THE STANDING.

Art Simms again demonstrated last night at New Britain, Conn., that he is the fastest pugilist of his weight in the world, and although the fight was given him on a foul in the thirteenth round, the fight was his and he won by his very shortly, the foul blows struck by "Kid" Thomas being the final plan to which he resorted in distress.

The fight, while it lasted, was the fastest ever seen at New Britain. The men fought at 133 pounds, and for eight rounds were evenly matched. Then Simms, having been conservative, until he had learned his man, cut loose and literally put it all over his opponent. Thomas stood his punishment gamely until the twelfth and then began to hit low, so that he fouled Simms repeatedly. In the thirteenth he continued to strike low and the decision was made, giving Art the fight.

Simms was willing to continue the fight and wanted to do so badly, even after the decision went to him, but his seconds refused to allow him to do so.

Art knew the value of this fight to his standing and wanted very much that it be fought out on its merits. He clearly had the best of the argument and was punishing Thomas badly when the latter fouled him.

Simms will now go after Terry McGovern.

PLANETS ACCEPTED. The Planet foot ball team has accepted the challenge of the Barbertons and will play the latter team at Barberton, Sept. 28.

The Planets have completed the make-up of the foot ball team for this season and have been practicing steadily for nearly two weeks. They are pleased with the rapidity with which they have acquired form and believe they can play good ball this fall. The Barberton game will start the season for both teams. Later games are being sought by both the Planets and Barberton management and it is believed both will figure in hot contests before winter.

CANADIANS WON. Canadian riflemen beat the Americans yesterday in a long session for the Palma American centennial trophy, at Sea Girt, N. J. The trophy carries with it the world's championship and the Canadians won by a margin of 28 points.

FOOT BALL LEAGUE. Speaking of an Akron foot ball league recently an ex-college foot ball player and local club man said: "A league for Akron is impossible. Teams cannot play each other many games. Some Akron teams are averse to playing others, because of past difficulties, and these dissatisfied ones would cause trouble, no matter what the conditions.

"Foot ball is too hard on the players to make the league possible. The players would continually be battered out of condition and the ability of the teams would soon deteriorate so that they could not produce an interesting foot ball game. Akron players are amateurs and have daily work of some kind to attend to and could not give the game the time necessary for many games.

"Besides these things the season is

Look Ahead, Girls.

If young girls would look ahead it would sometimes save them from serious collision with the men they marry. It is here that ignorance is almost a crime. The young husband cannot understand it when the wife changes to a peevish, nervous, querulous woman. And the young wife does not understand it herself. She only knows that she is very miserable.

If ever there is a time when nature needs help it is when the young girl is adjusting herself to the new conditions of wifehood. Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It promotes regularity, dries debilitating drains, heals inflammation and ulceration, and cures female weakness.

Sick women are invited to consult Dr. Pierce, by letter, free. All womanly confidences are guarded with strict professional privacy. Write without fear or fee to Dr. R. V. Pierce, Buffalo, N. Y.

"I will drop you a few lines to-day to let you know that I am feeling well now," writes Miss Annie Stephens, of Bellefonte, Pa. "I feel like a new woman. I took several bottles of the 'Favorite Prescription' and 'Golden Medical Discovery.' I have no headache now, no backache, and so pain in my side any more. No beating of a pain any more. I think there is no medicine like Dr. Pierce's medicine. I thank you very much for what you have done for me—your medicine has done me so much good."

Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.

short and a schedule could not be played on."

ANCHORS VS. IRON ST.

The Anchors and the Iron St. base ball team will meet in a game for glory on the White City grounds Saturday.

The Anchors claim to have played many games this season and to have won most of them, so that those youthful teams will battle in no uncertain style for the victory.

JENKINS-MCLEOD MATCH. Advance reports of the Jenkins-McLeod wrestling match have a tendency to give McLeod a great deal of boosting.

REFERENCE WAS HISSED. Matty Matthews' recent victory over Patsy Sweeney was not untimed with the shadow of defeat. The fight took place at Hartford, Conn., and Charles White was referee. When the referee announced his decision, it was greeted with hisses and howls, as the audience believed Sweeney was entitled to a draw.

BERRODIN'S ALLEYS. Within a week "A" Berrodin's bowling alleys will look like new.

At present they are being planned, sandpapered and varnished into excellent shape for the season just opened. Mr. Berrodin announces that the tournaments which were so popular last season will be repeated, and he has already begun arranging the prize lists.

DENIES HIS BET. It is denied by the reported bettor himself, that C. Arthur Pearson, offered to bet \$25,000 on Shamrock II. Now that Constitution has been replaced in the lists, the bet may not be so very wise, after all.

WALCOTT-GARDNER. One of the best matches that has been arranged lately is the one between George Gardner and Joe Walcott, who have signed to fight before the San Francisco Athletic club on Sept. 27. Walcott's reputation is a trifle shady, as it is believed he laid down to George Lavigne a couple of years ago. The fight is looked forward to as a good one, under ordinary conditions.

TO FIGHT THE WINNER. It has been half-promised by the National Athletic club that "Kid" Carter will be matched to fight the winner of the Gardner-Walcott fight.

MURRAYS AND BUCKEYES. The Murrays and the Buckeyes will play at Randolph park, Sunday, the game being called at 3 p.m. The Murrays have won every game in the series thus far and the Buckeyes declare they will make it warm for them this time. A big crowd of rooters will go along.

Dances at Silver Lake every evening until Oct. 1. Meals served. Good street car service.

ARNOLD REUNION.

Elected Officers and Decided to Meet in Wayne Co. Next Year.

The second annual reunion of the Arnold and Burgan families was held August 31, at the home of E. E. Bigelow, in Copley township. There were 163 members present. After an elaborate dinner, came a program consisting of instrumental and vocal music, dialogues, recitations, graphophone selections and cake walking.

The program closed with a very interesting address by Samuel Willford, in which was given a history of the Arnold family. The following officers were elected: President, Charles Ganyard; secretary, A. Arnold; treasurer, D. M. Bigelow. It was decided to hold the next reunion at the old Arnold homestead, in Wayne county, which is now owned by Anthony Arnold. The meeting was dismissed by Rev. Rothrock.

POSTPONED.

Meeting of Horticultural Society a Week Later.

The September meeting of the Summit County Horticultural Society, which was to have been held at Silver Lake on the 11th, has been postponed one week on account of the G. A. R. National encampment at Cleveland. We hope to see every member of the society present on the 18th.

For New Orleans Plumbers.

The Raise Results From Competition With Strikers.

New Orleans, Sept. 6.—Wednesday night the contracting plumbers met and agreed to pay all non-union plumbers \$5 a day for 8 hours work. This action was taken by the contractors to oppose the journeymen plumbers who the day previous had gone on a strike, asking for \$8.50 per day and recognition of their union. Today the various labor unions engaged in the building trades will meet and agree not to work on any structure on which non-union plumbers are employed. Serious complications are expected to follow.

Story Told by a Stranger.

Persuaded Girls to Go to New York.

They Were Made Prisoners There.

INVESTIGATIONS OF THE PARKHURST SOCIETY.

Reading, Pa., Sept. 6.—The statements Alderman Nickel made with reference to girls being allured from this city to New York, has set the police to work diligently. His story is that a stranger came here and posed as a theatrical agent. He advertised for young and good-looking girls, and to all applicants he told an interesting and seductive tale of stage life and the money to be earned. A half-dozen girls were soon sent to New York.

When entrapped they wrote home, but could not get their letters forwarded. Parents complained to the alderman. He informed the postal authorities, and a postal money-order failed in its purpose. The alderman then sent all the names of the girls to the Parkhurst society. When the detectives were about to raid the places where the girls were, the parties running the establishments were given the tip, and all of the inmates were taken to Jersey City.

Some were furnished with tickets and sent to their homes. The man told them that he would be in Reading in a few weeks and call on them. He has not appeared as yet, and that was nearly three weeks ago. The only girl to remain in New York or to be captured during the raid was Mattie Gibson. She is still there and will be used as a witness. It is said that some of the others who are within reach will be used as witnesses at the proper time. One of those who returned home is well known. She called on Alderman Nickel and told him all about how they were persuaded to leave home and where they were taken after reaching New York. Once in the establishment they were compelled to submit to the dictates of the mistress of the house and were not permitted to leave the place.

Alderman Nickel says a number of Reading girls have disappeared from the city recently, and he feels sure that they could be located. He says that he is now in communication with the Parkhurst society, with a view of furnishing such data as may be of use to the organization when the trial of the parties comes up.

They're Killed in China.

Mayor Believes Uncle Joe Was Justified in Saying What He Did.

"That particular case was such an exasperating one that I am almost inclined to believe Uncle Joe Kendall was justified in making his remark general that any man who would beat his mother should be killed," said Mayor Doyle to a reporter for the Democrat Thursday.

"Such cases will try the forbearance of the most conservative. In China a boy who strikes his father or mother is killed by the authorities of the town, and if the general government finds out that a town is harboring so inhuman a child, the officials are at once called to account for their negligence. In some instances towns so offending have been destroyed."
