

DRAW.

Simms Failed to Whip Furey.

Had a Shade the Best of It, However.

Preparations For the Wadsworth Show.

Two Good Football Games Are Attracting Much Interest.

Cincinnati, Oct. 25.—(Spl.)—Art Simms is still Akron's undefeated and although his night was declared a draw last night it is admitted that he had the best of it and that Furey was glad to hold him and save himself from punishment.

Furey surprised his following by the excellent condition in which he appeared and the good work he did at long range. The fact that the fighters were barred from hitting in the breakaway seemed to puzzle Simms and he fought at a disadvantage for that reason. His blows did not seem to lack steam, but he failed to use the best judgment and on one or two occasions did not follow up his advantage closely.

Furey did not hurt Simms. He found it hard to avoid the Akron man's jabs and had the worst of it in lighting but he usually bested Art when it came to long range swings. There was not a knockdown in the fight, but it was a fast go, nevertheless. Both men seemed to be fresh when the battle was over. Furey had a cut lip and bruised face, and Simms a slightly swollen nose. During the latter rounds of the fight Furey made no effort to inflict punishment. He was anxious to stay the limit and hung on to Simms so much that Referee Lally had to threaten to disqualify him before he would cease his tactics. All are agreed that Furey would have lost, had the fight gone to a finish. Simms did not show up in his best form. He was slow on his feet and fought like a man who was overtrained.

TWO GOOD GAMES. The additional cold that has been added to the local temperature is welcome to the football players and today's contests promise to be fast. There are two good teams who will face local players and the crowds are divided almost equally in sympathy and interest between the two games. The North Ends and Canton are fighting it out at Summit Lake park, and the South Ends and the Cleveland Athletic club struggle on Buchtel field.

THE WADSWORTH SHOW. The wrestling match at Wadsworth next Thursday night, when Frank Davey, of this city will attempt to defeat Harry Smith of Brooklyn, is expected to draw a large number of Akron people.

Besides the main event, there will be several minor matches, among which will be short bouts between boxers of more or less ability.

Preparations have been made by a number of Akron men to drive to Wadsworth in band wagons, on the night of the entertainment. For those who go by rail, the Erie train from the west, that passes through Wadsworth at midnight, will stop at the place and take on passengers for Akron and points east. This arrangement has been made by the promoters of the Wadsworth show.

POLICE BOWLERS. The bowlers of the Akron police department will probably roll in the Howard st. alley league, when that organization is perfected. When the bowling fever reached its height this fall, two teams were organized among the police, but the enthusiasm of many of them dwindled rapidly, they failed to practice regularly and now there is but one healthy team left. Several of the police have joined or will join the North End Athletic club and it may develop later that they will be found bowling with the team that organization intends to put in the city matches before the season ends.

NOT NOW. George V. Tuohy, manager for Tom Jenkins, the great Cleveland wrestler, has given up, for the present, his project of arranging an athletic show here. In company with president Milo Williams of the N. E. A. C., Tuohy spent some time in Akron a few days ago and conferred with local sports and club men regarding the possibility of having such an entertainment with any chance for success. He was evidently pleased with what he found, but will be busy taking care of the matches Jenkins already has for some time to come. The matter of an Akron show will be re-surrected later.

PLANETS AT BARBERTON. The Planets will play the Barbartons a second game at Barbarton, Saturday, Nov. 2. The long haired gods of the Magic City are reported as unsatisfied with the result of their last meeting with the Planets, when that nimble aggregation piled up a respectable score against nothing for Barbarton and have longed for a chance to square themselves. In the meantime they have practiced diligently and claim they are better, by 40 per cent, than they were last time. They have the encouragement and support of Barbarton people, numbers of whom are ardent admirers of foot-

I WEIGH 175 lbs. Former Weight 135 " Gain 40 lbs.

There are people who say that the benefit derived from the use of put-up medicines is imaginary. It is not the case with Dr. Pierce's Favorite Prescription, which makes weak women strong and sick women well. A woman may imagine she's weak, or may fancy she's sick, but her imagination can't add forty pounds to her weight. The positive proof of the curative power of "Favorite Prescription" is found in the restoration of health which is recorded in face and form, of strength which can be tested, and weight which can be registered in pounds and ounces.

The general health of women is so intimately connected with the local health of the womanly organs that when these are diseased the whole body suffers loss. Dr. Pierce's Favorite Prescription cures womanly diseases. It establishes regularity, stops weakening drains, heals inflammation and ulceration and cures female weakness.

"I am very glad to let other poor sufferers know what Dr. Pierce's medicine has done for me," writes Mrs. Edwin H. Gardner of Beechwood, Norfolk Co., Mass. (Box 70.) "You know I wrote to you last summer. I read what your medicine had done for other people, so I bought a bottle of it. I began in June and took six bottles of your medicine and three vials of 'Pelle's.' I had no appetite and could not eat much without it distressing me before I took your 'Favorite Prescription,' and I only weigh 135 pounds. Now I weigh 175."

BIG MONEY FOR A BOY. J. P. Haggin, the multi-millionaire horseman, has signed Jockey Wonderly, who is only 10 years old, to ride for him next year. The boy will receive \$15,000 for his work, and Haggin has only the second call on his services. This is the largest sum ever paid a jockey for work under those conditions.

BARBERTON AMBIOUS. Barbartonian bowlers have exhibited a desire for some time, to get into one of the Akron leagues. Failing in this, they have been content to play match games with such of the Akron teams as they have been able to secure dates with.

As the matches have usually been decided at Barbarton, the familiarity with their own alleys that has been exhibited by the Magic City men has enabled them to administer some defeats to the more pretentious organizations from Akron. While Barbarton is not eligible for contests that develop into struggles for Akron's championship, she shows up most gloriously in match games.

Chas. R. Wessmar, Evanston, Ill., writes: "My boy, 2 1/2 years old had a severe cold which refused to yield to any treatment until we tried Foley's Honey and Tar. He was completely cured before using one bottle." Take none but Foley's.

Barborton Needs Some Money Badly.

Would Use It to Dig the Test Wells on Kepier Farm.

(Special Correspondence.)

Barborton, Oct. 26.—The Council Committee, which has been engaged in getting prices and other data relative to the proposed test wells that the municipality wishes to sink at various places, for the purpose of finding an adequate water supply, has made considerable progress. Estimates on the work of sinking the wells on the Kepier farm and elsewhere have been submitted by Mansfield people, and the committee has looked upon them as reasonable.

The chief drawback now is the lack of funds in Barborton's treasury, with which to go ahead. This will be remedied by the authorization of a loan of \$500 with which to pay the diggers.

The wells will be sunk and all possible information relative to the prospective water supply will be secured before the closing in of winter and Barborton will in all probability go ahead early next year and add this much needed convenience to the list of those possessed by the new city.

LECTURES.

Six Arranged for Akron Under Auspices of Chicago University.

Will Deal With Principles of Modern Sociology.

Beginning Wednesday evening, Oct. 30, and continuing until six lectures have been delivered, at intervals of two weeks, the principles of Modern Comparative Sociology will be explained to Akron citizens, under the auspices of the University of Chicago. These lectures will be delivered at Assembly hall, High school building, by Dr. Jerome H. Raymond, who in presenting the subject of Modern Sociology will deal with the six most important capitals of Europe—Constantinople, St. Petersburg, Vienna, Berlin, Paris and London. After each lecture a quiz class will be conducted for three-quarters of an hour.

Literature upon these subjects will be distributed among those interested, and all who wish to take a thorough course in Sociology may begin study immediately after the first lecture, and submit their work for examination to the University of Chicago, either with a view to receiving credit for it, or eventually taking a degree. The course will be completed at the University.

Local arrangements are in charge of a committee of which Dr. M. B. Pratt, of the First M. E. church, is chairman. A well attended meeting was held at the High school building, Friday afternoon to complete preliminary arrangements for the lectures, which will be free to the people, as no admission will be charged. However, there is nothing cheap about the lectures, which will present to the people the results of years of study and expensive research, in branches whose facts are not easily obtained. The six lectures will cost \$125 to be paid to the University of Chicago. To raise this amount committees were appointed Friday afternoon to call on the citizens for contributions. Attorney C. F. Beery will make requests of lawyers; Miss Carita McEbright will see the physicians; Mr. and Mrs. W. B. Collins will call on the business men; Rabbi Isador Philo will bring the matter before the members of the Hebrew Reformed church; contributions from school pupils will be received by Prof. J. R. Smith, principal of the Henry school, and Prof. D. C. Rybolt, principal of the High school.

The organization to provide these lectures is offered as follows: Chairman, Rev. M. B. Pratt; vice chairman, Supt. H. V. Hotchkiss; secretary and treasurer, Prof. J. R. Smith. The Board of Education has donated the use of Assembly hall, High school, free. Many of the best citizens of Akron are interested in the movement and Buchtel College professors are so enthusiastic over it that they have suggested to students that they attend every lecture.

Democrats of this city and county feeling good over the great turnout, which it may be confessed, exceeded the anticipations of the managers of the affair. The Republican managers are frank enough to concede that their rivals equaled them in making a display, and admit that they were taken by surprise by the magnitude of the meeting.

The keynote by Colonel Kilbourne has been well received, and he is the recipient of handsome compliments on that score.

Doctor David Kennedy's Favorite Remedy FREE

The free distribution of trial bottles of Dr. David Kennedy's Favorite Remedy is working miracles everywhere.

No form of Kidney, Liver, Bladder or Blood disease, or the distressing sicknesses so common among women, can long withstand the great curative power of this famous specific.

A small quantity of this wonderful medicine has more curative power than barrels of other remedies," says a prominent New York City Physician.

It is the most successful medicine ever discovered for the Kidneys, Liver and Blood.

Its record of cures has made it famous in medical circles everywhere.

It is the most reliable Spring Medicine because it purifies the blood and dissolves the excess of uric acid in it.

It restores the Kidneys and Bladder to their normal functions and gently moves the bowels.

It is better for Constipation than any pills. Better for the nerves than any sedative. Better for the weak, infirm and aged than any tonic.

It is a vegetable help to the stomach and bowels in performing their duties properly. It overcomes and permanently cures Dyspepsia, Indigestion, Biliousness and Rheumatism.

For the weaknesses and sicknesses peculiar to women, no other medicine has such a record of cures to its credit.

Dr. David Kennedy's Favorite Remedy is the only Kidney medicine that does not constipate. Most Kidney and Liver medicines contain poisonous and deleterious drugs that never should be taken into the system; they injure the stomach and impair digestion.

Remember, Dr. David Kennedy's Favorite Remedy is absolutely harmless. It is absolutely and purely vegetable. It contains no narcotics or minerals in any form, no dangerous stimulants, no mercury or poisons.

Children and invalids can take it with perfect safety. It is a blessing in old age.

Upon investigation it was found that 91 per cent. of those who had used the trial bottle had received such benefit from it that they purchased large sized bottles of their druggists and were cured.

It matters not how sick you are, how long you have suffered, or how many physicians have failed to help you, Dr. David Kennedy's Favorite Remedy will cure you if a cure is possible.

TRY THIS TEST

Put some urine in a glass tumbler and let it stand twenty-four hours; if it has a sediment, or if it is pale or discolored, milky or cloudy, stringy orropy, your Kidneys or Bladder are in a bad condition. Dr. David Kennedy's Favorite Remedy speedily cures such dangerous symptoms as pain in the back, inability to pass urine, a burning, scalding pain in passing it, frequent desire to urinate, especially at night, the staining of linen by your urine and all the unpleasant and dangerous effects on the system produced by the use of whiskey, wine or beer.

Trial Bottle Free

By special arrangement with the Dr. David Kennedy Corporation the readers of The Daily Democrat are enabled to obtain a trial bottle of this wonderful medicine and a pamphlet of valuable medical advice absolutely free, postpaid, by simply sending their full post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention having seen this generous offer in the Daily Democrat. The publishers of this paper guarantee the genuineness of this liberal offer. Favorite Remedy is sold by all druggists or direct, \$1 a bottle; 8 bottles for \$8.

Man Who Shot Jim Fish Is Very Near Death's Door.

Ed. S. Stokes on Horseback.

New York, Oct. 26.—Edward S. Stokes has had another sinking spell today, and his end seems near.

Stokes' faithful valet Dennist, has not left the bedside of the dying man for days. It is only when the valet is by his side that Stokes has any peace at all, and when Dennist leaves him he pleads for the return of the one man in whom he seems to have confidence.

Two male nurses have been with him and at times they have had to help Dennist restrain the patient, who has striven with all his might to rise from his bed.

Stokes shot and killed Jim Fish in an altercation over Josie Mansfield, the beautiful woman who was the cause of the men's troubles. She is now living in contentment in Europe.

When Stokes got out of prison after the killing of Fish he was a bankrupt. He afterward accumulated a fortune.
