Official Paper of the City of Akron.

TO TELEPHONE THE DEMOCRAT CALL NO. 180.

MONDAY, MAY 29

TRADE MARK OF THE COUNCIL OF AKRON

THE DEMOCRAT will not be issued on Memorial day. Wednesday's paper will contain all the news of both days.

Ohio's Republican leaders are still keeping up an appearance of fighting the trusts. As there wouldn't be a grease spot left of the Republican party if it should begin to fight the trusts in earnest, the people need expect no relief from that source.

When it comes to economizing, Commissioner Crisp seems to be the whole show. Three times within as many weeks he has favored propositions to milk the public treasury for the benefit of political favorites. It is to the credit of his Democratic colleagues that they have voted on every occasion to checkmate his extravagant attempts.

The Memorial exercises to be conducted in Akron tomorrow will be unusually quiet and free from all suggestion of display. The old soldiers have been in exclusive charge of the arrangements and have planned a celebration after their own hearts. Success to their worthy efforts, and to the dead comrades whose memory they will honor—peace.

The New York Sun declares that "attempts to expurgate free silver and to rule out Bryan from the Democratic campaign of 1900 are doomed to dismal failure, whether they originate in Maryland or in Missouri. This is not official, but it is true." When it comes to prophesying with accuracy at long range, the Sun is hard to beat. The nearly seven millions of Democrats whose votes will control the action of the next national convention will agree that in this instance, at least, the Sun is right in its prediction.

IMPORTANT TELEPHONE DECISION. The United States Supreme court has rendered a decision of great interest to all telephone companies, says the Toledo Blade. It was in the case of the city of Richmond, Va., against the Southern Bell Telephone and Telegraph company. The latter claimed the right to place its poles and lines in the streets of the Virginia capital, against the will of the municipal authorities. It based its claim on an act of Congress, passed in 1866, which granted such right to telegraph companies.

The supreme court decided in favor of the city. It declared that the act in the interest of telegraph companies does not include telephone companies. "If Congress desires to extend the provisions of the act of 1866 to telephone companies," said Judge Harlan, who wrote the opinion, "let it do so in plain words. It will be time enough when such legislation is enacted to consider any question of constitutional law which may be suggested by it."

Dr. Bull's Cough Syrup is unquestionable the most remarkable remedy ever produced for the cure of throat and lung troubles. It has cured thousands, and has done wonders in many cases of incipient consumption.

Matinee 2 p.m. Decoration day, Summit Lake park and every eve.

Summit Lake Park. Special Decoration day attraction at Summit Lake park theater. Don't fail to attend.

NO ATTEMPT Made to Stop the Performance at Lakeside.

No attempt was made to arrest the proprietors of the Lakeside casino, Sunday afternoon, as anticipated.

In order to cause their arrest it was necessary that a warrant be made out, as Sheriff Frank G. Kelly will not make an arrest unless provided with one.

The opening vaudeville performance was glib edged and each act elicited much applause. The casino was packed at both afternoon and evening performance.

The preachers refuse to talk on their future movements.

Matinee 2 p.m. Decoration day, Summit Lake park, and every eve.

For fine plumbing call on C. M. Oberlin for prices.

PATENT

Issued to a Young Akron Inventor.

This City Has Established a Reputation For Its Inventors.

Elmer Walters, a machinist, residing on East Exchange st., has been granted a valuable patent on a vehicle tire. He has sold interests in the patent to James T. Diehm, J. A. Swinehart and J. D. Alexander. A sample set of the tires will soon be on exhibition, and arrangements are being made for their manufacture. Mr. Walters is quite a young man, being but 26 years old, and the invention speaks creditably for his ingenuity and mechanical ability.

Akron has quite a reputation for the number of valuable inventions given by her citizens to the industrial world; and that reputation continues to grow. There have been inventions, for which patents were never applied, placed in active service by Akron citizens.

In corroboration of this last statement, there may be seen in operation in the barrel factory of the American Cereal Co., this city, an indispensable machine, designed as a hoop carrier. Quite a number of years ago, when J. A. Swinehart was in the employ of the Cereal Co., he suggested to the managers a machine that would greatly facilitate in the work of making barrels. He was instructed to go ahead and construct the machine, which can be made at a cost of \$75. It did the work well. It is estimated that thousands of dollars in the price of labor have been saved by this device. No application for a patent on the machine was ever made.

There is little doubt in the minds of many of his friends but that Mr. Swinehart is also the inventor of a machine used in the plant of the Diamond Match Co., at Barberton. Such a machine as is now in use there was suggested by him to the foreman under whom he worked at the match factory about 19 years ago, and who afterwards secured a patent on the device.

Recently Mr. Swinehart was granted a patent on a vehicle tire, as was described in the DEMOCRAT at the time the patent was awarded. The patent was on an improvement over a similar invention patented by him some years ago.

The company formed to handle the Swinehart tires have had good offers for the purchase of the patent by large manufacturing concerns.

Dr. Bull's Cough Syrup is a remarkable medicine. A dry, tickling, hacking cough, the warning that consumption lurks near, needs no other doctor but Dr. Bull's Cough Syrup. It positively cures throat and lung trouble.

ECONOMY.

Another Splendid Example of Crisp's Ability

To Conduct City Affairs—Easy Berth For a Favorite.

Once again Commissioner Crisp has demonstrated his remarkable ability to conduct city affairs in an economical manner.

Saturday he introduced a motion to place Charles Ruggles on the pay roll at a salary of \$85 per month the year round. Ruggles is employed as engineer of the steam roller. He is not actually engaged more than three months during the 12 at this work. The balance of his time is practically his own.

Ruggles hails from East Akron, Crisp's old stamping ground. During the last campaign, when the President of the Board abandoned his official duties to "leg it" for Rowley, Ruggles was an efficient lieutenant of his superior. As a reward for his faithfulness to Crisp he has been given the easy berth.

The motion was opposed by Commissioner McGarry. The three other members of the Board voted "aye."

MIX-UP

Of Babies Resulted In a Sensation.

Fifteen Parcels of Sweetness Caused a Commotion.

Wm. Manthey, of East Thornton st., was 38 years old Saturday, and

"To Do Ill Costs More Than To Do Well."

This "wise saw" might properly read, "It costs more to BE ill than to BE well." The source of all health is rich, strong blood. It is to the body what the mighty streams are to the earth. If the blood is pure, the body thrives; if the blood is weak or impoverished, then every pulse-beat carries weakness instead of strength.

Why make the cost of living more than it need be? Purify your blood and give your constitution a chance to do its level best. The only perfect blood purifier and vigor-maker in existence is the world-famed Hood's Sarsaparilla. It brings good, perfect health. It never disappoints.

Scrofula.—When three months old our baby Roy was covered with itching and burning scrofula sores. The best physicians tried, but Hood's Sarsaparilla saved his life as it made a permanent cure." Mrs. LILLIE M. FISH, East Springfield, Mich.

Crip.—"Through the blessing of God Hood's Sarsaparilla and Hood's Pills cured me of grip and the after weakness. My heart and nerves were badly affected, but am now strong and healthy, doing all my housework. I have been a walking advertisement for Hood's among my neighbors." Mrs. MARY M. MESSINGER, Freehold, Pa.

Rheumatism.—Rheumatism is a disease of the blood, and the acid must be neutralized to effect a cure. "I was troubled with rheumatism so badly that I could not walk. Hood's Sarsaparilla cured me." Mrs. MITCHELL McDERMOTT, Southbridge, Mass.

Eczema.—"My daughter had eczema and it affected her eyes. The doctor said it was incurable. Her skin is now smooth and white and all on account of Hood's Sarsaparilla. I have taken it for weakness and can now walk three or four miles easily." Mrs. E. A. HEVY, Sauk Centre, Minn.

Catarh.—"I suffered from childhood with catarh. Was entirely deaf in one ear. Hood's Sarsaparilla cured me and restored my hearing." Mrs. W. STOKES, Midland, Tex.

Hood's Sarsaparilla Never Disappoints

Hood's Pills cure liver ills, the non-irritating and only cathartic to take with Hood's Sarsaparilla.

that the event might be properly celebrated his friends, to the number of 30 couples called in the evening and remained until 12 o'clock. With what dancing, singing and partaking of refreshments the hours fled merrily away. Many of the ladies brought with them their little babies, and when the youngsters had become tired, they were laid side by side on a large bed. It is said that 15 babies were asleep on the bed at one time.

When time came to dispense, each fond mother sought out her little parcel of sweetness from the miscellaneous assortment of babies, and in the general shuffle which followed, some were dealt out the wrong cards—or, beg pardon, the wrong babies. After reaching home, those ladies who had taken a daughter to the party were amazed to find that they had in bed with them a little son. Then there was consternation! A searching party was soon formed, and before morning each mamma was in the possession of her own child.

Special Matinee. Special Decoration Day attractions at Summit Lake park theater. Special matinee.

PERSONALS.

Forest Firestone was in Fredericksburg, Saturday evening on business.

Robert Cahill of Fairview Terrace, an old soldier, is quite ill.

Hon. Peter A. Laube is a guest at Barberton Inn.

David L. Rockwell Jr. of Ravenna, a student at Kenyon college, was in the city Sunday, the guest of Mrs. Alice Metlin.

Mrs. King, wife of W. E. King, telegraph operator at the Erie passenger station, has returned from a visit to her parents at Martell.

Dr. W. C. Jacobs has returned from East Liverpool, where he has been on business connected with the Pathfinder.

Mrs. E. Munsell and daughter, Gladys, of Chicago are visiting Mrs. L. K. Stone at 104 Locust st.

Thin, pale and consumptive persons should use some constructive tonic that will enrich the blood, increase the nerve force and renew wasted tissues.

Scott's Emulsion is based upon scientific principles. We digest the oil for you by mechanical processes, thus strengthening your digestive organs by resting them. It stops wasting, and produces energy, vigor and warmth. The hypophosphites in it invigorates the nerves, and brain tissues.

Scott's Emulsion, all druggists, and \$1.00, all druggists.

SCOTT & BOWNE, Chemists, New York.

TO DO GOOD.

Continued From First Page.

evening at 8 o'clock with an entertainment given in parochial school hall by children, pupils of St. Vincent's school. The hall has a seating capacity of 600; every seat was occupied and standing room could not be had. At least 150 persons were obliged to turn away. The walls of the hall were decorated with the National colors, and the stage was tastefully trimmed with small flags and wreaths of myrtle. A collection of large palms formed a beautiful background to the stage. About 100 pupils, the greater part of the number being girls, took part in the exercises. All the girls were attired in white, and they presented a very pretty picture on the stage. The entertainment was given under the direction of the Sisters of St. Joseph, who also wrote the words and music of all the songs of praise to Dr. Mahar, and also the odes and words of greeting and love, which conveyed to the pastor the regard of the little ones of his flock. The Sisters are to be congratulated for their achievement, for it was a worthy and beautiful one. The stage direction was excellent, all the exercises being conducted with a symmetry that was pleasing to all. Hearty applause was given each performance, but as the program was quite long, no encores met with response.

The initial feature of the program was a welcome song, a chorus by the junior choir, following which was a solo by Miss Mary Delehanty. Next came the jubilee ode, delivered by Miss Grace Pouchot. As it conveyed to Dr. Mahar the general greeting from all the children and eulogized his labors in their behalf, it was perhaps the most important feature of the program. With a clear, rich voice, and in a style of elocution that evidenced natural talent and careful training, the young lady charmed the audience with its recital. The ode was pretty throughout, but the first verse is particularly impressive. It is:

"Dear Rev. Father, ever kind and true, "Since congratulations are thy due, "For earth and heaven both rejoice,

"Beholding thine accord with God's own choice,

"What mysteries sublime do thee involve,

"How oft, thy hands been raised to bless, absolve,

"Or feed with 'Living and Life-Giving Bread'

"Whilst angels tread with reverent tread!

"To thee the doubtful go, in search of light,

"To learn of divers ways which is the right,

"From thee, the sorrowful comfort seek,

"Whilst thy example strengtheneth the weak."

The succeeding number was a solo by Miss Della Bissonett, after which a selection was played by the mandolin club.

"Twenty-five Long Years Ago" was a subject upon which the boys talked, expressing in concert their esteem for Dr. Mahar. The closing part of the number was a brief address, delivered by Master Joseph Delaney, who assured his pastor that while the boys had sometimes been very noisy about the school and church grounds, they were good at heart, and many of their misdeeds were due to carelessness more than intention. The boys all love their pastor and assured him that they will all try to live the way he has directed them.

The "Mystical Gifts" was a very pretty number of the program. A charming little plot was developed in the exercise. Six little girls, representing spirits and angels, came upon the stage singly. Each had an object in view—to do honor to Dr. Mahar. As each little lady came upon the stage she told her mission to the other, and discovering that their object was the same they each recited a few words of congratulation to their pastor. This done they selected one of their number to speak for all. Those who took part in the exercise were Miss Nellie Murphy, spirit of music; Miss Gertrude Murphy, spirit of flowers; Miss Keziah Gillen, angel of gratitude; Miss Martha Harris, angel of prayer; Miss Grace Williams, spirit of poetry, and Miss Grace Pouchot, angel of mercy.

At the conclusion of this number, Dr. Mahar came forward and addressed the children. His voice was full of emotion, and he spoke slowly and tenderly when he first began to tell the children how much he loved

In all Conditions of Debility

whether from overwork, in protracted illness, or in convalescence, the digestive organs partake of the general weakness, and are unable to assimilate sufficient food to build up the wasted tissues. In such cases

Pabst Malt Extract The Best Tonic is just the nutritive tonic you need. It gives tone to the stomach, and stimulates the appetite. It aids the digestion of food, and brings refreshing sleep.

then all, and how much he appreciated their kind and beautiful expression of esteem for him. He spoke of the Saviour, who, when on earth, was solicitous for the care of the little ones, and how He said: "Suffer the little ones to come unto Me, and forbid them not; for such is the kingdom of heaven." Having charge of the school, Dr. Mahar spoke of that as bringing the little ones nearer to his heart, and making them all very dear to him. He said that he hoped he was as good as the children said he was, and worthy of their songs of praise. Throughout his address was beautiful and full of gratitude to the children for the honor they did him.

Succeeding Dr. Mahar's address the mandolin club played a selection, and a chorus was sung by the junior choir. A solo by Miss Ann McGreevy, and on a brief address by Miss Florence Tiefenthaler followed, and then came the concluding number, the singing of "Star Spangled Banner" by the junior choir.

The church and grounds are being decorated for the reception and concert to be held Monday evening. The walls of the church will be decorated with national colors, and palms, potted flowers and cut flowers will also be conspicuous. Several beautiful arches are being arranged on the lawn of the parochial residence.

The reception is being looked forward to by the members of the congregation as an occasion when they shall meet under happy circumstances for a social hour or two, and afterwards be indulged with music that will be rare and charming. In the concert local talent will be augmented by prominent musicians from abroad. The program is large and embraces some selections noted for classical and harmonious beauty. Every arrangement has been made for the seating of a large audience, many chairs having been brought in and arranged about the auditorium.

The ordination service Tuesday morning at 9:30 will be impressive and beautiful. Solemn high mass will be performed, with Lambillotte's Paschal Mass in D as an orchestral accompaniment. A happy feature of the service will be that Dr. Mahar will be assisted by two old classmates at College—Rev. T. M. Symth, of East Liverpool and Rev. C. V. Chevaux of Fremont.

Almost 100 members of the clergy within the diocese have written of their intention to be present at the ordination service. To the visitors a banquet will be given immediately after services in the morning. A number of clergy will respond to toasts, and a general social time will continue throughout the day.

A FEW CUBANS PAID. Others Likely to Come Forward Later on at Havana and at Other Points—Kolla Incorrect

HAVANA, May 29.—There were 111 applicants for shares in the \$3,000,000 which the United States has offered as a gratuity to the Cuban troops. Thirty were given \$5 each. The others were not on the rolls, although they had guns which they were ready to turn in and certificates of service.

The United States military authorities consider that the rolls are very unreliable. Indeed, the opinion is freely expressed that a large proportion of the names are fictitious and that the rolls omit a majority of the names of those rightly entitled to share in the gratuity. The object of this apparently is to distribute the entire proceedings, and to make the Cuban public believe that a large number of the troops refused to take American money.

Lieutenant Colonel George M. Randall of the Eighth infantry, the commissioner superintending the distribution here, went carefully over the rolls of one battalion with its commandant. He pointed out 34 names of men who are dead and names of others who had not been heard of outside the rolls.

Of those paid, 23 turned in arms—Mansers, Remingtons and carbines. The other five showed receipts from the alcalde vouching for the delivery of their arms.

The payment will continue until noon today in Havana city, but Colonel Randall believes it will be necessary to have additional days for a while and extra pay rolls for men who have undoubtedly seen service. He also believes that were the payment to be discontinued in Havana for the next three days at least 99 per cent of those entitled to apply will do so. Most of those who received shares asserted that they only heard by accident that the distribution was now actually taking place.

Colonel Randall will send to Senior Perfecto Lacoste, the mayor, all the arms turned in.

The first payment outside of Havana will be made tomorrow at Santiago de Las Vegas, whither Colonel Randall, the clerks and 30 soldiers will go with the paymaster.

PERMANENT ARBITRATION. Chance For a Board Improving the Peace Conference, at The Hague.

THE HAGUE, May 29.—The newly appointed sub-committee of the kind committee of the peace conference the ar-

UNITED FOR MCKINLEY.

Ohio Republican Convention Delegates His Supporters.

BUT ARE DIVIDED AS TO HANNA.

National Administration to Be Strongly Endorsed Result of the Convention Likely to Decide the Kind of a Delegation to the National Convention.

CINCINNATI, May 29.—The annual convention at Columbus this week is due to its effect on President McKinley next year, as well as to its direct effect on state factions and candidates this year. In the earlier skirmishing there was talk of the possibility of a state administration that would use its power to secure an anti-McKinley delegation from Ohio to the national convention. It is now clear that the delegates are unanimous upon the endorsement of the national administration. All the candidates for places on the state ticket, as well as those for governor, have had strong resolutions adopted in their counties for their delegates to endorse the national administration. Even the Kurtz-Baskin-McKisson element announce that they are not against McKinley, but that they are against Hanna and any candidate favored by Hanna.

It is still claimed by some that the result of the convention this week may determine what kind of a McKinley delegation will be sent from Ohio to the Republican national convention next year. It is conceded almost all depends upon the committee on credentials next Thursday so far as both this year and next year are concerned. Cuyahoga county, the home of Senator Hanna, has 38 delegates and leads the list of contests with three different delegations. Hamilton county, the home of Senator Foraker, has the largest delegation, 56 votes, and it also has a delegate sent to the national convention headed by George B. Cox.

While a big mass convention will be held here today to protest against the manner in which the Cox delegates were elected, and to select 86 contestants, yet no members of the county committee will participate in it, and it is thought that the Hamilton county contest, as well as some others, will be disposed of on prima facie evidence of regularity. Such will not be the case with the contestants from Adams, Allen, Cuyahoga, Highland and Preble counties, involving almost 100 votes out of a total of 813 and possibly a balance of power.

Some counties selected their delegates by mass-conventions, others by delegate conventions, others by caucus, and by the county committee, others by a sub-committee of the county committee and the complications that will confront the convention may lead to the adoption of some uniform system for the selection of delegates from the state convention. The call of the state convention this year was on a "home rule" plank, leaving the method entirely with the county committees.

CLEVELAND, May 29.—McKissonites and anti-McKissonites chose delegates to the state convention Saturday. A third was appointed by James W. Holcomb, chairman of the anti-McKisson executive committee.

CANTON, May 29.—The Republicans of Stark county selected 20 delegates to the state convention. They are instructed except for State Senator Silas J. Williams for lieutenant governor.

WOOSTER, May 29.—Wayne county Republicans in convention elected delegates to the state convention. They are instructed to vote for Judge M. L. Snyder of Wooster for governor.

STRENSVILLE, May 29.—At the Republican primaries here, F. B. Archer of Belmont captured nearly all the delegates, insuring his nomination for state senator.

WARREN, O., May 29.—Trumbull county Republicans elected delegates to the Republican senatorial convention in Niles, June 5. Some opposition to D. F. Anderson, Mahoning county's choice, is apparent, but his nomination is generally conceded.

HYPNOTISM

Some men are such wonderful animal magnetism that they can put other persons to sleep by passing the hands before the eyes. This is called hypnotism—an influence about which very little is known—and it is not a difficult matter to find a few people who have been put to sleep in this manner. You can find hundreds and thousands of women, however, whose sleep has been made peaceful and restful by Dr. Pierce's Favorite Prescription. It soothes the nerves by curing the disorders commonly called "female troubles." It is endorsed by an army of women in every State in the Union, who have been brought back to health after suffering untold misery from disintegrating drains upon the system, irregularities, prostrations, "backache," "bearing-down" pains, nervousness, despondency and hysteria. "Favorite Prescription" is a vegetable medicine, and contains no alcoholic stimulant or dangerous narcotic to create morbid cravings. Its action is confined altogether to the distinctly feminine organism, which it heals, soothes and strengthens. It helps to make existence pleasant for baby comes, and on the occasion of the little one's advent, danger is avoided and the pain reduced to almost nothing.

Mrs. Anna Wiley, (Michigan House), of Northville, Mich., writes: "I am enjoying good health, thanks to your advice and valuable remedies. I suffered very much with female weakness and other ailments for more than two years, when I wrote to you for advice. After carefully following your advice and taking six bottles each of your 'Favorite Prescription' and 'Golden Medical Discovery' I am now a well and happy woman, and feel the benefit of your medicine, and pellets, which did me a great deal of good."

Accept no substitute, which a dishonest drug dealer may use as "just as good" as "Golden Medical Discovery."

Send 21 one-cent stamps to Dr. R. V. Pierce, Buffalo, N. Y., for his Common Sense Medical Adviser, a great doctor book by a great physician. Cloth-bound 31 stamps.

bitration committee, will meet today. It will be known as the drafting committee, indicating in its name the scope of its functions.

An effort is being made, and with a certain degree of progress, to combine the Russian and British proposals in such a way that the report of the drafting committee may secure the support of both parties in the plenary committee. There is little doubt that an agreement in principle will be reached.

The hope of the delegates that a permanent arbitration board will be established is rapidly improving. The difficult points now relate to the composition of the tribunal, how the representation of the parties is to be arranged and the limitations to be placed upon the jurisdiction of the board.
