PRICE ONE CENT

BOLD THIEF

Robbed Aged Woman.

Her Pocket Picked In Broad Daylight.

Was Followed Into Home of a Friend

And Forced Against the Hallway Wall.

Police Attempting to Locate Guilty Parties.

A very bold job of pocket picking was done on South Broadway Monday about noon. Complaint was made to the police, but as yet the crook has not been apprehended. It is thought that he left the city shortly after committing the deed.

Mrs. Orilla Allhouse, who of late has been residing at 402 South High st., started shortly before 12 o'clock Monday morning to go to the residence of Hamilton M. Lambright, 170 S. Broadway to see Mrs. Lambright in reference to a dress which was being made for her (Mrs. Allhouse).

Passing Grace Reformed church she noticed a couple of men, but her attention was not particularly attracted to them. Continuing on her way she became aware that one of the men was following her closely, yet she thought nothing of it. Entering the Lambright residence Mrs. Allhouse was followed by the man, while the other, presumably his pal, walked over toward the Windsor hotel. Upon entering the house the man crowded Mrs. Allhouse against the wall in the hallway, and by this time thinking that he probably belonged to the house, was perfectly at ease, until the man raised his hands as though he would choke her. She made no outcry, however, and the residents of the house were upstairs.

Coming downstairs Mrs. Lambright saw the pickpocket depart. He did so in a careless, unconcerned manner, as though nothing had happened.

It did not occur to Mrs. Allhouse that her pockets had been picked until Mrs. Lambright pointed to a handkerchief which was partly hanging out of the woman's pocket. Reaching after her pocket book Mrs. Allhouse found that it was missing. The truth flashed across the minds of the women at once and they hastily ran to the door, hoping to find the thief and start an officer after him. Neither he nor his pal were in sight. The police were notified, but no clew could be got as to the whereabouts of the two men.

Mrs. Allhouse is a widow, aged 68 years. She is dependant upon her own toil for support, working at housework wherever it can be found. The theft of the pocket book, in which was \$5.50, has been a source of much annoyance to her, as it was all the money she had.

She has no other well for some time, being unable to work. Some money was contributed by friends Tuesday to pay her fare to Youngstown, where she has a daughter living. Mrs. Allhouse left Tuesday morning shortly after dinner, for Youngstown. She will remain there about a month.

Mrs. Lambright describes the pickpocket as being a young man, perhaps not more than 18 years of age, medium height and build, brown eyes and light brown hair, neatly dressed, with blue sack coat, light blue shirt, no vest and light colored trousers. He wore a soft brown hat, and had neither collar or necktie. His appearance was that of cleanliness.

Mrs. Lambright is inclined to believe that the young man called at the residence a few days ago, asking for something to eat. At least a young man corresponding with his appearance was seen.

Mrs. Magdalene McMillen fell and struck her head on a stone.

Mrs. Magdalene McMillen, of 106 Good st., wife of City Commissioner O. L. McMillen, was seriously injured while returning from Thomastown Monday evening.

In company with a number of relatives she was in a hurry. The horse was passing near an engine at the side of the road. Mrs. McMillen, fearing that the horse would become frightened, attempted to get out of the vehicle. In doing so she fell, striking her head on a stone. She was apparently but slightly hurt when she arose. After resuming the return trip she was seized with fainting and vomiting spells, which continued throughout the night. Tuesday she was in a semi-conscious condition all day. The physicians in attendance believe that the injury will not prove permanent.

EDWIN GOULD

Elected Director In Diamond Match Co.

Final Ending of Troublesome War—Capital Stock Increased.

Edwin Gould, of New York, for many years considered the relentless and implacable enemy of the Diamond Match Co., of Chicago, was admitted into the directorate of that company by a vote of the stockholders at a special meeting held in Chicago Monday.

Mr. Gould's admission to the match board, following upon the absorption of his match properties into the Diamond Match Company, marks the final and formal ending of the war which had vexed and troubled stockholders in Diamond Match.

James Hopkins, formerly of Akron, now of St. Louis, was also elected to be a new director of the company, his election and Gould's being by the vote passed by the stockholders increasing the number of directors from five to seven. Mr. Hopkins was one of the original large stockholders of the Diamond Match company, and until two years ago was also a director of the company.

It is said Mr. Gould will be given nearly \$1,000,000 in Diamond Match stock for his interest in the Continental Match Company. Besides the election of the two new directors, the Diamond Match stockholders passed a resolution increasing the capital stock from \$11,000,000 to \$15,000,000, to take effect September 15.

"Backsheesh" Sent to Sulu's Sultan.

Judge Grant Scores a Glaring Discrimination.

Mr. McKinley's sole stock in trade as a legislator was a high protective tax, the chief benefit and beauty of which, in his estimation, was that it discriminated against "foreign pauper labor."

Of course, as soon as the beneficiaries of this legalized spoliation had fastened their tax upon the American consuming public they proceeded to neutralize this fraudulent protection to home industry by importing hordes of the very pauper labor against which Mr. McKinley so loudly cried out, and then taxed us again to pay the expense of putting down the riots and the like occasioned by their presence and competition. But all this, and much more which might be said, is quite beside the question I have in mind just now. What I purpose showing is that the present national administration has turned its back on its traditional hostility to "foreign pauper industry," and is "protecting" it to the infinite damage of a like industry at home.

Some three weeks ago the press dispatches in our newspapers contained the following:

HARD AMERICAN DOLLARS FOR A HEATHEN KING. A PRESENT OF \$10,000 SENT TO THE SULTAN OF SULU.

MANILA, July 12.—General John C. Bates left today, for Jolo, to negotiate with the sultan of the Sulu islands, concerning a basis for relations between him and the United States.

Otis instructed Bates to promise the sultan that the United States would fulfill all the Spanish obligations in his case, including the payment of his salary and those of his chiefs.

Bates also took with him a present of \$10,000 for the Sulu potentate as evidence of the good intentions of the United States.

The meaning of this is that Spain, never being able to subdue Sulu, had been accustomed to pay to its

THROWN OUT.

Unofficial Ballots.

Votes For Independent Ticket Not Counted.

Canvassing Board's Report a Surprise.

Majors Vollrath and Weybrecht Will Appeal

Their Case to Adjutant General Axline.

Majors Vollrath and Weybrecht were counted out for lieutenant colonel and senior major, respectively, by the Board of Canvassers report made Monday afternoon and forwarded to Adjutant General Axline at Columbus.

Captain Herman Werner, one of the Board, said: "We looked up the law and in compliance with it, counted only the official tickets. But in our report we stated the number of votes cast for the independent ticket. The rest remains for Adjutant General Axline to decide."

"I hold, however," he continued, "that another election is absolutely necessary for all officers except colonel, to adjust matters satisfactorily in the regiment."

The report of the Board makes the list of new officers as follows: Hon. Chas. Dick, Akron, colonel; A. A. Critchfield, Shreve, lieutenant colonel; F. S. Marquis, Mansfield, senior major; M. A. Charlton, Bucyrus, junior major.

Major Edward Vollrath, of Bucyrus, when asked for his opinion of the report said: "I regret the Board has made his decision as it has. They recommend that commissions be issued to men who have not even received a majority of the votes, which they have counted, while on the other hand they ignore a decided majority of the votes cast for the so-called independent candidates. We will appeal the matter to the Adjutant General." Major Weybrecht stated that his views of the matter were the same.

It was rumored Monday that the Board's time was occupied mostly with the Mansfield company's report. It was said that the ballots did not accompany the tally sheets. Captain F. C. Gebach, of Wooster, denied this report.

The report will pass from the hands of Adjutant General Axline to Governor Asa S. Bushnell. His decision will be the closing chapter of the controversy, unless another election is ordered. At any rate, Majors Vollrath and Weybrecht will act according to the decision of Governor Bushnell.

The Vote. The vote, as reported by the Board is as follows: Chas. Dick, colonel, 389; A. A. Critchfield, lieutenant colonel, 121; F. S. Marquis, major, 181; M. A. Charlton, major, 172.

The votes, which were not recognized as official, were cast as follows: Edward Vollrath, lieutenant colonel, 215; C. C. Weybrecht, major, 177; A. A. Critchfield, major, 167.

ROBBED

Of Diamond Rings, Bracelets and Pin.

Property Stolen From a Wreck Victim Coming to Akron.

Mrs. F. C. Heath, of No. 1838 Seventh avenue, New York, who was injured in the railroad wreck at Port Jarvis, was on her way to visit friends at Akron, O., says a special. She was robbed of her diamond rings, bracelets and pin. She had them in a box in her berth. When the sleeper was broken open she became unconscious. She was lying on the rocks when she revived. Some one helped her to a car and wrapped a blanket around her.

She was taken to the hospital utterly prostrated and suffering from contusions. Her daughter went to Port Jarvis to spend the afternoon at the hospital. She said the jewels lost by her mother were very valuable, but she could not give the amount until she learned how much had been left at home. She notified the police of the loss.

Mrs. Heath is the aunt of John R. Allen, of Park st., this city. Her injuries are not serious.

Not In the Trust. The rumor was current today that the Goodyear Tire & Rubber Co. has entered into the rubber trust.

Mr. Frank A. Selberling, general manager of the company, said in reference to the report: "There is absolutely no foundation for such a belief."

Special city taxes are now due and will be payable at Treasurer's office, August 1st to August 20th, 1899. Charles H. Isbell, City Clerk.

TROUBLE

Over Use of Well.

Court Called on to Settle the Difficulty.

Families Are Not to Have Controversy.

Californian Lost Papers Issued Years Ago.

New Pleadings Filed Today—Court News.

A short time ago Attorney T. L. Childs filed a motion in Court asking that F. B. Theiss be discharged as receiver of the Red farm.

Childs alleged that the family on the place had refused to allow him the use of a well and that they had thrown dead animals in a spring which he had cleaned making it necessary for him to haul water for a long distance.

Judge Kohler has made an order giving Childs the right to get water from the well on the Red farm. In case the tenant, one Drake, refuses to comply with the Court's order the lease, by which he holds possession, is to be terminated.

On the back of the journal entry this endorsement appears: "Edwin Voris having agreed to this entry it is approved. Said Childs in taking water from said well shall have no controversy with said Drake or family."

Papers Lost. Joseph J. Morris of San Francisco, has written a letter to Probate Judge Anderson, in which he says that the naturalization papers issued to him in this county in 1870 or 1871 have been lost. He asks for a certified copy of the same.

Cross Petition. H. Jaskulek has filed an answer and cross petition in the case of the Akron Lumber Co. vs. Willis P. Stair. He says the defendant is indebted to him on a judgment for \$409.70.

Married in Court. Frederick Craft and Julia Minnick, both of Barberton, were united in marriage this afternoon in the Probate Court, Justice E. J. Hard performing the ceremony.

Probate Court. Jennie L. Rood, administratrix of the estate of Wilbur V. Rood, has filed a motion asking authority to expend \$300 in the purchase of a monument.

An inventory of the estate of Asahel H. Chamberlain has been filed. The property was appraised at \$1,017.04.

Coroner Leberman Making An Investigation

To Ascertain the Cause of Death.

Suspicion Aroused by Talk of Neighbors.

Stomach of Herman Swigart Will be Analyzed.

Coroner E. O. Leberman and Dr. A. K. Fouser are making an investigation to ascertain the cause leading to the death of Herman Swigart, of Copley tp.

Mr. Swigart, aged 28 years and 25 days, died a week ago today, after an illness of three days. The cause was reported as indigestion.

Suspicion was thrown on the case by neighbors, who gossiped considerably regarding the cause of death after such a short illness. Many were of the opinion that he had been poisoned.

Coroner Leberman removed the body from a vault in Copley, Sunday. It is said the stomach has been analyzed. It is thought that sensational developments will follow.

A DEMOCRAT reporter called on Coroner Leberman Tuesday morning. He admitted that an investigation was in progress, but declined to talk in reference to the affair. He stated that the result of their work would not be made public for three or four days.

Natural Gas

Notice to the Citizens of Akron:

In order to introduce into all homes in the city of Akron in the shortest possible time the use of Natural Gas, The East Ohio Gas company will give

A Discount, From the Present Fixed Rates, of 5c For Each 1,000 Cubic Feet.

Of gas used for domestic purposes during the year commencing July 1st, 1899, and ending July 1st, 1900.

As the company is making all house connections at actual cost of materials and labor, it believes that this saving in the price of gas will go largely towards the expense of piping the houses and will give the company the advantage of having every citizen (even the poorest) as a consumer, thus affording to all the best and cheapest fuel. To encourage the use of gas by manufacturers, special rates will be given on application at the office.
