BANQUET

In Honor of Judge D. J. Nye

To be Given by Summit County Bar.

Members of the Summit County Bar are arranging to give a banquet in honor of Judge D. J. Nye, Elyria, on the evening of Feb. 22, if that date be agreeable to the Judge.

The affair will be elaborate, and is designed as a testimonial of the esteem in which Judge Nye is held by the Summit County Bar, and at the banquet resolutions will be read and speeches made appropriate to the occasion of his retirement from office after a term of ten years as judge on the Common Pleas bench.

At a meeting of the Summit County Bar, Monday morning, Messrs. C. R. Grant, N. D. Tibbals and C. S. Cobbs were appointed a committee on resolutions, and Messrs. S. G. Rogers, E. F. Voris, E. A. Hershey, Jesse P. Dice and Prosecutor H. M. Hugelberger were named as a committee on arrangements for the banquet.

At the meeting Monday morning, remarks were made by Judge J. A. Kohler, Hon. C. R. Grant and Attorney C. S. Cobbs. Judge Kohler said, "I believe today marks the end of Judge Nye's term as Judge of the Common Pleas court in this district. He lays aside the ermine of office which he has worn worthily, I think, for ten years and becomes a private citizen, and it seems to me that when a judge has discharged the duties of that office for so long a period that some note should be taken of his worth by members of the bar in this county."

He has served upon this bench a great many times and decided a great many cases—and I think all will agree that he has aimed to discharge the duties of the office conscientiously, impartially and faithfully. He has been a diligent, hard worker, and his entire object and purpose has seemed to be to decide cases according to justice and equity. He may not have satisfied everybody. It is almost impossible for a judicial officer to please and satisfy every one.

"The little compensation Judge Nye received during his past ten years of hard work and responsibility, but there is something more than dollars and cents, and that is the consciousness of a man when he retires from office that he does so with the respect, esteem and good will of those whom he has served. The Judge suggested that a committee be appointed to prepare resolutions expressing the esteem of the members of the Bar for Judge Nye."

Hon. C. R. Grant remarked that he heartily coincided with what Judge Kohler had said relating to the career of Judge Nye. "I never knew Judge Nye," he said, "until he came on the bench, or was nominated for the position, but I believe that during his 10 years' service as Judge of the Common Pleas court in this sub-division, he has been most industrious, most faithful and most conscientious in the work he has done, and I believe he has commended himself in that regard not only to members of the Bar, but to citizens of this county as well. The least we can do is to show him some testimonial of the appreciation in which we hold his service."

Judge Grant then presented two motions that a committee be appointed to prepare resolutions, and that a banquet be tendered Judge Nye. Both motions were adopted unanimously.

Attorney C. S. Cobbs endorsed what the others had said and remarked briefly on the splendid service of the retiring Judge.
