

# MANY THOUSANDS Will Come From the Neighboring Cities and Counties

## On Bryan Day---Hudson Club Has Chartered Special Train---Kent, Ravenna and Canton Will Send Large Delegations.

The officers of the Hudson Democratic club have chartered a special train and between 400 and 500 voters from that place will come to Akron Bryan Day, (Saturday, Oct. 13,) to hear the two great speakers, Hon. Wm. Jennings Bryan of Nebraska, and Mayor Samuel Jones of Toledo.

The special train, via the C. A. & C. will arrive in Akron between 1 and 2 o'clock in the afternoon in time to allow the delegation to hear Mayor Jones deliver his address. The Hudson club has a splendid marching organization and it is announced that they intend making their line-up in the

mammoth parade in the evening a great feature.

Prominent Portage county Democrats have informed Chairman Rogers of the Summit county committee, that he could expect a delegation from Kent and Ravenna 1500 strong. The majority of them will come in over the Walsh Electric line, the Erie, and B. & O. railroads.

The Canton Democratic club of Stark county will also send up a delegation of from 1,500 to 2,000 over the Valley road. This organization will also have a large marching club in the parade.

Doylestown, Wadsworth, Barberton, Peninsula, in fact all the towns and villages in the counties surrounding Akron will send delegations, and the greatest crowd ever assembled in this city will be here Bryan day.

him to mount a horse, and act as commanding marshal of the second division. The Chief Marshal then requested the committee to appoint eight persons to serve as aides. The following were appointed:

- City Clerk Chas. H. Isbell.
- Dr. L. P. Waldron.
- Edw. H. Bishop.
- Dr. Peter Fehr.
- Wm. L. Burkhardt.
- August Treat.
- Joseph Werne.
- George Moore, of Hudson.

Chief Marshal Taneyhill announced that all mounted marshals and aides should report to him in front of Democratic headquarters promptly at 5 o'clock, Saturday afternoon.

The music committee, consisting of Messrs. Chas. H. Isbell and Mr. A. Spencer, reported that at least five bands would be required to furnish music for Saturday afternoon and evening, and recommended that the Eighth Regiment, Goodrich, Foster's, Diamond Rubber and K. O. T. M. bands, each to consist of not less than 25 pieces, be engaged. The report was adopted. The bands have been assigned to positions by Chief Marshal Taneyhill as follows: Eighth Regiment band, preceding carriage containing Mr. Bryan and party at head of first division; Goodrich band, head second division; K. O. T. M. band, head third division; Diamond Rubber band, head fourth division.

The parade will move promptly at 7 p.m. Ex-Mayor Wm. H. Miller has been chosen by Chief Marshal Taneyhill as marshal of the second division, vice Capt. Benner. Capt. Benner, at his request, has been assigned as aide to Marshal Wm. Williams, in charge of the fourth division.

The Democrat will publish statements from the Chief Marshal from day to day as additions are made to the marching clubs or any alterations in the Chief Marshal's orders published in yesterday's Democrat.

Chairman Rogers has appointed City Commissioner Daniel McGarry and Hon. Chas. W. Kempel to secure carriages for Wm. J. Bryan and the Reception committee.

Because of the immense crowds of people who will throng the streets Bryan day, the matter of appointing a sufficient number of special police to preserve order was discussed at headquarters Tuesday night. It was finally decided to have City Commissioner McGarry and Paige act as a committee on special police.

A Fire Works committee, consisting of Editor Louis Seybold, Hon. Chas. W. Kempel and Hon. A. C. Bachtel, was appointed Tuesday night to secure and have charge of the illuminations

and fire works for the parade. The committee asked for volunteers to assist in making this feature a success, and the following persons agreed to aid committee: Messrs. Jacob Nehr, Charles R. Wadhams, Richard Mason, Charles Cummins, Henry Nehr, Adam Rois, Michael Rois, and Jacob Wanner.

Messrs. David J. Snyder and J. W. Harter were appointed to fire the "Presidential Salute," with Coventry Bryan club's brass cannon the moment Candidate Bryan steps from the car at the South st. railroad crossing.

Ten thousand badges will be printed and furnished to voters who march in the parade. The badges can be secured at Democrat headquarters any time during Saturday. The badges will be in charge of Messrs. John Koerber and J. W. Harter.

All persons who want Bryan lithographs for window decoration on Bryan day can get them at Democratic headquarters.

The committee has reduced the price of Liberty Bell souvenir pictures to 10 cents.

The Hudson Bryan club seems to be composed of the right kind of hustlers. The club has chartered a special train to convey its members and northern Summit county voters to the Bryan meeting, and assurance has been received that several hundred people will take advantage of the opportunity to come to Akron. The train will return to Hudson after the Bryan meeting.

The Prohibition club held a meeting Tuesday night in the W. C. T. U. rooms. It was decided to go to Cleveland in a body to attend the Woolley meeting Thursday evening. The Akron delegation will march in the parade.

Secretary Scott D. Kenfield, of the Republican County Executive Committee, is of the opinion that the vote this fall will be the largest in the history of the county. He believes, however, that a number of voters will neglect to register because of the change in the boundary lines of the wards. Thursday is the first day of registration and to be absolutely safe all voters should endeavor to register on that day.

The Fifth Ward Democratic club will meet at the Democratic headquarters Friday evening at 7:30 o'clock.

It is announced by the Beacon that the Republicans of Tallmadge are actually pining away so anxious are they to hear the melodious voices of "Lutie" Miles and "Dock" Sisler. Thursday evening the local excuse for a Republican organ announced:

"Tallmadge Republicans are hankering for a meeting. They propose to have a rouser when they open the campaign in the township and they have a weakness for the kind of speeches that "Lutie" Miles

and "Dock" Sisler make to their Republican friends."

These endearing terms must be sweet sounding to the spellbinders of the Republican party. Why not treat all alike? As soon as "Parkie" Alexander, "Hankie" Sanford, "Newtie" Tibbals and "Rubie" Wanamaker are scheduled for speeches the Democratic party in this county will be willing to concede that it is hopelessly defeated. Against such a combination it would be impossible to win.

Thomastown Republicans would not be satisfied until they ascertained that their petition had been granted and that "Newtie" Tibbals and "Georgie" Anderson had been assigned to speak there. They are again eating three meals a day in the village. The meeting will be held Oct. 19.

Sen. John M. Thurston made his last speech in Ohio in Akron last night. He left Wednesday morning for Indiana. He was at Medina when he received word to come to Akron. The local committee was in a quandary Tuesday afternoon when it was ascertained that Senator Spooner was unable to fill his date here. It was partially decided to have addresses made by local orators. "Rubie" Wanamaker, "Parkie" Alexander, "Strickie" Eblight and a number of others were notified to hold themselves in readiness for a call at short notice.

Sen. J. J. Sullivan will make two speeches in Summit county. The Republican State Executive Committee has not fixed the dates or the places.

The managers of the Republican County campaign are not at all satisfied with the support they are receiving from Dobson's paper. In the first place they want him to stick to the truth. Night after night the Beacon has published known falsehoods in reference to the meetings held by the Democrats. Every Republican, who attended the meetings ridiculed by the Beacon, knew that Editor Dobson had deliberately lied in his accounts of the proceedings. When this matter was called to the attention of Chairman E. W. Stuart, he agreed that a mistake was being made and that the course of the party organ was not wise. He stated that he would pay a visit to the Beacon office and request that the tactics of the paper be changed.

### ARE QUICK TO SEE.

Good Doctors are Quick to see and Appreciate Real Merit in New Medicines.

Stuart's Dyspepsia Tablets are a discovery of great value to the medical profession and the public. They are an unfailing specific in all cases of dyspepsia and disordered digestion. Almost everybody's digestion is disordered more or less, and the commonest thing they do for it is to take some of the many so-called blood purifiers, which in many cases are merely strong cathartics. Such things are not needed. If the organs are in a clogged condition, they need only a little help and they will right themselves. Cathartics irritate the sensitive linings of the stomach and bowels and often do more harm than good.

Purging is not what is needed. The thing to do is to put the food in condition to be readily digested and assimilated. Stuart's Dyspepsia Tablets do this perfectly. They partly digest what is eaten and give the stomach just the help it needs. They stimulate the secretion and excretion of the digestive fluids and relieve the congested condition of the glands and membranes. They put the whole digestive system in condition to do its work. When that is done you need take no more tablets, unless you eat what does not agree with you. Then take one or two tablets—give them needed help and you will have no trouble.

It is a common sense medicine and a common sense treatment and it will cure every time. Not only cure the disease but cure the cause. Goes about it in a perfectly sensible and scientific way.

We have testimonials enough to fill a book, but we don't publish many of them. However—

Mrs. E. M. Faith, of Byrd's Creek, Wis., says: "I have taken all the Tablets I got of you and they have done their work well in my case, for I feel like a different person altogether. I don't doubt if I had not got them I should have been at rest by this time. H. E. Willard, Onslow, Ia., says: "Mr. White of Canton, was telling me of your Dyspepsia Tablets curing him of Dyspepsia from which he had suffered for eight years. As I am a sufferer myself, I wish you to send me a package by return mail. Phil Brooks, Detroit, Mich., says: "Your dyspepsia cure has worked wonders in my case. I suffered for years from dyspepsia but am now entirely cured and enjoy life as I never have before. I gladly recommend them. It will cost 50c to find out just how much Stuart's Dyspepsia Tablets will help you. Try them—that's the best way to decide. All druggists sell them. A little book on stomach diseases will be mailed free by addressing F. A. Stuart Co., Marshall, Mich."

### PERHAPS

It's Here In Akron.

Trunk That Holds Fortune of \$22,000.

Two Hundred Gold Medals and Diamonds

Lost by an Actor During His Travels.

Died Without Telling Where It Could be Found.

Somewhere in Ohio there is a trunk which contains a fortune of \$20,000, and the persons to whom it belongs are unable to find it. Every effort is being made to get track of it. The fortune consists of over 200 gold medals and several diamonds, once the property of Roderick J. McDonald, now deceased. McDonald was known the world over as a dancer, and held many championship medals as trophies of his achievements. He has appeared in Akron.

McDonald died in Chicago a week ago at the home of his aunt, Mrs. Brogan, 3744 Wabash ave. Prior to his going there he was stricken in Rock Island, Ill., by a nervous malady which rendered him speechless and unable to use his hands. At his aunt's home, when he learned that he had not long to live, he tried to tell her of the existence of his fortune.

Mrs. Brogan learned that it was in the trunk which had accompanied the famous dancer on many of his travels, but where the trunk was she could not learn, despite the pitiful efforts of the dying man to tell her. The nearest she got to the location was Ohio.

Authorities of cities through which the man rode on his last trip were communicated with and the search is now in progress.

In Rock Island, where McDonald was stricken, it was said he had no trunk. Nevertheless the railroad officials there are endeavoring to get track of the valuable box. Besides the jewelry there are valuable papers which Mrs. Brogan is anxious to find. Except Mrs. Brogan, the only relatives the deceased had were two nieces in Ottawa, Canada, his birth place. McDonald was 41 years old.

### FIRST TRIAL

For an Alleged Violation of Desertion Law.

Leo J. Goodrich, the first man arrested in this part of the state under the new law that makes it a felony instead of a misdemeanor to desert a minor child, is to be placed on trial under the new law in the criminal court at Cleveland today.

Goodrich was a man-of-war's-man on Admiral Schley's flagship during the Spanish war, and the baby boy abandoned, according to the charge made against the father, is named after the admiral. The infant is blind. The wife Goodrich is alleged to have deserted resides in the apartment house at the corner of Wilson and Euclid avenues, Cleveland. It is alleged that Goodrich left her practically destitute. He was arrested on the abandonment charge at Kent, and it is said he will fight the case bitterly, there being a possibility that a test case will be made.

Under the new law the conviction may be punished by a term in the state penitentiary, although the judge may release the father on his giving \$1,000 bond to care for the child.
