SALVATION LASSIES WIN CHILDREN TO A NEW GOSPEL

Crippled limbs bear mute witness to infantile paralysis ravages among New Jersey children to whom the Salvation Army is giving the "milk treatment."

A new gospel is being preached by Salvation Lassies in at least two cities in the United States.

It is a "gospel of clean milk"—and lots of it. School children in Union Hill, N. J., which is just across the Hudson River from New York, and Covington, Ky., are already benefiting from the modern gospel.

Union Hill Salvationists were the first to start the milk crusade, and there 900 quarts of the beautiful fluid are dispensed free each day. In this town the ravages of infantile paralysis about two years ago were especially severe, as is shown by the number of crippled poor children who benefit from the Army's treatment.

In Covington the crusade is educational as well as charitable in nature, and the lassies preach the clean milk gospel with all their usual fervor. Charitable and relief work for Amer-

ica's destitute and sick children has long constituted a big part of the Salvation Army's activities. Through milk stations, fresh air farms, seashore homes, nurseries, orphanages, hospitals and with food, clothing, medicines and the like the Salvationists aided almost half a million children in the United States last year. This child-saving work is one of the organization's many non-self-supporting activities which is financed by the once-a-year Home Service Appeal. This year's appeal is scheduled for May 10 to 20.

Miss Myrtle Hickey is enjoying a visit from her sister, Mrs. H. F. Kinne and family of Birmingham.

There were quite a good many picnic parties around the lake on the 4th. Mr. C. S. Gates is on the sick list this week. We wish him a speedy recovery.

AUCTION HONORING MR. AND MRS. MASON

Delightfully informal and interesting was the five-table auction party last evening at which Miss Mary Burford was the charming hostess, entertaining at her home on Fort King avenue in compliment to Mr. and Mrs. J. H. Mason of Tampa.

Miss Burford greeted her guests at the front door and introduced them to the honorees in the front hall, after which the hostess' sister, Miss Agnes Burford, served them a refreshing punch from a prettily ornamented tea set standing to the side of the reception hall.

The guests were given dainty hand painted score cards, the clever work of Mrs. Burford, the hostess' mother, and when all had arrived the games commenced.

The five tables were comfortably and cozily arranged in the three large front rooms, which were opened in suite, and many vases and hanging baskets of handsome astors and dahlias tastily placed in appropriate manner, made the rooms most attractive, while electric fans made the atmosphere comfortably cool, as the players found pleasure in this always entertaining game.

At the conclusion of over two hours of playing, Miss Burford and Miss Agnes Burford served refreshments consisting of frozen pear salad, sandwiches, salted almonds and cheese moulded and colored to resemble an apple.

Two handsome hand-painted pictures, done from natural scenery, the work of Mrs. Burford, were the prizes given to Mr. and Mrs. Mason as remembrances and to Mr. Frank Harris for making high score. To Mr. M. C. Izlar fell the consolation prize, an article for "lady's lingerie," which proved most amusing to the guests.

During Mr. and Mrs. Mason's short visit in Ocala they have been tendered many social attentions, but none were more pleasant than the one last evening. The following were those present: Mrs. Oscar Berger, Mrs. C. B. Ayer, Mr. and Mrs. Fred Hoeker, Mr. and Mrs. R. C. Camp, Mr. and Mrs. R. L. Anderson Jr. and Mrs. J. C. B. Koonce, Misses Eloise Henry, Onie Chazal and Alice Bullock, are Messrs. Clarence Camp, Whit Palmer, Carlisle Izlar, Louis Chazal, O. B. Howse, Frank Harris Jr.
