W.C.T.U. OBSERVE ANNUAL FLOWER DAY

The annual flower day exercises of the W. C. T. U. were held Wednesday of last week at the county infirmary, 150 being registered.

Sharon had the largest attendance, 35 of the membership of 38 being present at the meeting.

Mrs. P. C. Foskett was a delightful and courteous hostess, entertaining the organization in royal manner. Flowers and presents were carried to the inmates who expressed great pleasure at the kind thoughtfulness of the visiting ladies.

An excellent picnic luncheon was served on the beautiful lawn, each member bringing a basket but Mrs. Foskett supplied coffee, tea, cream and lemonade.

The program was held on the lawn excellent addresses being made by Mrs. Wood of Wadsworth and Mr. Kelsor of Medina. A solo by Mrs. Rev. Chalfant of Sharon was much appreciated. Mrs. Charles Davis of this city presided at the meeting.

This meeting is an annual affair and the inmates always look forward eagerly to its coming. The W. C. T. U. is an organization of practical accomplishment and the county unit is especially active in good deeds.

HAND BROKEN BY BLOW FROM SLEDGE

John Kemp of Abbeyville, employed by the county in road building sustained two broken bones in his right hand last Friday morning near the B. & O. tracks when a sledge hammer, weighing ten pounds, swung by John Moore, struck the member.

Moore was striking the side of a huge bucket—a slag loader—and Kemp was holding the bail of the bucket. The sledge struck the side of the bucket a glancing blow and ricocheted, landing heavily upon Kemp's hand.

He was given medical treatment and sent home where he is making rapid recovery.

How They're Made
THE SECRET OF THE SAVINGS TO YOU

So many people ask us why it is that we can sell Clothcraft Clothes at such moderate prices while other clothes seem so much higher in price.

Our first answer is, "They do not cost us as much." but there is a better reason than that. The fabrics cost practically the same but Clothcraft Clothes, being made in such enormous quantities by scientific methods, cost much less per suit.
