Don't Start Wrong.
 Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly."

GRAND LARCENY.
Walter Wolfe Locked Up, on a Serious Charge.
 Walter Wolfe was arrested by Officer Doerler, Friday, and charged with grand larceny. The complainant is Milton W. Black, who alleges that Wolfe stole \$42 belonging to him. The men have been working together at the Buchtel, and they also roomed together. Black alleges that Wolfe entered the room in his absence, and took the money. Officer Doerler was put to work on the case, and it is stated that he succeeded in securing a confession from Wolfe, Friday morning. He will have a hearing Saturday. His bond was fixed at \$1,000 by the Mayor, Friday.

"Good Night."
 How few women know what it is to have a good night; a night of sound, restful sleep. They smile and say "good night" in cheery tones, but when the chamber door closes behind them, the smiling mask drops off, and shows the lines of suffering.
 Other women have had the bad nights changed to good by the use of Doctor Pierce's Favorite Prescription. So may you. Ninety-eight times in every hundred it perfectly cures diseases of the delicate womanly organs. It builds up the nervous system, puts flesh on the body and color on the cheek.

"Favorite Prescription," writes Mrs. C. N. Anderson, of Rockbridge Baths, Rockbridge Co., Va., "is a God-send to weak and sickly women, restoring health without subjecting their nerves to the shock of an examination. I was all run down in health—could not work but a short while without resting. Was so nervous at times that I could not even write; had a very poor appetite. I decided to write to Dr. Pierce and state my case. I received a favorable reply, and commenced taking the 'Favorite Prescription' and 'Pellets.' Took six bottles of 'Favorite Prescription,' one of 'Golden Medical Discovery' and one of 'Pellets.' I can now work as well as I could before I was taken sick. I think Dr. Pierce's medicines the best in the world for sick and nervous women."
 Doctor Pierce's Pleasant Pellets are specially adapted to the use of delicate women. Easy to take, gentle in action.

BARBERTON
ALL OVER.
The Italians at Work Again.

Mr. McCarty Makes a Speech and Waxes Eloquent.
 (Special Correspondence.)
 Barberton, May 9.—The work of paving Tuscarawas ave. came to a sudden standstill, Wednesday morning, and a special meeting of the City Council was called for Wednesday night, to investigate the matter. The trouble was all caused by the contractors, Messrs. Paul & Henry importing 25 Italian workmen from Cleveland and setting them to work on the street which expressly forbids the employment of foreign labor. The matter was taken up by Councilmen McCoy and McCarty, and the work of the foreigners, ordered stopped. The demand of the Councilmen was complied with by the contractors and the work came to an end.
 Thursday morning, work commenced again on Tuscarawas ave., bright and early, the wherefore of this being that there was a special meeting of the Council Wednesday evening. A unique feature of the affair was that the ladies footed the bills which included cigars for the gentlemen.
 The Republican caucus will be held Friday evening.
 Mr. O. E. Robinson, of Baltimore, Md., was in the city Thursday.

The cause of all the trouble was that two of the Councilmen, Messrs. McCarty and McCoy, without the authority of the Council, and without first taking the matter up with the Street committee, ordered the contractors Paul & Henry to discharge 25 Italian workmen. The contractors complied and the work of paving Tuscarawas ave. came to a standstill.
 It was the general sense of the Council that Messrs. McCarty and McCoy had far overstepped the bounds of their authority in ordering the work stopped on their own responsibility, and the contractors were reprimanded for paying any attention to the command, as the work could legally be stopped only by injunction from Common Pleas court.
 The matter was finally settled by passing a resolution requiring Messrs. Paul & Henry and Wildes and Son to give precedence to Barberton and American labor, and authorizing them when this supply gives out to employ any available labor.
 There were some pretty hot discussions over the question of foreign labor and some very patriotic impromptu addresses were made. Mr. McCarty defended the position he had taken and said he was prepared to show that the employment of foreign labor on the streets of Barberton violated the action taken by the Council, notwithstanding.
 During the discussion, Mr. McCarty waxed eloquent, and said: "I the colonists were justified in dressing up like Indians and throwing English tea into the harbor at the time of the Boston tea party, it is certain that the two Councilmen were justified in stopping foreign labor on the streets of Barberton."
 After authorizing the contractors to continue with the work of street paving, the Council adjourned, but the wise ones shake their heads and say, "The end is not yet."

ANTI-DICK
Sentiment In Magic City.
Akron "Gang" Is Accused of Meddling.
 (Special Correspondence.)
 Barberton, May 9.—There is anything but harmony in the Republican ranks here and there is likely to be a spirited contest at the caucuses to-night, between the Dick and anti-Dick faction, or, as others style it, the Akron and anti-Akron faction. The anti's have many grievances, but the final straw was the appointment of T. J. Davies as postmaster of Barberton, in the face of the fact that it is claimed Mr. Shaw had a petition signed by 95 per cent of the voters.
 Said a well known Republican, Thursday: "I am a Republican, always was and always expect to be one, but I am sick of the way things are going here. The secret of the whole affair is simply this: Mr. Shaw was the choice of his party and of the people here, but the gang at Akron wants to run things down here in Barberton, and were anxious to secure delegates favorable to Dick and to the Akron gang. Attorney Charles Ammerman, it was said, carried the vote of Barberton in his vest pocket, he was therefore approached by members of the gang and certain promises, the postmastership for Tommy Davies being one, made to him. In return for this Dick-and-Akron delegates were to be sent to the convention. The Republicans, however, are tired of having Akron politicians try to run this town and feel that they are capable of carrying on the business of the city themselves.
 "There is a strong anti-Dick feeling

MYSTERY
Surrounding Dalton Still Unsolved.
Chief Durkin Tried Unsuccessfully to Gain Information.
 Edward Dalton, the man who was captured by the police, after an exciting chase through the southern part of the county, after Dalton had stolen a rig belonging to Contractor John Crisp, some time ago, remains as much a mystery to the local police as ever. He has given several stories as to his whereabouts for some time before he came to Akron, and an attempt has been made to follow his travels, though thus far the effort has been without success.
 It will be remembered that Dalton sold the horse he had stolen from Crisp to a blacksmith at East Liberty. The buggy and harness were not included in the deal, and Dalton included the blacksmith to ship these to him at 545 Grant st., Pittsburg, Pa.
 On finding this out, Chief of Police wrote the Police department at Pittsburg, in an attempt to see if Dalton could be located by investigating the address he had given. This the Pittsburg officers tried, but they were unable to locate any of Dalton's friends or antecedents, the occupants of the building at 545 Grant st., Pittsburg, claiming to know nothing about him.
