TODAY'S GAMES.

Bowling, among the Akron enthusiasts, is now in its summer vacation. With the exception of a few games to be completed in the one-man tournament, little or no enthusiasm is being manifested in connection with the game. To the uninitiated this would seem to denote that the game is losing its grip on the interest of Akron people, but such is not the case. As soon as cool weather returns the friends of bowling soon rally to their favorite sport and the rumbling of balls and clash of pins is again heard in the land.

Akron's clubs have fought each other with exceeding interest and earnestness in tournaments and match games, and while some little feeling may have been aroused over minor incidents, harmony prevails among the bowlers.

During the past season, more than during any time previous, ladies have been learning the game. As a rule they have found the sport healthful and exciting and those who have been initiated are usually as badly afflicted with the bowling fever as their male friends.

The greatest obstacle in their way has been the lack of alleys, for, with the exception of the club alleys and one or two private alleys, they have had little or no chance to practice in private. The growth of the bowling spirit among the ladies of Akron will doubtless fare a remedy for this condition, and ladies' bowling clubs are among the prospective additions to bowling in Akron.

GARDNER RETIRES.
Oscar Gardner has finally made up his mind to retire permanently from pugilism. He has been a working fighter, has a long record of hard fought battles and a host of friends in and out of the game, who wish him well.

AROUND THE WORLD.
Chicago, July 23.—Caston Stiegler, who is trying to break the record around the world for the Matin, of Paris, France, left here at 5 o'clock this afternoon for Niagara Falls. Stiegler expects to reach Paris on Aug. 1. His time in the world encircling trip will not be under sixty-four days.

NEW ROAD RECORD.
Buffalo, N. Y., July 23.—William H. Brown, riding under the colors of the Century Road Cycling Association, yesterday established a new record for the miles between New York and Buffalo. Brown covered the distance in 43 hours and 54 minutes. The former record was held by lettercarrier Smith, of New York, who rode over the course in 1893 in 56 hours and 10 minutes.

WITTMER'S WORK.
Cincinnati, July 23.—(Spl.)—Charley Wittmer is training harder than he ever trained in his life and is fast rounding into shape for his match with Tom Jenkins, which takes place at Cleveland on July 29. He has had his quarters fixed up with several new muscle building devices and has added a number of clever men of different weights to his staff of assistants.

The fact that all women suffer during the birth-hour leads a great many women to accept a degree of suffering which is altogether unnecessary. Sometimes it is hours, sometimes days before the struggle is over. No medicine can absolutely eliminate pain from this time of travail, but Dr. Pierce's Favorite Prescription can and does make the baby's advent practically painless. It acts upon the organs of maternity, giving them strength and elasticity. It produces physical comfort and mental cheerfulness. It is an effective tonic, giving the mother abundant nutrition for her child.

"I believe I owe my life to Dr. Pierce's remedies, and have long felt it my duty to acknowledge the benefit I received from Dr. Pierce's Favorite Prescription and Pleasant Pellets," says Mrs. Maria O. Hayzel, writing from Brookland, D. C. "Six years ago, after the birth of one of my children, I was left in a weak, run-down condition. My health seemed utterly gone. Life was a burden. I doctoried with three different physicians and got no relief. I began to get worse, and to add to the complications, I suffered terribly from constipation. I began to see one of your advertisements and concluded to try the above remedies. I commenced to take Dr. Pierce's Favorite Prescription and Pleasant Pellets, and began to improve right away, and continued improving and gaining in strength. I cannot express the relief it was so great. Seven months later my little daughter was born without much trouble. I feel that I would never have been able to endure my confinement only for the help due solely to Dr. Pierce's medicines. She was a fine, healthy child, and the only one I have ever been able to nurse."

Dr. Pierce's Pleasant Pellets cure constipation.

CRESCUEUS WILL LEAVE TRACK.
George M. Ketcham, owner and driver of the world's champion trotter, Cresceus, announces that this will be the stallion's last season on the track. At the close of this season he will be sent to New York, where he will be placed in the stud. Mr. Ketcham also adds he hopes to establish a new world's record before the season closes.

PORTAGE COUNTY RACES.
The Portage County Agricultural Society has announced the following races for their fair: Trotts, 2:30 class, purse \$125; 2:30 class, \$175; 2:23 class, purse \$200; 2:19 class, \$200; pacing, 2:40 class, \$150; 2:25 class, \$150; 2:18 pace, \$200.

FIGHTERS HAVE WRESTLING FEVER.
The fighters are still wrestling crazy, and if all the matches scheduled are pulled off some of the men will be busy the rest of their natural lives, says the Cleveland Leader. Tom Sharkey is the most active man in the lot. He has arranged to wrestle a Professor Atlas in Connecticut; he has a match on with Peter Maher, to be decided in a Philadelphia ball park; another is laid out for him in New Orleans, and now the sailor is trying to get on with Bob Fitzsimmons, who was recently thrown by Gus Ruhlin.

Fitz says he has no objection to tackling Sharkey, and has agreed to meet the sailor in Madison Square Garden next month. The match is to be at mixed style, catch-as-catch-can, and Graeco-Roman. Sharkey is anxious to bet \$1,000 on the side on the match. Terry McGovern has also conceived the idea that he can become as good a wrestler as he is a fighter. In some private tussles Terry has shown unexpected ability at performing on the mat. A challenge for him will be issued to a professional 180-pound wrestler, who is nearer to Terry's weight and height than any other wrestler.

"Kid McCoy" is one of the pugilistic stars who refuses to try the wrestling game as many others have done since the death of boxing. He says: "I cannot match my strength against that of others, and that is all there is in wrestling."

McCoy thinks there will be legislation soon that will enable fighters again to enter the city of New York.

Sleep

is Nature's time for rest; and the man who does not take sufficient time to sleep or who cannot sleep when he makes the effort, is wearing out his nervous strength and consuming his vital power. Dr. Miles' Nervine brings sweet, soothing, refreshing sleep. Don't let another night pass. Get it to-day.

"I had hard nervous spells, lost all appetite for food and for eight weeks was unable to sleep at night. The only thing that helped me was Dr. Miles' Nervine. It cured me."

The Piano-Buying Public's Attention

Is respectfully called to the photograph of these four carloads of pianos, shipped solid to me from the Hobart M. Cable Piano Co., Chicago, last week. Hobart M. Cable was vice-president of the Cable Piano Company of Chicago, for a number of years, and tiring of the cheaper grades of pianos, called to his assistance the experience of Jno. L. Smith, former superintendent of the New England Piano Company, and a number of other associates, who were experienced in the manufacture and marketing of pianos. Selecting only the best workmen he began building this year the piano bearing his name—**Hobart M. Cable**—and a strictly high grade piano is the result. The public will not confound the Hobart M. Cable piano with any other piano in existence, bearing the name Cable, but remember that the Hobart M. Cable is an artistic product. This was the largest shipment of pianos that ever came into Summit county, their value being in the neighborhood of \$15,000. One carload was taken by the Massillon store, one carload by the Canton store, the other two car loads are here. They are matchless in case work, with a delightful, responsive easy action, and a sweet, clear, mellow, singing tone. To play upon one is to become a friend of the Hobart M. Cable piano.

Now is the Time to Buy Your Piano

The present good, dry weather guarantees that the instrument will go into your house in better condition than it will at almost any other time of year. **Ridiculously Low Prices** will be made upon these instruments, and I await the pleasure of a visit from you, and guarantee that whatever you buy will give you the best of satisfaction.

the diamond with the team of the Goodrich Rubber Co., Tuesday night, on Buchtel field. The bowlers have already defeated the Goodrich team two games out of a series of three and today's game will be the first of another series. The Grands will probably play the West Hill Grays later in the week.

KIRKWOOD'S GAME.
The Kirkwoods have recovered sufficiently from Saturday's defeat to arrange for a game against the South End Athletic club, to be played at Buchtel field Saturday. They will also face the Kents at Kent, Aug. 3, and the Kents will play them a return game here August 10.

She Didn't Wear a Mask.
But her beauty was completely hidden by sores, blotches, and pimples till she used Bucklen's Arnica Salve. Then they vanished as will all eruptions, fever sores, boils, ulcers, carbuncles, and felons, from its use. Infallible for cuts, corns, burns, scalds and piles. Cure guaranteed. 25c at all druggists.

PREPOSITION.
Its Omission Does an Injustice to Mr. Krisher.

The importance of the preposition could scarcely be shown to better advantage than it was by omission in a Police Court item in Monday's Democrat. By a typographical error, the word "by" was omitted from a reference made to Sam Zass' being accused by Perry Krisher of receiving stolen brass. Mr. Krisher, not Zass, was the accuser, but the sentence, minus the "by" made it look as if Zass were the accuser. The plain facts in the case show that Mr. Krisher has filed affidavit against Sam Zass, accusing him of receiving stolen brass.

TRIAL
Of an Alienation of Affection Suit at Coshocton.

Coshocton, O., July 23.—In the latter part of May last, Attorney George Hetler filed suit in the Coshocton county Common Pleas court for \$20,000 damages against Thomas C. Roche, Probate Judge of Coshocton county, charging the Judge with the alienation of the affections of the plaintiff's wife. The case was called for trial Monday before Judge Eason with a fine array of legal talent on either side.

Hetler and Judge Roche were formerly great friends. After the trouble began Mrs. Hetler, formerly Miss Louisa Stocker, of Port Washington, Tuscarawas county, went to her former home. The Hetlers were married in 1894 and have no children.

The greatest healer of modern times is Banner Salve for cuts, wounds, sores, piles and all skin diseases. It is guaranteed. Use no substitute.

Advice to a Run-away Boy.

Mayor Doesn't Like Artificial Homes.

Officer Washer Quite a Linguist.

His Good Luck Explained to Ed McGuire.

"Paul, these artificial homes are not the place for young boys. I might send you to a reform school, but my advice is, 'Go back to your mother.'"

Sympathy and even compassion, controlled the Mayor's voice when he thus addressed little Paul Mall, a runaway boy from Fostoria. Paul said he was 16, but his diminutive figure, and tears flowing down over his cheeks, didn't make him look that old. He was picked up from a B. & O. freight by Officer Edwards Monday evening, and locked up over night. After hearing the boy's story, Mayor Doyle said: "We'll keep you around the City Building until we hear from your people."

Paul's story was little different from those told by other boys. He only got 60 cents a day, had to give it up, and the climax to wrongs attributed to his father was a too liberal application
