In the rush yesterday the ad. man failed to put the name of the Seaboard railway on its excursion rate advertisement. This however was not a serious mistake in Ocala, as Mr. John Boisseau, the local ticket agent, is as well known here as the Seaboard itself, and his name was signed to the announcement, which sufficed. However, it's all right now.

Among the Star's pleasant callers today was Mr. W. A. Hand of Moss Bluff. He reports that his crops have been exceptionally successful this season and he looks for still gr ter things another year as he intends draining a splendid piece of muck land on his property for a corn field. Though Mr. Hand has been a resident of Marion county for about two years he is just now enrolling on our weekly subscription list. Just how he has been getting along all this time we did not understand until he informed us he had been reading a neighbor's Star pretty regularly.

The REAL, new, long spring, easy riding, soft and deeper upholstered MAXWELL touring cars, SIXTY-INCH TREAD, have arrived in Ocala, and will be on display the last of the week.

Discussing the question of a royalty on the Imhoff tanks of the new sewerage system, Councilman Meffert said this morning that it was understood in council, when the Imhoff tanks were approved by that body, that there would be a small royalty on the tanks, to be paid to the owners of the patents. The amount of the royalty has never been learned by the city, but a letter on file in the city clerk's office says the royalty is a small one. The Pacific Flush Tank company of New York, represents the Imhoff interests in this country.

The Rabbit Scored. A cottager and his wife endeavored to capture a wild rabbit by holding a net along the end of their garden, which borders a deep canal. Making a final dash, the rabbit ran toward the woman and tripped her, causing her to overbalance and fall into the canal. Her husband dived to her rescue, and but for the timely assistance of two men both would have been drowned.—London Observer.

HOW CATARRH IS CONTRACTED

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

The Word "Stunt"

A "stunt" is a feat or performance striking for the strength or skill required for its accomplishment; hence it has come to mean any real feat. The word has made its way into both Webster and the New Standard dictionary, but neither states its origin. Webster suggests a comparison with the old word "stunt," which means "a task." It is interesting to note that obsolete provincial English had a word "stunt" which meant "dull" or "stupid."

ARE YOU RHEUMATIC?

Many Pangs that Pass for Rheumatism are Really Due to Weak Kidneys. Is it rheumatism? Not every pain is. Weak kidneys let uric acid collect. Uric acid causes many queer pains. In the thigh it's sciatica; in the back, lumbago; in the nerves, neuritis. Gout, gravel, dropsy are uric troubles. When you suspect the kidneys use Doan's Kidney Pills.—The home-recommended remedy. Ocala testimony is the best proof. Read this Ocala woman's story. Mrs. S. E. Fraser, 104 Fifth street, Ocala, says: "I have used Doan's Kidney Pills and they have always given the best of satisfaction. My kidneys were out of order and I was very dizzy. At times I couldn't get about, owing to rheumatic pain across the small of my back. I had other kidney troubles as well. I used Doan's Kidney Pills and they brought me immediate relief." Price 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Fraser had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv. 41

When Inclosing Stamps. Here is a hint for my own benefit as well as yours: When sending a postage stamp in a letter instead of mola'ening one corner and sticking it to the paper, moisten a small spot in the center of the stamp and the affix it to your inclosure. The removal of a small part of the center of the glued back in no way impairs the usefulness of the stamp, but the corner often tears off.—Exchange.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Jry, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together. My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it." Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling? If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century. Begin taking Cardui to-day. You won't regret it.
