Miss Pauline Palmour returned home Sunday from Georgia, where she has spent the past five months.

The people of Anthony were greatly shocked when Mrs. J. H. Pressley died suddenly at her home here Saturday night. Since their arrival here several years ago from South Carolina, the family have made a great many friends who deeply sympathize with the husband and son, Mr. Xavier Adams of Sumica, who are left to mourn her death. The remains were interred in the Anthony cemetery Tuesday afternoon. Sam R. Pyles & Company, the Ocala funeral directors, had charge of the arrangements.

Miss Helen Perry of Jacksonville and Miss Annie Benton Fuller of Ocala and others were Christmas visitors at the home of Mr. and Mrs. E. C. Beuchler.

Mr. M. H. Zimmerman arrived Monday and spent the Christmas holi-

A NEW FORD ACCESSORY

Mr. Edwin W. Brink of Cedar Rapids, Iowa, inventor and manufacturer of the Never-Fail Commutator Brush for Ford cars, is in the city and will demonstrate his brush on Ford cars from December 28th until January 2nd and on Ford trucks or tractors, at the Ocala Auto & Garage Company.

During his stay in this city he will overhaul the entire ignition system of any Ford car free of charge and will show the action of his invention in the regular timer shell. Mr. Brink comes to this city with letters of recommendation as to the merits of the article he is manufacturing which speak very highly as to his ability as a mechanic and the merits of his invention.

Owners of hard starting cars or cars which do not seem to function correctly will do well to get in touch with Mr. Brink as it will cost them nothing unless he shows results. He is here primarily to place a county representative in Marion county and is accompanied by his family.

THE KING'S DAUGHTERS

The King's Daughters desire to express their thanks to all those who so generously and promptly responded to their appeal for donations for their work. To the graded schools, Mrs. Todd, Mrs. Thompson, Miss Holly, Miss Carlisle; to Williams' wholesale house and the Moses Bros. We are under obligations to Mrs. T. D. Lancaster, Mrs. Paul Durand and the Fidelis class. To each private citizen and individual (the list is too long to be printed) but each name has been recorded and listed, for their gifts of money and co-operation, which made our Christmas work such a big success, and last but not least to the children who came bearing gifts, with their sympathy and deep interest were instances of self sacrifice that was a beautiful illustration for the older ones. We again thank you sincerely and heartily.

Mrs. Sheppard, Secretary.

AUTOMOBILE BURNED

Mr. Sam Pyles was unfortunate this morning in the loss of his car by fire. Mr. Pyles was on the way to his farm on Orange avenue when the car took fire and he was unable to extinguish the flames. The car was partially insured so Mr. Pyles will not have to bear all the loss.

days as the guest of Mr. and Mrs. George Pasteur Sr.

Sidney Pasteur had the misfortune Monday to fall from a horse and fracture a small bone in his arm.

Free Ignition Service ON FORD CARS

Touring Car, Sedan, Coupe, Roadster, or truck or tractor, by an expert, from

THURSDAY, DECEMBER 28th to JANUARY 2d

At the Ocala Auto and Garage Co.

A factory demonstration will be held at the OCALA AUTO CO., to demonstrate and advertise the Never-Fail Commutator Brush for Ford cars for one week. Ignition checked and adjusted from the magneto post to the timer free of charge. We show our brush on your own car. We positively guarantee to show you a noticeable improvement on your car. We will save your battery, gears, timer, gasoline and temper.

Do not buy unless you are satisfied with what we can do for you. **MAXIMUM CHARGE \$1.50.** We want boosters and our users are all boosters. Try us and your frown will change to a smile. Our brush works in a worn out timer shell.

If your car does not idle down, starts hard on magneto, uses too much gasoline, doesn't run smooth, or in fact if you want an improved Ford that will do what most expensive cars do, drive it over and let us show you. It will pay you to look into this.

We need live wire dealers, county men and state men.

We need live wire dealers, county men and state men

Visitors to the Cemetery

Usually admire monuments of simple dignity and good taste. We are proud to say that memorials of our making are selected as the finest of all they have seen. Our work is not expensive. You can procure a monument for a surprisingly small sum considering quality and workmanship.

Where would we be anyway if it weren't for advertising?

WHAT a lot of time advertising saves us! We need something. We see it advertised. And we go straight from where we are now to where the article is sold.

Have you ever gone around from place to place seeking for something which you knew existed but which nobody else seemed to know anything about, not even the storekeepers?

You have wasted an hour, maybe several hours, possibly half a day. You have worn out your patience, and before the end of the quest probably you began to figure that the thing that you sought was not, after all, so good as you thought if was, otherwise other people besides yourself would know something about it.

The manufacturer who advertises, invests his money, therefore, not alone to tell of the merits of his goods but to save you the time. The manufacturer who is willing to pay for advertising space in newspapers or magazines in order to point out to you where his merchandise is sold, so that you may get there quicker and buy it easier, is not going to skimp or cheat in manufacturing it.

After going to all the trouble and expense of telling you just where you may find it, he is going to see to it that when you do buy it, it is good enough so that you will buy it again.

And in making up your mind about merchandise which is advertised, consider this last thought—the manufacturer can well afford to make it as good as it can be made because one sale means hundreds, even thousands of others following naturally and costing him nothing extra.
