Horse Power From This Powerful MAXWELL ENGINE

Almost 34 horse-power from this regular stock Maxwell engine!

34 actual, brake horse-power!

Proved by an accurate dynamometer test, made in the Maxwell laboratories August 10, 1916.

There has been a lot of talk about horse-power, and we just want to let Maxwell owners and prospective owners know that in respect to horse-power, as in most other respects, the Maxwell leads by a comfortable margin. Not that we attach such great importance to horse-power. We don't. We never have.

Horse-power—abundant horse-power—is only one of many superior features of the Maxwell.

We are selling motor cars—complete motor cars—not engines or horse-power.

Horse-power is a matter that is secondary to motor efficiency and economy.

A giant has no advantage if he does not

apply, or wrongly applies, his strength.

Maxwell cars have horse-power—all you want or need—probably more per pound of car weight than any other automobile in the world.

But we don't make any loud cry about it.

Because we have more than horse-power to sell you.

Because you are, and should be, interested in results, the net effectiveness of power.

We challenge competitive tests. We invite comparison.

Because we absolutely know that no car of its class or weight can surpass the Maxwell on speedways, on rough roads, through sand or mud, anywhere.

And because we know, and you will know, that, everything considered, the Maxwell is the World's Greatest Motor Car Value!

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months.

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

At all druggists. Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, "Home Treatment for Women," in plain wrapper. N.C. 137
