protect themselves against shrapnel while advancing on trenches by crawling on all fours with bags of earth on their backs. These afford sufficient protection against ordinary shrapnel bullets and shell fragments. On halting, the men construct temporary parapets with their bags. It was by this method that the Italians carried five miles of Austrian entrenchments on the Carso recently.

#### MURDER AT SPARR

This morning at 10 o'clock at Sparr, Deputy Sheriff Jim Galbraith attempted to arrest Arthur Shannon, a negro, for breaking and entering. While Mr. Galbraith was reading the warrant, Shannon sprang at him, grabbed his gun and ran, going to his home about half a mile distant and began shooting at his sister-in-law, Ella Johnson, who fired back at him, hitting Shannon in the shoulder. The woman, however, was shot four times, and died shortly afterwards. A posse of citizens began a search for Shannon and soon found him, for he had given up trying to escape and was very weak from loss of blood. A message was sent to the sheriff's office here and Deputy Osteen went out to Sparr and returned to town with Shannon, who is in a bad condition.

#### OAK VALE

Oak Vale, Aug. 5.—C. W. Boyer made a business trip to Bronson this week.

Mr. Whitehurst and son Will, of Raleigh, paid Oak Vale a visit Tuesday to begin her school Aug. 2nd. We hope she will have good success.

Mr. D. M. Waldron and family are spending some time at Salt Springs. We hope that they will be successful in catching plenty of those delicious Duroc pigs. They have seventy-five acres of pinders and have decided to drop the vegetable business for something less exciting and more profitable. When more people do this we shall see better times.

Revs. Henderson, Methodist, and Douglas, Baptist, both of Williston, propose holding a union tent meeting at Oak Vale as soon as the former's health and work already in hand will permit. They have already done some successful work together, people coming for miles in every direction to attend their meetings.

## LATIN AMERICANS AND LANSING

### Planning to Solve the Mexican Problem

#### STRONG APPEAL TO LEADERS TO GET TOGETHER WILL BE THE FIRST STEP

(Associated Press)

Washington, Aug. 6.—The conference between Secretary Lansing and the six Latin American diplomats regarding the restoration of peace in Mexico continued today. No announcement will be made of the conclusion of the series of conferences begun yesterday until the program is perfected. The conferees declined to discuss the proceedings, which are declared informal and confidential.

The first results are likely to be a final appeal to the factions to get together. This is aimed at the Carranza element, which has declined to enter a peace conference. A note to Carranza will probably set a date for compliance. The final plans will depend on Carranza's answer. Villa and the other leaders are willing to participate in the conference.

#### CONFERENCES HELD ALL OVER THE CAPITAL

2:50 p. m.—The Latin-American diplomats conferred among themselves at the Argentine embassy, before the resumption of the conference. Secretary Lansing conferred with General Scott, chief of staff, and Assistant Secretary Breckenridge. The meeting revived the report that General Scott might be chosen to persuade Carranza to yield.

#### M. R. BECK

Mr. Marion Raleigh-Beck died at Wacahoota Wednesday, July 28, 1915.

"In the midst of life ye are in death." Such does it seem when on Wednesday morning the death angel came in our midst and carried away the spirit of Mr. Marion Raleigh Beck.

He had been indisposed for about two weeks but at first was not considered seriously ill, and was confined to his bed less than a week. He was given the best medical attention, having three physicians and fond and gentle hands were ever ready to administer to all his wants. But all of no avail. He grew rapidly worse and just before 9 o'clock, in the morning, he seemed to fall asleep and his spirit peacefully passed on to the maker who gave it.

He was the third son of Mr. J. L. Beck of Fellowship; was born March 23, 1884, and reared to young manhood in our community. After which he went to Eatonton, Ga., where he held a responsible position with Mr. John Turner in the mercantile business. He came back to Florida in the winter of 1909 and located in Ocala. On March 30th, 1910, he was married to Miss Hassie Smith of this place.

After leaving Ocala he engaged in business in Jacksonville for a short time, moving from there to Palatka in 1913, where he was interested in the firm of Wm. M. Curry & Co., dealers in shoes, gent's furnishings, etc. Coming out here several weeks ago to visit Mrs. Beck's parents, Mr. and Mrs. C. M. Smith, he was spending his vacation in our midst.

He was a strong, stalwart man of handsome physique and possessed a pleasing personality, just in the bloom of manhood and seemed to have a life of much promise and usefulness before him. Being an affectionate husband and a dutiful son and a fond brother, makes it break our very heartstrings to give him up. But we know that "many are the afflictions of the righteous but the Lord delivereth them out of them all."

The funeral services were held at the M. E. church Thursday morning, July 29th, at 10:30 o'clock. Rev. George Henderson of Williston, after reading a portion of the 15th chapter of First Corinthians and a part of the 39th and 90th Psalms, made a few appropriate remarks, speaking comforting words to the bereaved ones.

The choir sang, "Asleep in Jesus." After prayer the K. of P's., of which he was a member, took charge of the body and it was laid to rest in the M. E. cemetery.

A large concourse of people attended the funeral and the floral offerings were many and handsome, completely covering the mound, both of which showed the esteem in which he was held. The pall bearers were Messrs. Neal Mathews, Elvin Bruton, J. Shuford, J. E. Gates, C. W. Dalham and J. W. May.

The deceased leaves a heart-broken young wife and aged father and mother, Mr. and Mrs. J. L. Beck of Fellowship, three sisters, Mrs. J. M. Smith of this place, Mrs. W. L. Howell of Plant City and Miss Fae Beck of Fellowship, and two brothers, Mr. Ira Beck of Gainesville and Mr. Beecher Beck of Fellowship, and numbers of other relatives and friends who mourn for him.

'Tis hard, so hard to say good-bye And beneath the sod your form to lie, While earthly ties are torn apart; In heaven, dear one, we'll meet, heart to heart. A Friend.
