When She Laughed.

In his volume on Ellen Terry Clem ent Scott tells of a somewhat self satisfied, vainglorious and grumpy actor who complained that the noted English actress continually laughed in one of his most important scenes. He had not the courage to tell her his objections, so he wrote her a letter of heart-broken complaint, in which he said: "I am extremely sorry to tell you that it is impossible for me to make any effect in such and such a scene if you persist in laughing at me on the stage and so spoiling the situation. May I ask you to change your attitude as the scene is a most trying one?"

Miss Terry's answer was very direct and to the point, for she wrote: "You are quite mistaken. I never laugh at you on the stage. I wait till I get home."
